Ikea GRANVÅG Wall Mirror User Manual

Model: IK.105.109.87

1. INTRODUCTION

Thank you for choosing the Ikea GRANVÅG Wall Mirror. This manual provides important information regarding the assembly, use, and maintenance of your new mirror. Please read this manual thoroughly before installation and keep it for future reference.

2. PRODUCT OVERVIEW

The Ikea GRANVÅG is a rectangular wall-mounted mirror designed with a modern style. It features an engineered wood frame in green and is adjustable. Its approximate dimensions are 50 x 110 cm.

2.1 Key Features:

- **Adjustable:** The mirror can be adjusted to suit your needs.
- **Wall-Mounted:** Designed for secure wall installation.
- **Modern Style:** Contemporary design to complement various interiors.
- **Durable Frame:** Constructed with engineered wood.

2.2 Product Components:

The GRANVÅG mirror consists of the mirror glass, the green engineered wood frame, and wall mounting hardware (sold separately or included depending on region/package).

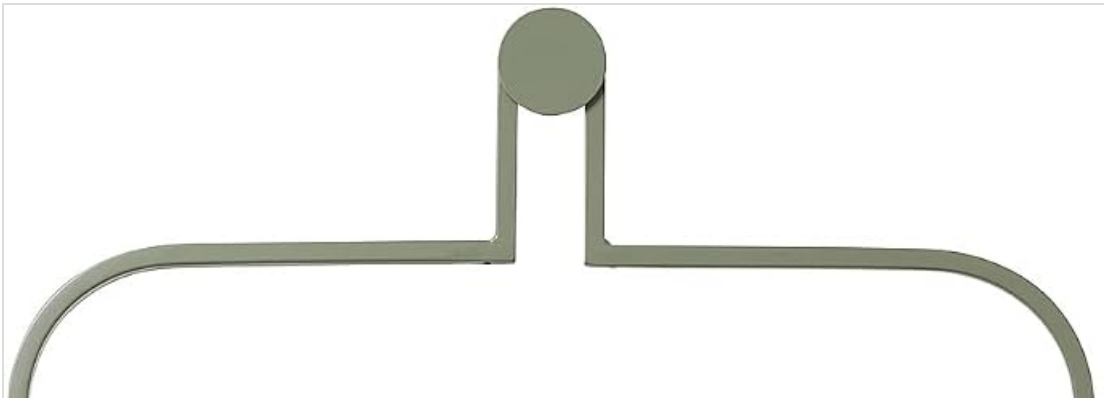

Figure 1: Front view of the Ikea GRANVÄG wall mirror, showing its rectangular shape and green frame.

Figure 2: Close-up view of the top part of the mirror frame, illustrating the adjustable mounting mechanism.

3. SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury or damage to the product.

- Always ensure the mirror is securely mounted to a suitable wall material using appropriate hardware.
- Do not hang heavy objects from the mirror frame.
- Keep out of reach of small children if not securely mounted.
- Avoid placing the mirror in direct sunlight for prolonged periods, as this may cause distortion or damage.
- Handle the mirror with care to avoid breaking the glass.

4. PACKAGE CONTENTS

Verify that all components are present before beginning assembly.

- Ikea GRANVÅG Wall Mirror (1 unit)
- Assembly instructions (usually a separate paper manual)
- *Note: Wall mounting hardware (screws, anchors, etc.) may be sold separately depending on your region and wall type. Ensure you use hardware suitable for your wall material.*

5. SETUP AND INSTALLATION

Follow these steps for proper installation of your GRANVÅG wall mirror.

5.1 Tools Required:

- Drill
- Drill bits appropriate for your wall material and mounting hardware
- Measuring tape
- Pencil
- Level
- Screwdriver (if using screws)

5.2 Installation Steps:

1. **Choose Location:** Select a suitable wall location, ensuring it is structurally sound and free from electrical wires or pipes. Consider the desired height and visibility.
2. **Mark Drilling Points:** Hold the mirror against the wall at the desired height. Use a pencil to mark the exact drilling points for the mounting hardware through the designated holes on the mirror frame. Use a level to ensure the marks are perfectly horizontal.
3. **Drill Holes:** Drill holes at the marked points using the appropriate drill bit for your wall material (e.g., concrete, drywall, wood).
4. **Insert Wall Anchors (if necessary):** If drilling into drywall or hollow walls, insert suitable wall anchors into the drilled holes.
5. **Mount Mirror:** Align the mirror's mounting holes with the drilled holes/anchors. Secure the mirror to the wall using the appropriate screws. Ensure the mirror is firmly attached and does not wobble.
6. **Adjust (if applicable):** The mirror features an adjustable design. Once mounted, you can slightly adjust its position or angle if needed, following the specific mechanism of the GRANVÅG design.

Figure 3: Example of the GRANVÅG mirror installed in a bedroom, demonstrating its integration into a living space.

Figure 4: Example of the GRANVÅG mirror installed in an entryway, showing its use as a functional and decorative item.

6. OPERATING INSTRUCTIONS

The Ikea GRANVÅG mirror is designed for simple use once installed.

- **General Use:** Use the mirror for its intended purpose, such as checking appearance, reflecting light, or as a decorative element.
- **Adjustability:** The mirror's frame allows for slight adjustments. Gently pivot or reposition the mirror within its mounting mechanism if you need to change its angle or orientation slightly. Avoid forcing the mirror beyond its intended range of motion.

7. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your mirror.

- **Cleaning the Glass:**

- Use a soft, lint-free cloth and a glass cleaner.
- Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the frame edges.
- Wipe the glass gently until clean and streak-free.

• **Cleaning the Frame:**

- Wipe the engineered wood frame with a damp cloth and a mild detergent if necessary.
- Dry thoroughly with a clean, dry cloth.
- Avoid abrasive cleaners or harsh chemicals, as they can damage the finish.

- **Inspection:** Periodically check the mounting hardware to ensure it remains secure. Tighten screws if necessary.

8. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Mirror feels loose on the wall.	Mounting hardware is loose or inadequate for wall type.	Tighten mounting screws. If still loose, consider using stronger or more appropriate wall anchors. Consult a professional if unsure.
Streaks on mirror after cleaning.	Dirty cloth, incorrect cleaner, or not drying properly.	Use a clean, lint-free microfiber cloth. Ensure glass cleaner is streak-free formula. Wipe dry immediately after cleaning.
Frame appears damaged or discolored.	Exposure to harsh chemicals, excessive moisture, or physical impact.	Avoid using harsh cleaners. Keep away from excessive moisture. Minor scratches may be touched up with appropriate paint if desired.

9. SPECIFICATIONS

Attribute	Detail
Brand	Ikea
