# Ikea METOD BC F BREDSJÖN Sink Cabinet User Manual

Model: IK.992.993.36

## 1. PRODUCT OVERVIEW

The Ikea METOD BC F BREDSJÖN sink cabinet is a versatile and robust solution for your kitchen, designed to integrate seamlessly with the METOD kitchen system. This black cabinet, measuring 80 x 60 cm, comes with two drawer fronts, offering ample storage and easy access to your kitchen essentials. Its thoughtful design includes features for smooth operation and long-lasting use.

## 2. SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury or damage to the product.

- **Secure to Wall:** For safety, this furniture must be securely fastened to the wall with the enclosed wall fastener. Different wall materials require different types of fastening devices. Use fastening devices suitable for the walls in your home (not included).
- **Heavy Item:** This product is heavy. Assembly and installation should ideally be performed by two people to avoid injury.
- **Children Safety:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Proper Use:** Do not stand or climb on the cabinet. Do not overload drawers beyond their recommended weight capacity.

## 3. PACKAGE CONTENTS

Before beginning assembly, unpack all components and verify that all parts and hardware are present. Refer to the detailed assembly instructions provided in the separate assembly guide for a complete list of items.

## 4. SETUP & ASSEMBLY

Assembly of the METHOD BC F BREDSJÖN sink cabinet is required. Follow the step-by-step instructions in the separate assembly manual for detailed diagrams and procedures. Two people are recommended for assembly.

### General Assembly Steps:

1. **Unpack and Sort:** Carefully unpack all components and sort them according to the parts list in the assembly guide.
2. **Assemble Cabinet Frame:** Construct the main cabinet frame by connecting the side panels, back panel, and base using the provided hardware. Ensure all connections are secure.
3. **Install Drawer Runners:** Attach the drawer runners to the inside of the cabinet frame, ensuring they are level and correctly aligned.
4. **Assemble Drawers:** Assemble the drawer boxes and attach the drawer fronts. The BREDSJÖN fronts feature a sleek black design.
5. **Insert Drawers:** Carefully slide the assembled drawers onto the runners.
6. **Adjust Drawers:** Adjust the drawer fronts using the adjustment screws on the runners to ensure proper alignment and smooth operation.
7. **Secure to Wall:** Fasten the cabinet to the wall using appropriate wall fasteners (not included) to prevent tipping.

## 5. OPERATING INSTRUCTIONS

The METOD BC F BREDSJÖN sink cabinet is designed for ease of use with its advanced drawer system.

- **Opening Drawers:** Gently pull the drawer handle to open. The full extension runners allow the drawer to pull out completely, providing full visibility and easy access to all contents.
- **Closing Drawers:** Push the drawer gently to close. The integrated soft-close dampers will engage in the last few centimeters, ensuring the drawer closes slowly, quietly, and smoothly without slamming.
- **Drawer Stop:** Each drawer is equipped with a drawer stop to prevent it from being accidentally pulled out too far.

## 6. MAINTENANCE & CARE

To keep your Ikea METOD BC F BREDSJÖN sink cabinet in optimal condition, follow these care guidelines:

- **Cleaning:** Wipe clean with a damp cloth and a mild cleaner. Ensure the cloth is well-wrung to avoid excess moisture.
- **Drying:** Always dry with a clean, dry cloth immediately after cleaning to prevent water marks or moisture damage.
- **Avoid:** Do not use abrasive cleaners, scouring pads, or chemical solvents, as these can damage the surface finish.
- **Spills:** Wipe up any spills, especially water or acidic liquids, immediately to prevent staining or damage to the material.

## 7. TROUBLESHOOTING

| Problem                                    | Possible Cause  | Solution  |
|--|---|---|
| Drawer not closing smoothly or completely. | Obstruction in the drawer or on the runners; misaligned drawer front; damaged soft-close mechanism. | Remove all items from the drawer and check for obstructions. Ensure runners are clean. Adjust the drawer front using the adjustment screws. If the mechanism is damaged, contact support. |
| Drawer is wobbly or loose.                 | Loose screws on drawer box or runners; cabinet not securely fastened.                               | Tighten all screws on the drawer box and runners. Ensure the cabinet is securely fastened to the wall.  |
| Visible gaps around drawer fronts.         | Drawer fronts are not properly adjusted.  | Use the adjustment screws on the drawer runners to align the drawer fronts evenly.  |
