Ikea IK.902.224.07

IKEA INGATORP Extendable Table User Manual

Model: IK.902.224.07

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and care of your IKEA INGATORP extendable table. The INGATORP table is designed to be versatile, easily transforming from a compact 4-seater to a spacious 6-seater with its integrated extension leaf.

SETUP AND ASSEMBLY

The IKEA INGATORP table requires assembly. Please ensure all components are present before beginning. Refer to the separate assembly instructions included in the product packaging for detailed, step-by-step guidance. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

- **Unpack Components:** Carefully remove all parts from the packaging.
- **Identify Parts:** Match all parts against the component list in the assembly instructions.
- **Follow Instructions:** Assemble the table according to the numbered steps in the provided IKEA assembly guide.
- **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened. Periodically check and re-tighten as needed.

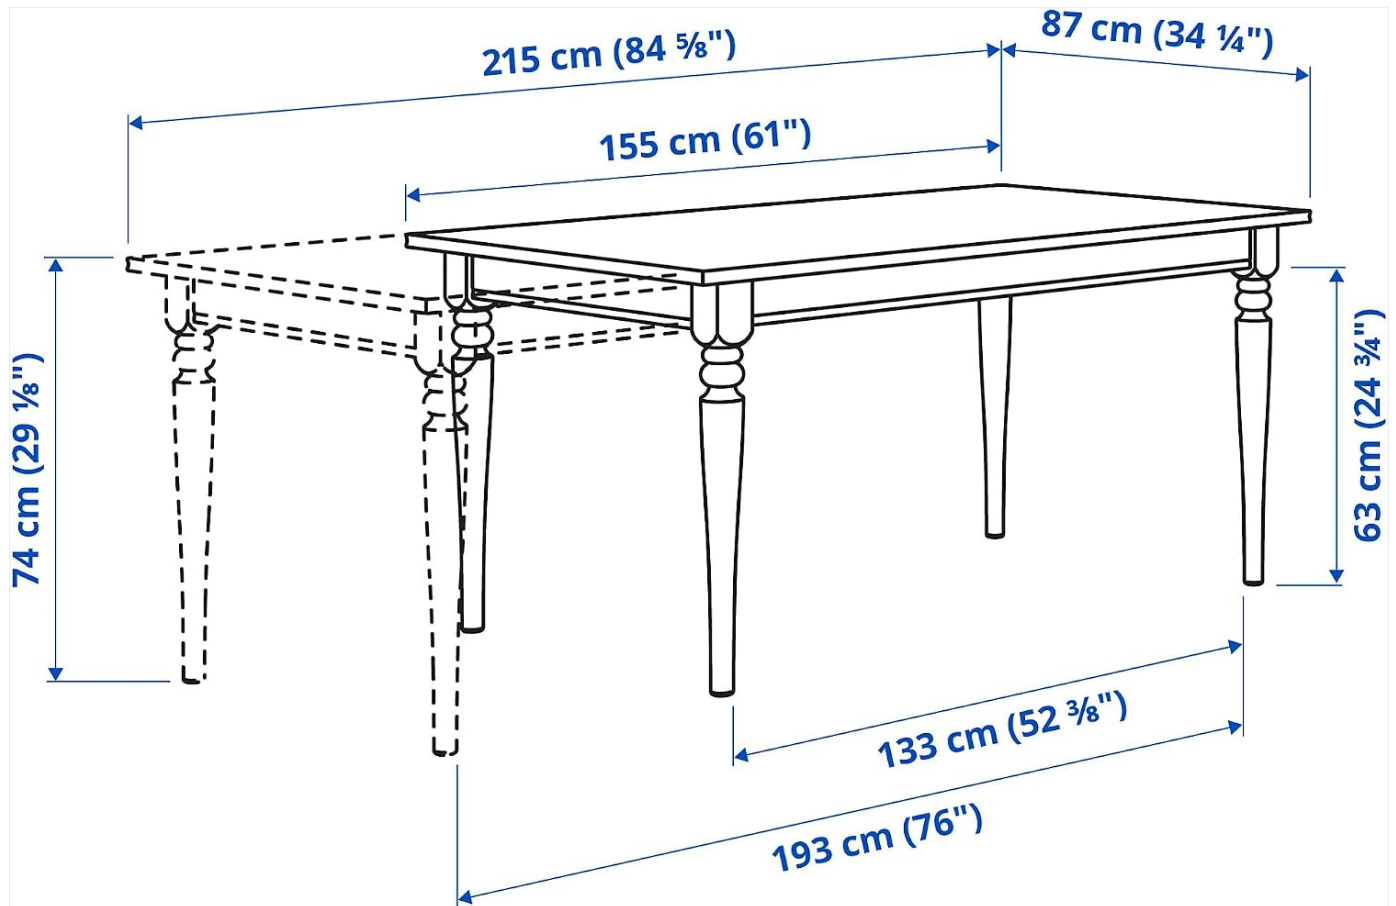

Image: Diagram illustrating the dimensions of the IKEA INGATORP table in both compact and extended states. Length: 155 cm (compact) / 215 cm (extended), Width: 87 cm, Height: 74 cm.

OPERATING THE EXTENDABLE FUNCTION

The INGATORP table features a convenient extension mechanism to adjust its length. The extension leaf is stored within the table structure when not in use.

To Extend the Table:

1. **Unlock:** Locate any locking mechanisms under the tabletop and release them.
2. **Separate Tabletop:** Gently pull the two halves of the tabletop apart. The table will slide open, revealing the storage space for the extension leaf.
3. **Retrieve Leaf:** Lift the extension leaf from its storage position.
4. **Insert Leaf:** Place the extension leaf into the gap created by separating the tabletop halves. Ensure it sits flush and securely.
5. **Close Tabletop:** Push the two halves of the tabletop back together until they meet the extension leaf and form a continuous surface.

6. **Lock:** Re-engage any locking mechanisms under the tabletop to secure the extended table.

To Retract the Table:

1. **Unlock:** Release any locking mechanisms under the tabletop.
2. **Separate Tabletop:** Gently pull the two halves of the tabletop apart to create a gap.
3. **Remove Leaf:** Lift the extension leaf out of the gap.
4. **Store Leaf:** Place the extension leaf back into its designated storage position under the table.
5. **Close Tabletop:** Push the two halves of the tabletop back together until they meet.
6. **Lock:** Re-engage any locking mechanisms to secure the table in its compact position.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your IKEA INGATORP table.

- **Cleaning:** Wipe clean with a damp cloth. Use a mild cleaner if necessary. Finish with a dry cloth.
- **Protection:** To prevent scratches and marks, use placemats and coasters. Avoid placing hot items directly on the tabletop.
- **Moisture:** Immediately wipe away any spills to prevent moisture damage to the lacquered surface.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Re-tighten:** Periodically check and re-tighten all assembly fittings to ensure stability.

TROUBLESHOOTING

This section addresses common issues you might encounter with your INGATORP table.

- **Table Wobbles:**

Ensure all screws and fittings are securely tightened. Check that the table is placed on a level surface. If the floor is uneven, use furniture pads or shims under the legs to stabilize it.

- **Extension Mechanism Sticks:**

Check for any obstructions in the sliding mechanism. Ensure the extension leaf is correctly aligned before attempting to close or open the table. A small amount of silicone spray (avoiding contact with the tabletop surface) can sometimes help smooth the movement, but consult IKEA's specific recommendations if available.

- **Surface Scratches or Marks:**

For minor scratches on the lacquered surface, touch-up paint or repair kits may be available from IKEA. For deeper

damage, professional repair might be necessary. Always use placemats and coasters to prevent future damage.

PRODUCT SPECIFICATIONS

Brand	IKEA
Model Name	INGATORP
Model Number	IK.902.224.07
Color	Black
Material	Wood
Finish Type	Lacquered
Compact Length	155 cm (61 inches)
