## IKEA NORDVIKEN/NORDVIKEN

# IKEA NORDVIKEN/NORDVIKEN Table and 2 Chairs User Manual

Model: NORDVIKEN/NORDVIKEN | Brand: IKEA

## PRODUCT OVERVIEW

The IKEA NORDVIKEN/NORDVIKEN table and 2 chairs set is designed for versatile dining in various spaces. This drop-leaf table comfortably seats 2-4 people, making it suitable for smaller areas due to its adjustable size. The solid wood underframe ensures a sturdy construction, providing durability for everyday use.

The chairs feature a high backrest and a curved shape, offering good lower back support and promoting a relaxed posture for extended comfort. The deepening in the chair seat is designed to distribute weight evenly, reducing pressure on the sitting bone.

## SETUP AND ASSEMBLY

While specific assembly instructions are typically provided with the product packaging, the general setup involves attaching the legs to the tabletop and assembling the chair components. Ensure all screws and fittings are tightened securely for stability.

- Unpack all components and verify against the parts list provided in the product's assembly guide.
- Assemble the table frame and attach the tabletop. Pay attention to the mechanism for the drop-leaf extension.
- Assemble each chair by attaching the seat, backrest, and legs.
- Once assembled, place the furniture on a level surface.

## OPERATING THE DROP-LEAF TABLE

The NORDVIKEN table features a convenient drop-leaf mechanism that allows for easy adjustment of its size.

- To Extend the Table:** Gently lift the drop-leaf until it is level with the main tabletop. The foldable leaf automatically locks into position.
- To Fold Down the Leaf:** Locate the safety lock mechanism underneath the tabletop, near the hinge. Pull the safety lock to release it, then gently lower the drop-leaf.

## MAINTENANCE AND CARE

Proper care ensures the longevity and appearance of your NORDVIKEN furniture set.

- Cleaning:** Wipe the surfaces clean with a dry cloth. For stubborn marks, a damp cloth with a mild cleaner can be used, followed immediately by drying with a clean, dry cloth.
- Protection:** To protect the underlying floor surface from wear, consider using FIXA self-adhesive floor protectors on the table and chair legs.
- Regular Checks:** Periodically check and re-tighten any screws or fittings to maintain stability and safety.

## TROUBLESHOOTING

If you encounter any issues with your NORDVIKEN table and chairs, consider the following common solutions:

- Wobbly Table/Chair:** Check all assembly screws and bolts. Tighten any that are loose. Ensure the furniture is placed on a flat, even surface.
- Drop-Leaf Not Locking:** Verify that the leaf is fully lifted and aligned with the main tabletop. Inspect the locking mechanism for any obstructions or damage.
- Difficulty Folding Leaf:** Ensure the safety lock is fully disengaged. Check for any debris or foreign objects near the hinge mechanism.
