User Instruction Manual

1. INTRODUCTION

Thank you for choosing the LVSOMT Corner Makeup Vanity Desk, Model 5066-32. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

Safety Precautions

- Always follow standard safety precautions for furniture and electrical devices.
- Ensure all components are securely fastened during assembly.
- Do not overload shelves or drawers.
- Keep electrical components away from water.
- Place the vanity on a stable, level surface.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed in the assembly guide (included in the package) are present and undamaged. If any parts are missing or damaged, please contact customer support.

4. OPERATING INSTRUCTIONS

4.1 LED Mirror and Lighting

The vanity features a large HD mirror with integrated LED lighting. The lighting offers three distinct color settings and adjustable brightness levels.

- Color Modes:** Choose between cool white, warm yellow, and daylight settings to match your environment or makeup needs.
- Brightness Adjustment:** Adjust the light intensity from 10% to 100% using the touch controls on the mirror.
- Touch Control:** A touch-sensitive switch on the mirror allows for easy control of light color and brightness.

5. MAINTENANCE

To ensure the longevity and appearance of your LVSOMT Corner Makeup Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning Surfaces:** Wipe surfaces with a dry cloth for general dusting. For spills or marks, use a damp cloth and immediately dry with a clean, soft cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- **Electrical Components:** Ensure the charging station and mirror lights are unplugged before cleaning. Do not immerse any electrical parts in water.

6. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common troubleshooting tips:

- **Lights Not Working:**

- Check if the power cord is securely plugged into a working outlet.
- Ensure the touch switch on the mirror is activated.
- Verify that no circuit breakers have tripped.

- **Charging Station Not Functioning:**

- Confirm the vanity is powered on.
- For wireless charging, ensure your device is compatible and correctly positioned on the charging pad.
- Try a different USB or Type-C cable to rule out cable issues.

- **Loose Components:**

- Periodically check all screws and fasteners and tighten them as needed to maintain stability.

If these steps do not resolve the issue, please contact LVSOMT customer support for further assistance.
