Devoko 24162W

Devoko Standing Desk 160x60cm

Model: 24162W - Instruction Manual

1. INTRODUCTION

Thank you for choosing the Devoko Electric Height Adjustable Standing Desk. This desk is designed to provide a comfortable and ergonomic workspace, allowing you to seamlessly switch between sitting and standing positions throughout your day. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk.

The Devoko Standing Desk features a robust steel frame, a spacious 160 x 60 cm desktop, and an electric lift system with memory presets for personalized height adjustments. Its quiet motor and anti-collision system ensure a smooth and safe user experience.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Keep children and pets away from the desk during operation to prevent injury.
- Do not place more than the maximum weight capacity (80 kg) on the desk.
- The desk is equipped with an anti-collision system. If the desk encounters an obstacle during movement, it will stop and reverse slightly. Do not attempt to override this safety feature.
- Avoid spilling liquids on the control panel or motor components.
- Only use the provided power supply unit.

3. PACKAGE CONTENTS

Please verify that all the following items are included in your package:

- Height Adjustable Desk Frame (including motor and control box)
- Desktop (160 x 60 cm, typically in two panels for assembly)
- Power Supply Unit
- Control Panel with Digital Display and Memory Buttons
- 4 x Foot Pads
- Installation Tools
- Installation Instruction Paper

4. SETUP AND ASSEMBLY

The Devoko Standing Desk requires assembly. The desktop typically consists of two panels that need to be joined. Please follow the detailed instructions provided in the included installation instruction paper and refer to the official installation video for visual guidance.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the desk frame according to the diagrams in the instruction manual.
3. Attach the desktop panels to the assembled frame, ensuring proper alignment and secure fastening.
4. Connect the control panel and power supply unit to the desk motor/control box.
5. Attach the foot pads to the bottom of the desk legs.
6. Perform initial calibration as per the instruction paper (if required).

For detailed, step-by-step assembly instructions, please consult the dedicated installation video and the paper manual included with your product.

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The desk's height can be adjusted electrically using the control panel. The adjustable height range is from 72 cm to 122 cm.

- **To Raise the Desk:** Press and hold the **UP** button (▲) until the desired height is reached.
- **To Lower the Desk:** Press and hold the **DOWN** button (▼) until the desired height is reached.

The current height will be displayed on the LED indicator on the control panel.

Ergonomic Design

Image 2: Illustration of the desk's ergonomic height adjustment range (73cm to 122cm).

5.2 Memory Presets

The desk features two memory buttons (labeled '1' and '2') to store and recall your preferred sitting and standing heights.

1. To Set a Memory Height:

- Adjust the desk to your desired height using the UP/DOWN buttons.
- Press the **M** button (or similar 'Set' button, if present) once.
- Within 3 seconds, press either button **1** or **2**. The display will show 'S-1' or 'S-2' to confirm the height has been saved.

2. To Recall a Memory Height:

Press button **1** or **2**. The desk will automatically move to the saved height.

5.3 Anti-Collision System

The desk is equipped with an anti-collision system to prevent damage and injury. If the desk encounters an obstruction during upward or downward movement, it will automatically stop and reverse slightly. This feature is always active.

6. FEATURES OVERVIEW

The Devoko Standing Desk includes several thoughtful features to enhance your workspace:

- **Desktop Cable Holes:** Integrated holes in the desktop help manage and route cables, keeping your workspace tidy.
- **Desk Hooks:** Convenient hooks are provided for hanging headphones, bags, or other accessories.
- **Swivel Foot Pads:** Adjustable foot pads ensure stability on uneven floors.

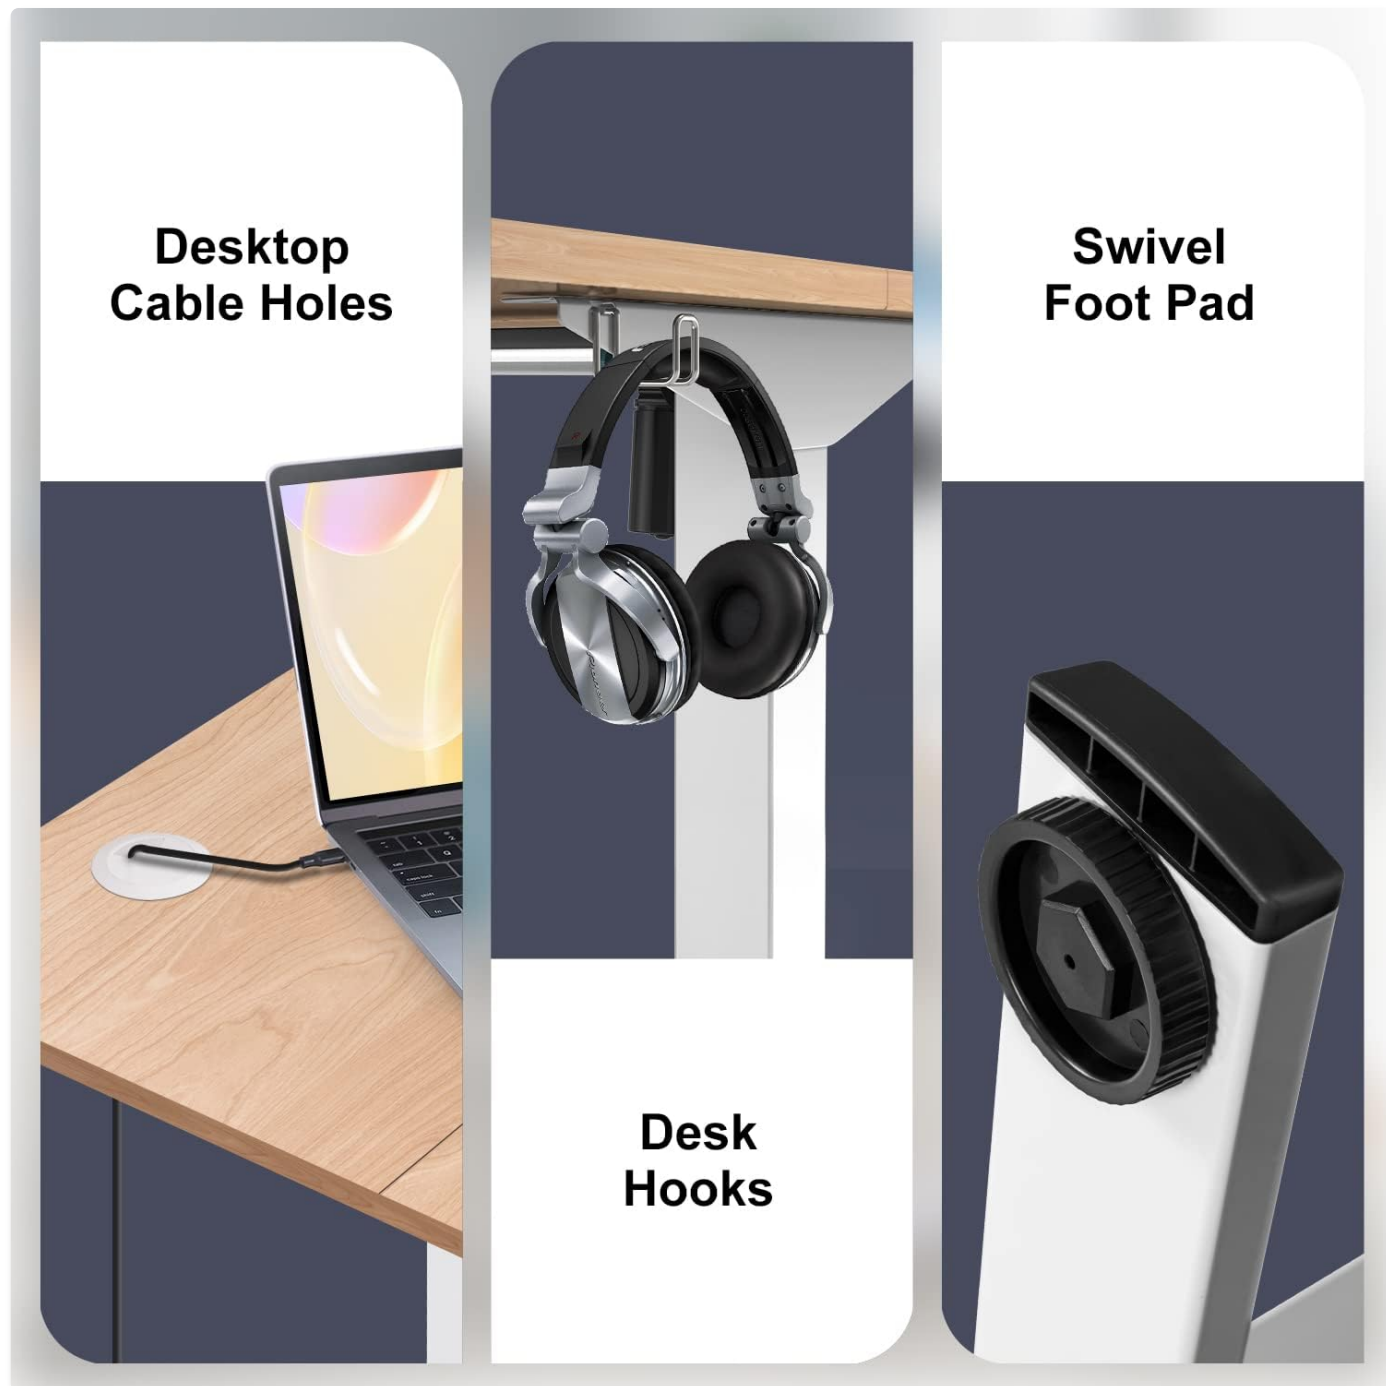

Image 3: Detailed view of desktop cable holes, desk hooks, and swivel foot pads.

7. MAINTENANCE

- **Cleaning:** Wipe the desk surface and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary.
- **Cable Management:** Ensure power cables are not pinched or tangled, especially during height adjustments.

8. TROUBLESHOOTING

If you encounter any issues with your Devoko Standing Desk, please refer to the following common solutions:

- **Desk Not Moving:**

- a. Check if the power cord is securely plugged into both the desk and the wall outlet.
- b. Ensure all cables connecting the control panel, motor, and power supply are properly seated.
- c. Try resetting the desk by unplugging it for 30 seconds and then plugging it back in.

- **Uneven Movement or Noise:**

- a. Verify that the desk is not overloaded beyond its 80 kg capacity.
- b. Check for any obstructions under or around the desk legs.
- c. Ensure the desk is on a level surface and the foot pads are adjusted correctly.

- **Error Codes on Display:**

Refer to the detailed troubleshooting section in your included paper instruction manual for specific error code interpretations and solutions.

If the problem persists, please contact Devoko customer support for assistance.

9. SPECIFICATIONS
