## 2. SAFETY INFORMATION

---

**Important Disclaimer:** Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

- Not recommended for individuals under 18 years of age.
- Consult a healthcare professional before use if you are pregnant, nursing, sensitive to caffeine, or have any pre-existing medical conditions.
- Do not exceed the recommended daily dosage.
- Discontinue use if you experience any adverse reactions, such as gum irritation, and consult a doctor.
- Keep out of reach of children.

## 3. SETUP

---

1. **Unseal the Can:** Locate the seal around the lid of the MOJO can. Break this seal to allow the lid to be opened.

2. **Open the Lid:** Carefully open the lid of the can to access the energy pouches.

## 4. OPERATING INSTRUCTIONS

Follow these steps to properly use your MOJO Balanced Energy Pouch:

1. **Grab a Pouch:** Take one pouch from the can.
2. **Moisten:** Briefly moisten the pouch in your mouth. This helps with easier placement and activation.
3. **Position:** Place the moistened pouch comfortably between your lip and gum.
4. **Enjoy:** Allow the pouch to release its contents, providing a balanced energy boost. The effects typically begin within a few minutes.

## 5. MAINTENANCE AND DISPOSAL

Once you have finished using a MOJO energy pouch, proper disposal is important:

- **Dispose in Trash:** Place the used pouch in a waste receptacle.
- **On-the-Go Disposal:** If a trash can is not immediately available, you can conveniently store the used pouch in the top compartment of the MOJO can until you can dispose of it properly.

## 6. TROUBLESHOOTING

### Gum Irritation

Some users may experience mild gum irritation. If this occurs:

- Try repositioning the pouch to a different area of your mouth.
- Reduce the duration of use.
- If irritation persists or worsens, discontinue use immediately and consult a healthcare professional.

### Pouch Not Dissolving

The pouch material itself is not designed to dissolve. Only the active ingredients within the pouch are released. After use, the pouch should be removed and disposed of.
