Kadablk 9911-1

Kadablk Dream Castle Micro Blocks Building Set

Model: 9911-1

1. INTRODUCTION

Welcome to the Kadablk Dream Castle Micro Blocks Building Set instruction manual. This set features over 2800 micro-sized building blocks, designed to create an intricate and beautiful architectural castle model. It offers a challenging yet rewarding building experience for teens and adults, requiring patience and focus due to the small size of the components. Once completed, the Dream Castle serves as an impressive display piece.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all safety information before beginning assembly. Keep this manual for future reference.

- **Small Parts Warning:** This set contains micro-sized building blocks. These small parts may pose a choking hazard for children under 3 years of age. Adult supervision is recommended for younger builders, though the set is primarily designed for ages 15 and up.
- **Material Safety:** The building bricks are made from 100% ABS plastic, which is a high-quality, green material. The smooth surface and rounded corners of the blocks are designed for safe handling.
- **Handling:** Handle blocks with care to avoid misplacing them. Due to their small size, it is easy to lose individual pieces.
- **Storage:** Store unused blocks and the partially assembled model in a secure container to prevent loss or damage.

3. PACKAGE CONTENTS

Before starting assembly, please verify that all components are present in your package:

- Over 2800 Micro Building Blocks (sorted into numbered bags)
- Illustrated Instruction Booklet (step-by-step guide)

If any pieces are missing, please refer to the 'Warranty and Support' section for assistance.

4. ASSEMBLY GUIDE

The Kadablk Dream Castle Micro Blocks Building Set provides an immersive and detailed building experience. Follow the step-by-step instructions in the included booklet carefully. Due to the micro size of the blocks, patience and precision are key.

4.1. General Assembly Tips

- **Organize Your Workspace:** Clear a large, well-lit area. Sort blocks by color and shape as you open each bag to make them easier to find.
- **Follow the Booklet:** The illustrated instruction booklet provides a detailed, step-by-step guide. Do not skip steps.
- **Precision is Key:** Micro blocks require careful alignment. Ensure each piece is firmly pressed into place to maintain structural integrity.
- **Take Breaks:** If you feel frustrated, take a short break. Building micro block sets can be intricate and requires sustained attention.

5. MAINTENANCE

To keep your Kadablk Dream Castle looking its best, follow these simple maintenance tips:

- **Cleaning:** Gently dust the assembled model with a soft brush or cloth. For more thorough cleaning, use a slightly damp cloth with mild soap and water, then dry immediately. Avoid harsh chemicals.
- **Storage:** If disassembling or storing, keep all blocks in a sealed container to prevent loss and protect them from dust and sunlight.

6. TROUBLESHOOTING

6.1. Missing Pieces

Every piece of our product undergoes three confirmation tests before packaging. However, if you find that your set is still missing a piece, please contact us directly. We will send the missing parts to you free of charge.

6.2. Difficulty with Assembly

Micro blocks can be more challenging than traditional building blocks. If you encounter difficulty, double-check the

instruction booklet for the correct placement and orientation of pieces. Ensure blocks are fully connected. Sometimes, a small misalignment can prevent subsequent pieces from fitting correctly.
