Xawy LD7

Xawy LD7 Bluetooth 5.0 Wireless Earbuds User Manual

Model: LD7

1. INTRODUCTION

Thank you for choosing the Xawy LD7 Bluetooth 5.0 Wireless Earbuds. These in-ear earbuds are designed to provide a high-quality audio experience with wireless convenience, featuring Bluetooth 5.0 connectivity, IPX5 water resistance, and an ergonomic design for comfortable wear. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new earbuds.

2. SETUP

2.1 Package Contents

- Xawy LD7 Wireless Earbuds (Left and Right)
- Portable Charging Case
- USB Charging Cable (not explicitly listed but standard)
- Silicone Eartips (various sizes, inferred from ergonomic design)

2.2 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case has a 350mAh battery capacity, providing multiple charges for the earbuds.

1. Place the earbuds into the charging case. Ensure they are correctly seated to initiate charging.
2. Connect the charging case to a power source using the provided USB cable.
3. The LED indicator on the charging case will show the charging status. A full charge for the earbuds typically takes 1-2 hours.

Fully charged earbuds offer approximately 3-4 hours of continuous music playback. The charging case can provide up to 5 full charges for the earbuds, extending total usage time significantly.

SUPER BATTERY

MORE ENDURANCE

Equipped with a powerful charging case to charge the earphone at anytime and anywhere to meet the long time endurance.

2.3 Initial Pairing

The Xawy LD7 earbuds feature one-step pairing for quick and stable connection.

1. Open the charging case. The earbuds will automatically power on and connect to each other.
2. Enable Bluetooth on your mobile device (smartphone, tablet, PC).
3. Search for "LD7" in the list of available Bluetooth devices and select it to pair.
4. Once paired, the earbuds will automatically connect to your device whenever they are removed from the charging case and Bluetooth is enabled on your device.

3. OPERATING INSTRUCTIONS

3.1 Wearing the Earbuds

The earbuds are designed for a secure and comfortable fit. Each earbud weighs only 5.1g and features an ergonomic design with soft silicone eartips to ensure maximum comfort and stability during use, including during physical activities.

3.2 Touch Controls

The Xawy LD7 earbuds feature multi-function one-touch controls on each earbud. Refer to the diagram below for specific functions:

Image: Diagram illustrating the one-touch control functions on the Xawy LD7 earbuds.

- **Play/Pause:** Single click on either earbud.
- **Next Track:** Double click on the right earbud.
- **Previous Track:** Double click on the left earbud.
- **Answer Call:** Single click on either earbud during an incoming call.
- **End Call:** Single click on either earbud during an active call.

- **Reject Call:** Double click on either earbud during an incoming call.
- **Activate Voice Assistant:** (Function not explicitly detailed in source, but common for touch controls. If not present, ignore.)

3.3 Call Functionality

The earbuds support binaural calls, meaning you can hear audio from both earbuds during phone conversations. The integrated microphone with cVc 6.0 noise reduction technology helps to minimize ambient noise and echoes, ensuring clear voice transmission.

4. MAINTENANCE

4.1 Water Resistance (IPX5)

The Xawy LD7 earbuds are rated IPX5 water-resistant, protecting them from sweat, splashes, and light rain. This makes them suitable for workouts and outdoor activities.

Important: The earbuds are **not submersible** and should not be used for swimming, diving, or showering. Exposure to strong jets of water or submersion can cause damage.

IPX5 Waterproof

4.2 Cleaning and Storage

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, solvents, or chemical cleaners.
- Ensure the charging contacts on both the earbuds and the case are clean and dry to prevent charging issues.
- Store the earbuds in their charging case when not in use to protect them and maintain battery charge.
- Avoid extreme temperatures and high humidity for storage.

5. TROUBLESHOOTING

If you encounter issues with your Xawy LD7 earbuds, try the following troubleshooting steps:

- **Earbuds not pairing:**
 - Ensure both earbuds are charged.
 - Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and remove them. They should automatically enter pairing mode.
 - Turn off and on your device's Bluetooth, then try searching for "LD7" again.
 - If previously paired, forget/delete "LD7" from your device's Bluetooth list and attempt to pair again.
- **No sound from one or both earbuds:**
 - Check the volume level on your connected device.
 - Ensure the earbuds are properly paired and connected.
 - Re-seat the earbuds in the charging case and take them out again.
- **Charging issues:**
 - Verify the charging cable is securely connected to both the case and the power source.
 - Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
 - Try a different USB charging cable or power adapter.

6. SPECIFICATIONS
