## 4. MAINTENANCE AND SAFETY

Proper maintenance and adherence to safety guidelines will ensure the longevity and safe use of your hall tree.

### 4.1 Cleaning and Care

To maintain the appearance of your Lulive Hall Tree, wipe it with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.

### 4.2 Safety Precautions

- **Anti-Tip Kit:** For safety, it is crucial to secure the product to the wall using the included anti-tip kit. This prevents accidental falls and ensures the safety of your family.
- **Weight Capacity:** Do not exceed the maximum weight capacity of the bench (200 lbs) or individual hooks (12 lbs per hook).

- **Stable Placement:** Ensure the hall tree is placed on a stable, level surface. Adjustable foot pads are equipped at the bottom to help stabilize the unit on uneven floors.

## 5. TROUBLESHOOTING

If you encounter any issues with your Lulive Hall Tree, please refer to the following common solutions.

- **Wobbly Unit:** Ensure all screws are tightened securely. Verify that the adjustable foot pads are properly adjusted to level the unit on uneven floors.
- **Missing Parts:** Double-check all packaging materials. If parts are still missing, contact customer support with your purchase details.
- **Difficulty Assembling:** Review the assembly video and instruction manual carefully. Ensure you are using the correct screws and parts for each step. Do not force components together.
