# HOSTACK Modern Farmhouse Buffet Sideboard Cabinet User Manual

Model: buffet

## PRODUCT OVERVIEW

The HOSTACK Modern Farmhouse Buffet Sideboard Cabinet in Ash Grey is a versatile storage solution designed to enhance various rooms in your home, including the dining room, kitchen, and living room. It combines a rustic farmhouse aesthetic with modern functionality, featuring ample storage space to help keep your living areas organized and clutter-free.

### Key Features:

- **Ample Storage Space:** Features a spacious tabletop, three handy drawers for organizing smaller items like cutlery, napkins, or office supplies. Two bottom cabinets with internal shelves for larger items such as dishware and kitchen essentials.
- **Multifunctional Design:** Can be utilized as a buffet cabinet, an extra storage unit, a coffee bar, or even a TV stand, making it a flexible addition to any space.
- **Modern Farmhouse Charm:** The ash grey wood grain surface paired with a white finish creates a blend of farmhouse and classic modern styles, suitable for various interior designs.
- **Stable and Durable Structure:** Constructed from premium manufactured board with robust metal handles, ensuring long-lasting service. An extra middle leg provides enhanced support, allowing the cabinet to hold up to 300 lbs.
- **Easy Assembly:** Comes with clear, step-by-step instructions and labeled parts to facilitate straightforward assembly.

## SETUP AND ASSEMBLY

This cabinet is designed for easy assembly. Please follow the instructions carefully to ensure proper construction and stability.

### Before You Begin:

- Unpack all components and verify against the parts list provided in your assembly manual.
- Ensure you have all necessary tools as specified in the manual (e.g., screwdriver, hammer).
- Assemble on a soft, clean surface to prevent scratching the furniture.

### **Assembly Steps:**

1. Identify and separate all hardware and panels using the labels.
2. Follow the step-by-step diagrams in the included instruction manual.
3. Securely fasten all screws and connectors, but do not overtighten.
4. Attach the back panel to ensure structural integrity.
5. Install drawers and doors, adjusting hinges as needed for proper alignment.

For detailed visual guidance, refer to the assembly diagrams in your product packaging.

## **OPERATING INSTRUCTIONS**

The HOSTACK Sideboard Cabinet is designed for intuitive use and versatile storage. Maximize its functionality by understanding its features.

### **Storage Utilization:**

- **Top Drawers:** Use the three top drawers for easy access to smaller items such as cutlery, napkins, or office supplies.
- **Cabinet Shelves:** The two bottom cabinets each contain an internal shelf. These shelves are adjustable to three different heights, allowing you to customize the storage space for items of varying sizes, from tall bottles to stacks of plates.
- **Countertop:** The spacious tabletop is ideal for displaying decorative items, serving food, or housing small appliances like a coffee maker or toaster.

### **Weight Capacity:**

Ensure items are evenly distributed to prevent tipping and to maintain the cabinet's stability. The cabinet has a maximum weight capacity of 300 lbs. Refer to the specifications section for individual component weight limits.

## MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and appearance of your HOSTACK Sideboard Cabinet.

### General Care:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Immediately wipe up spills to prevent water damage or staining.
- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Keep the cabinet away from direct sunlight and heat sources to prevent warping or fading.

### Safety Precautions:

- Always assemble the cabinet according to the provided instructions.
- Ensure that items are evenly distributed to prevent tipping.

- Be cautious when opening and closing doors and drawers to avoid pinch points.
- Do not place heavy objects on the doors when open.

## TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the common problems and solutions below.

| Problem                                | Possible Cause                                | Solution  |
|--|---|---|
| Cabinet feels wobbly.                  | Loose fasteners or uneven floor.              | Check all screws and tighten them. Use furniture glides or shims to level the cabinet on uneven surfaces.   |
| Drawers stick or don't slide smoothly. | Misaligned drawer slides or debris in tracks. | Ensure drawer slides are correctly installed and aligned. Clean tracks of any dust or debris. Apply a small amount of silicone lubricant if needed. |
| Cabinet doors are not aligned.         | Hinges are loose or improperly adjusted.      | Adjust the screws on the hinges to align the doors. Refer to the assembly manual for specific hinge adjustment instructions.                        |
| Scratches or minor surface damage.     | Normal wear and tear or accidental impact.    | For minor scratches, use a wood repair marker or furniture polish matching the finish. For deeper damage, consult a professional.                   |

If the issue persists after attempting these solutions, please contact HOSTACK customer support.
