IKEA EKTORP 3-seat sofa

IKEA EKTORP 3-seat Sofa Instruction Manual

Model: EKTORP 3-seat Sofa

1. PRODUCT OVERVIEW

The IKEA EKTORP 3-seat sofa is designed for comfort and durability, featuring a timeless design suitable for various living spaces. This manual provides essential information for the setup, usage, maintenance, and care of your sofa.

Image: The IKEA EKTORP 3-seat sofa, Hallarp grey, positioned in a bright living room with white walls and a large window.

Key features include reversible back cushions made of polyester fiber, offering soft support and extended wear. The seat cushions are filled with high-resilience foam and polyester fiber wadding, providing comfortable body support and quickly regaining their shape after use. The sofa cover is made from Hallarp fabric, a blend of cotton and polyester, known for its softness, comfort, and durability, with a woven texture and a subtle two-tone effect.

2. SETUP AND PLACEMENT

The IKEA EKTORP 3-seat sofa typically arrives in components requiring assembly. Please refer to the separate assembly instructions included with your purchase for detailed step-by-step guidance. Ensure all parts are present before beginning assembly.

Once assembled, choose a suitable location for your sofa. Consider factors such as room layout, proximity to heat sources, and direct sunlight exposure, which can affect fabric longevity. Ensure the sofa is placed on a level surface to prevent uneven wear.

3. USAGE GUIDELINES

The EKTORP sofa is designed for comfortable seating. To maximize comfort and extend the life of your sofa:

- **Cushion Rotation:** Regularly rotate and fluff the reversible back cushions to maintain their shape and even out wear.
- **Even Weight Distribution:** Avoid consistently sitting in the same spot to ensure even compression of the seat cushions.
- **Protective Measures:** Consider using throws or blankets to protect the fabric from spills or pet hair, especially if the sofa is used frequently.

4. MAINTENANCE AND CARE

Proper care ensures the longevity and appearance of your EKTORP sofa. The Hallarp fabric cover is designed for easy maintenance.

Cleaning Instructions:

- **Removable Cover:** The sofa cover is fully removable for cleaning. Locate the zippers on the cushions and frame sections to remove the fabric.
- **Machine Washable:** The Hallarp cover can be machine washed. Always follow the care label instructions attached to the cover for specific temperature and cycle recommendations. Typically, a gentle cycle with cold water is recommended.
- **Drying:** Air dry the cover or tumble dry on a low heat setting to prevent shrinking or damage. Re-fit the cover while slightly damp for easier application and a smoother finish.
- **Spot Cleaning:** For small spills, gently blot with a clean, damp cloth. Avoid rubbing vigorously, as this can spread the stain.
- **Vacuuming:** Regularly vacuum the sofa using a soft brush attachment to remove dust and loose debris.

5. TROUBLESHOOTING COMMON ISSUES

While the EKTORP sofa is built for durability, you may encounter minor issues. Here are some common concerns and their solutions:

- **Cushions Losing Shape:** Regularly fluff and rotate both seat and back cushions. The high-resilience foam is designed to regain shape, but consistent use in one area can cause temporary compression.
- **Fabric Wrinkling After Washing:** Re-fit the cover while it is slightly damp. This helps the fabric stretch and conform to the sofa's shape, reducing wrinkles as it dries.
- **Squeaking Sounds:** Ensure all assembly bolts are securely tightened. If squeaking persists, it may indicate an issue with the frame. Contact IKEA customer support if tightening bolts does not resolve the issue.
- **Stains:** Address spills immediately. For stubborn stains, consult a professional upholstery cleaner or refer to IKEA's specific fabric care guides available online.

6. SPECIFICATIONS

Detailed specifications for the IKEA EKTORP 3-seat sofa:

Feature	Detail
Model	EKTORP 3-seat Sofa
Color	Grey (Hallarp fabric)
Material	Cotton Polyester blend
