1. INTRODUCTION

Thank you for choosing the OtterBox React Folio Case for your iPad 10th Gen 2022 or 11th Gen 2025 (A16). This instruction manual provides essential information on how to install, use, and maintain your new protective case. The React Folio Series is designed to offer robust protection against drops while maintaining a slim profile and enhancing usability.

2. KEY FEATURES

- **Advanced Drop Protection:** The React Folio Series case is ultra-slim and has undergone thousands of hours of drop testing to ensure maximum tablet protection. It is tested to military standards (MIL-STD-810G 516.6) for reliable drop resistance.
- **Screen Protection:** The folio cover features a soft microfiber lining that protects your iPad's screen from scratches and abrasions when closed. An elastic closure keeps the cover securely shut.
- **Transparent Back:** The clear back panel allows for easy identification of your iPad's engravings and inventory labels without removing the case.
- **Integrated Stand:** The case transforms into two vertical stand positions, providing comfortable angles for typing, viewing, and video calls.
- **Apple Pencil/Stylus Storage:** Securely store your Apple Pencil or other stylus within the case, ensuring it's always at hand and protected.
- **Slim Design:** The ultra-slim folio cover is designed to easily slide into and out of bags and backpacks.

3. INSTALLATION GUIDE

Follow these steps to properly install your iPad into the OtterBox React Folio Case:

1. **Prepare your iPad:** Ensure your iPad is clean and free of dust or debris.
2. **Align the iPad:** Gently align your iPad with the hard shell of the case, ensuring the camera cutout and port openings match.
3. **Snap into place:** Press firmly around the edges of the iPad until it securely snaps into the case. Ensure all corners are fully seated.
4. **Close the Folio:** Close the folio cover over the screen and use the elastic band to secure it if desired.

4. OPERATING AND USAGE

4.1 Using the Integrated Stand

The React Folio Case offers two vertical stand positions for enhanced usability:

1. **Viewing Mode:** Fold the folio cover back to create a stable triangle stand. This position is ideal for watching videos, making video calls, or browsing.
2. **Typing Mode:** Adjust the fold to a lower angle for a comfortable typing experience.

4.2 Apple Pencil/Stylus Storage

The case includes a dedicated slot or loop for your Apple Pencil or stylus. Insert your stylus into this designated area to keep it secure and prevent loss.

4.3 Screen Protection

When not in use, close the folio cover to protect your iPad's screen from scratches and impacts. The elastic band can be used to keep the cover firmly closed.

Your browser does not support the video tag.

Video: Official OtterBox React Folio Series video demonstrating key features such as drop protection, screen protection, transparent back design, and secure Apple Pencil storage. The video shows the case being dropped, the folio cover closing, and the iPad in various stand positions.

5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your OtterBox React Folio Case, follow these simple care instructions:

- **Cleaning:** Use a soft, damp cloth to wipe down the exterior of the case. Avoid harsh chemicals or abrasive cleaners, as these can damage the material.
- **Interior Cleaning:** Periodically remove your iPad from the case and clean both the iPad and the interior of the case to prevent dust and debris buildup.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures or prolonged direct sunlight, which can cause material degradation.

6. TROUBLESHOOTING

If you encounter any issues with your OtterBox React Folio Case, consider the following:

- **Case Fit:** Ensure your iPad is correctly seated in the case. Remove and re-install the iPad, making sure all edges and corners snap into place.
- **Stand Stability:** If the stand is unstable, ensure the folds are properly creased and the iPad is placed on a flat, stable surface.
- **Screen Cover Closure:** If the folio cover does not stay closed, ensure no foreign objects are preventing it from closing properly. Use the elastic band for added security.

For further assistance, please contact OtterBox customer support.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Otterbox
Model Number	77-92189
Compatible Devices	iPad 10th Gen 2022, 11th Gen 2025 (A16)
Color	Blue
Material	Plastic
Form Factor	Folio with Stand
Case Type	Hard
Special Feature	Rugged Protection
Product Dimensions (L x W x H)	19.8 x 26.8 x 2.2 cm
Item Weight	340 Grams
Maximum Compatible Device Size	10.9 Inches
Country of Origin	China
Box Contents	OtterBox Case

8. WARRANTY INFORMATION

This OtterBox React Folio Case comes with a **2-year manufacturer warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for any warranty claims.
