LG SC9S.DUSAJLM

LG SC9S 3.1.3-Channel Soundbar Instruction Manual

MODEL: SC9S.DUSAJLM

Brand: LG

INTRODUCTION

The LG SC9S 3.1.3-Channel Soundbar is engineered to deliver an immersive listening experience, perfectly complementing your LG OLED evo C Series TV. Featuring triple up-firing height channels with Dolby Atmos and DTS:X, this soundbar creates a wider and richer soundstage. It is WOWCAST ready for wireless Dolby Atmos audio and includes the LG OLED Synergy Bracket for seamless integration with compatible LG OLED TVs. This manual provides essential information for setting up, operating, and maintaining your soundbar to ensure optimal performance.

WHAT'S IN THE BOX

Please ensure all the following components are included in your package:

- Soundbar
- Subwoofer
