SETUP

1. Battery Installation

1. Gently remove the back cover of the phone.
2. Align the battery contacts with the terminals inside the battery compartment.
3. Press the battery down until it is securely in place.
4. Replace the back cover, ensuring it clicks into position.

2. SIM Card Installation

The Carvaan Saregama Don M12 supports dual SIM cards (Nano SIM and Standard SIM).

1. With the back cover and battery removed, locate the SIM card slots.

2. Insert your Nano SIM card into the designated slot with the gold contacts facing down.
3. Insert your Standard SIM card into the second designated slot with the gold contacts facing down.
4. Ensure both SIM cards are properly seated.

3. Memory Card Installation

The phone supports a 4 GB memory card, providing 1.3 GB of free memory space for your files.

1. Locate the memory card slot, usually near the SIM card slots.
2. Insert the microSD card with the gold contacts facing down until it locks into place.

4. Initial Charging

1. Connect the charger to the phone's charging port.
2. Plug the charger into a power outlet.
3. Allow the phone to charge completely before first use. The battery indicator on the screen will show charging status.

OPERATING INSTRUCTIONS

1. Power On/Off

- **To Power On:** Press and hold the Power/End Call button until the screen lights up.
- **To Power Off:** Press and hold the Power/End Call button until the power-off options appear, then select 'Power Off'.

2. Basic Navigation

Use the keypad for navigation. The central navigation key (D-pad) allows you to move through menus, and the center button typically acts as a selection key. The left and right soft keys perform functions indicated on the screen.

The phone's display showing the time and date, with the keypad clearly visible below.

3. Making and Receiving Calls

- **To Make a Call:** Enter the phone number using the keypad and press the Green Call button.
- **To Receive a Call:** Press the Green Call button when the phone rings.
- **To End a Call:** Press the Red End Call button.

4. Messaging

Access the 'Messages' menu to compose and send SMS messages. Use the keypad to type your message.

5. Music Playback (Pre-loaded Songs)

Your Carvaan Saregama Don M12 comes with 1000 pre-loaded Hindi evergreen songs. Access these songs through the 'Music' or 'Carvaan' menu option.

Visual representation highlighting the 1000 pre-loaded super hit songs available on the device, requiring no internet.

6. FM Radio

To use the wireless FM radio, navigate to the 'FM Radio' application in the menu. You can scan for available stations and save your favorites.

7. Bluetooth Connectivity

The phone supports Bluetooth for connecting to compatible devices such as headphones or other phones.

1. Go to 'Settings' > 'Connectivity' > 'Bluetooth'.
2. Turn Bluetooth 'On'.
3. Search for available devices and pair with your desired device.

8. Voice Recording

Access the 'Voice Recorder' application from the menu to record audio. Recordings are saved to the phone's memory or inserted memory card.

9. Auto Call Recording

The phone features auto call recording. This option can usually be enabled or disabled in the call settings menu.

10. Torch Light

Activate the mega torch light feature, typically by pressing and holding a specific key or through a dedicated menu option.

11. Games

The phone includes a pre-installed game, 'F1 Race'. Access it from the 'Games' menu.

12. Multi-language Support

The device supports multiple languages. You can change the display language in the 'Settings' menu.

MAINTENANCE

1. Battery Care

- Avoid exposing the battery to extreme temperatures.
- Do not puncture or damage the battery.
- Use only the original charger provided with the phone.

2. Cleaning

- Use a soft, dry cloth to clean the phone's screen and body.
- Avoid using liquid cleaners or abrasive materials.

3. Storage

Store the phone in a cool, dry place away from direct sunlight and moisture when not in use for extended periods.

TROUBLESHOOTING

If you encounter issues with your Carvaan Saregama Don M12, refer to the following common solutions:

Problem	Possible Solution
Phone does not power on	Ensure the battery is correctly installed and charged. Connect the charger and wait a few minutes before attempting to power on.
Battery drains quickly	Reduce screen brightness, close unused applications, or try charging the battery fully. If the issue persists, the battery may need replacement.
System hangs or freezes	Remove and reinsert the battery to perform a hard reset. Avoid running too many applications simultaneously.
Cannot make/receive calls	Check SIM card installation. Ensure you have network coverage. Verify that the SIM card is active and has sufficient balance.
No sound from speaker	Check volume settings. Ensure no headphones are connected if you expect sound from the loudspeaker.
