PURIVITA Shaver Head Cleaner Liquid

Model: SR1000 - 1000ML

1. INTRODUCTION

The PURIVITA Shaver Head Cleaner Liquid is designed for effective and hygienic cleaning of electric shaver heads. This product is compatible with various cleaning stations, including Braun Clean & Renew and Philips Series systems. Its special formula not only cleans but also lubricates the shaver head, contributing to a longer lifespan for your device and a consistently smooth shave.

Manufactured in Germany with an allergen-free composition, it is suitable for sensitive skin and offers an ecological alternative to disposable cleaning cartridges.

2. SAFETY INFORMATION

- Keep out of reach of children.
- Avoid contact with eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- Do not ingest. If swallowed, seek medical advice immediately and show this container or label.
- Use in a well-ventilated area.
- Store in a cool, dry place, away from direct sunlight.
- Do not dilute the cleaning liquid. It is ready for use as supplied.

5. OPERATING INSTRUCTIONS

Method 1: Without a Cleaning Cartridge

1. Place the shaver head in a suitable container.
2. Pour enough PURIVITA cleaning solution into the container to submerge the shaver head.
3. Allow the shaver head to soak in the solution for approximately 10 minutes.
4. After soaking, remove the shaver head and rinse it thoroughly under clean running water.
5. Allow the shaver head to air dry completely before reattaching it to your shaver.

Method 2: With a Cleaning Cartridge (e.g., Braun Clean & Renew, Philips Series)

Líquido de recambio para limpiador de cabezales de corte

Disfruta de una limpieza profunda y segura con el líquido recargable PURIVITA, desarrollado para estaciones de limpieza. Su potente fórmula elimina eficazmente la barba, la grasa de la piel y los residuos, al tiempo que cuida y protege los cabezales de afeitado. Ideal para un afeitado duradero, sin aditivos irritantes ni residuos.

1. **Remove Empty Cartridge:** Extract the empty cleaning cartridge from your cleaning station. Ensure the device is powered off.
2. **Rinse Cartridge:** Rinse the empty cartridge thoroughly with warm water to remove any remaining residue.
3. **Dry Cartridge:** Ensure all water has been removed from the cartridge before refilling.
4. **Fill Cartridge:** Carefully fill the cartridge with the PURIVITA cleaning liquid. **DO NOT DILUTE.** The mixture is ready for use. Fill up to the marked line on the cartridge.
5. **Insert and Start:** Place the filled cartridge back into the cleaning station and initiate the cleaning process according to your device's instructions.

6. MAINTENANCE

Regular Cleaning:

Regular use of PURIVITA Shaver Head Cleaner Liquid helps maintain the hygiene and performance of your shaver. It effectively removes:

- **Hair:** Efficiently removes trapped hairs from the shaver head.
- **Stubble:** Completely eliminates beard stubble for optimal cleaning.
- **Sebum and Dandruff:** Removes grease and skin flakes, providing hygienic freshness.

Storage:

Store the PURIVITA Shaver Head Cleaner Liquid in its original container, tightly closed, in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure it is stored upright to prevent leaks.

7. TROUBLESHOOTING

- **Shaver head not clean after use:** Ensure the shaver head was properly submerged or the cleaning cartridge was filled correctly. Check if the cleaning cycle on your station completed successfully.
- **Liquid evaporating too quickly:** This can be normal for alcohol-based solutions. Ensure the cleaning station lid is closed when not in use to minimize evaporation.
- **Unusual odor:** The product has a lemon fragrance. If an unpleasant odor occurs, ensure the shaver head and cartridge were thoroughly rinsed before adding new liquid.
- **Skin irritation:** While designed for sensitive skin, discontinue use if irritation occurs and consult a medical professional.
