2. Bluetooth Pairing

1. Power on the keyboard using the dedicated power button.
2. Hold the **Fn + B** keys simultaneously for 3 seconds to enter pairing mode. The Bluetooth indicator light will flash.
3. On your iPad, go to **Settings > Bluetooth**.
4. Ensure Bluetooth is enabled.
5. Under "Other Devices," select "ESR Keyboard" to connect.

Your browser does not support the video tag.

Video: A step-by-step guide on how to power on the keyboard, activate Bluetooth pairing mode, and connect the ESR Keyboard to an iPad via Bluetooth settings.

3. Charging the Keyboard

Connect the provided USB-A to USB-C charging cable to the keyboard's USB-C port and a compatible power source. The charging indicator light will show the charging status.

OPERATING INSTRUCTIONS

Adjustable Stand

The case features a fully adjustable stand, allowing you to set your iPad at any angle between 15° and 180° for optimal viewing and typing comfort.

Fully Adjustable Stand

Choose the right angle for any job

Image: An illustration demonstrating the wide range of adjustable angles (15° to 180°) supported by the integrated stand of the keyboard case.

Portrait and Landscape Viewing

Easily switch your iPad between portrait and landscape orientations by detaching and reattaching the magnetic case to the keyboard base. This flexibility is ideal for various tasks, from document editing to browsing.

Work Your Way

Easily switch between portrait and landscape

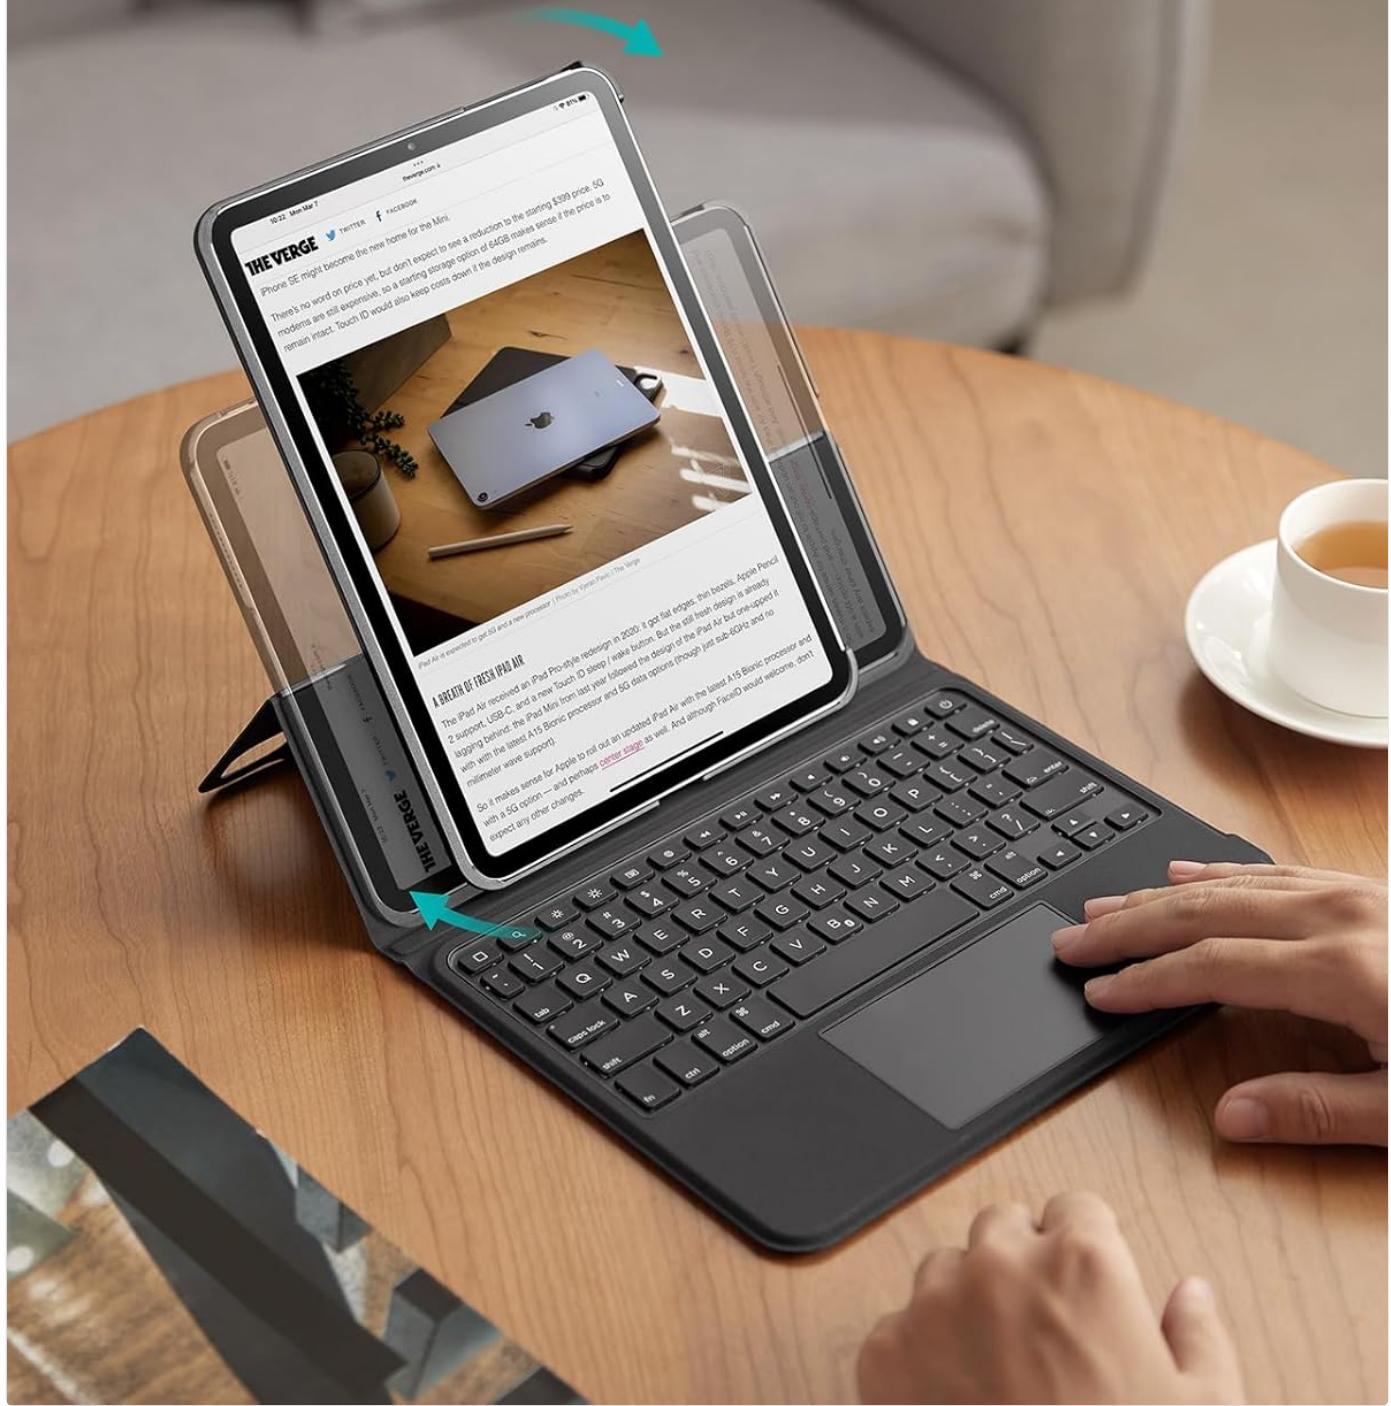

Image: The keyboard case illustrating the seamless transition between portrait and landscape viewing modes for the iPad, enhancing usability.

Multi-touch Gesture Support

The integrated trackpad supports full multi-touch gestures, enhancing your productivity. This feature requires iPadOS 13.4 or later.

Secure Magnetic Clasp

Keeps your tablet and Pencil safely secured

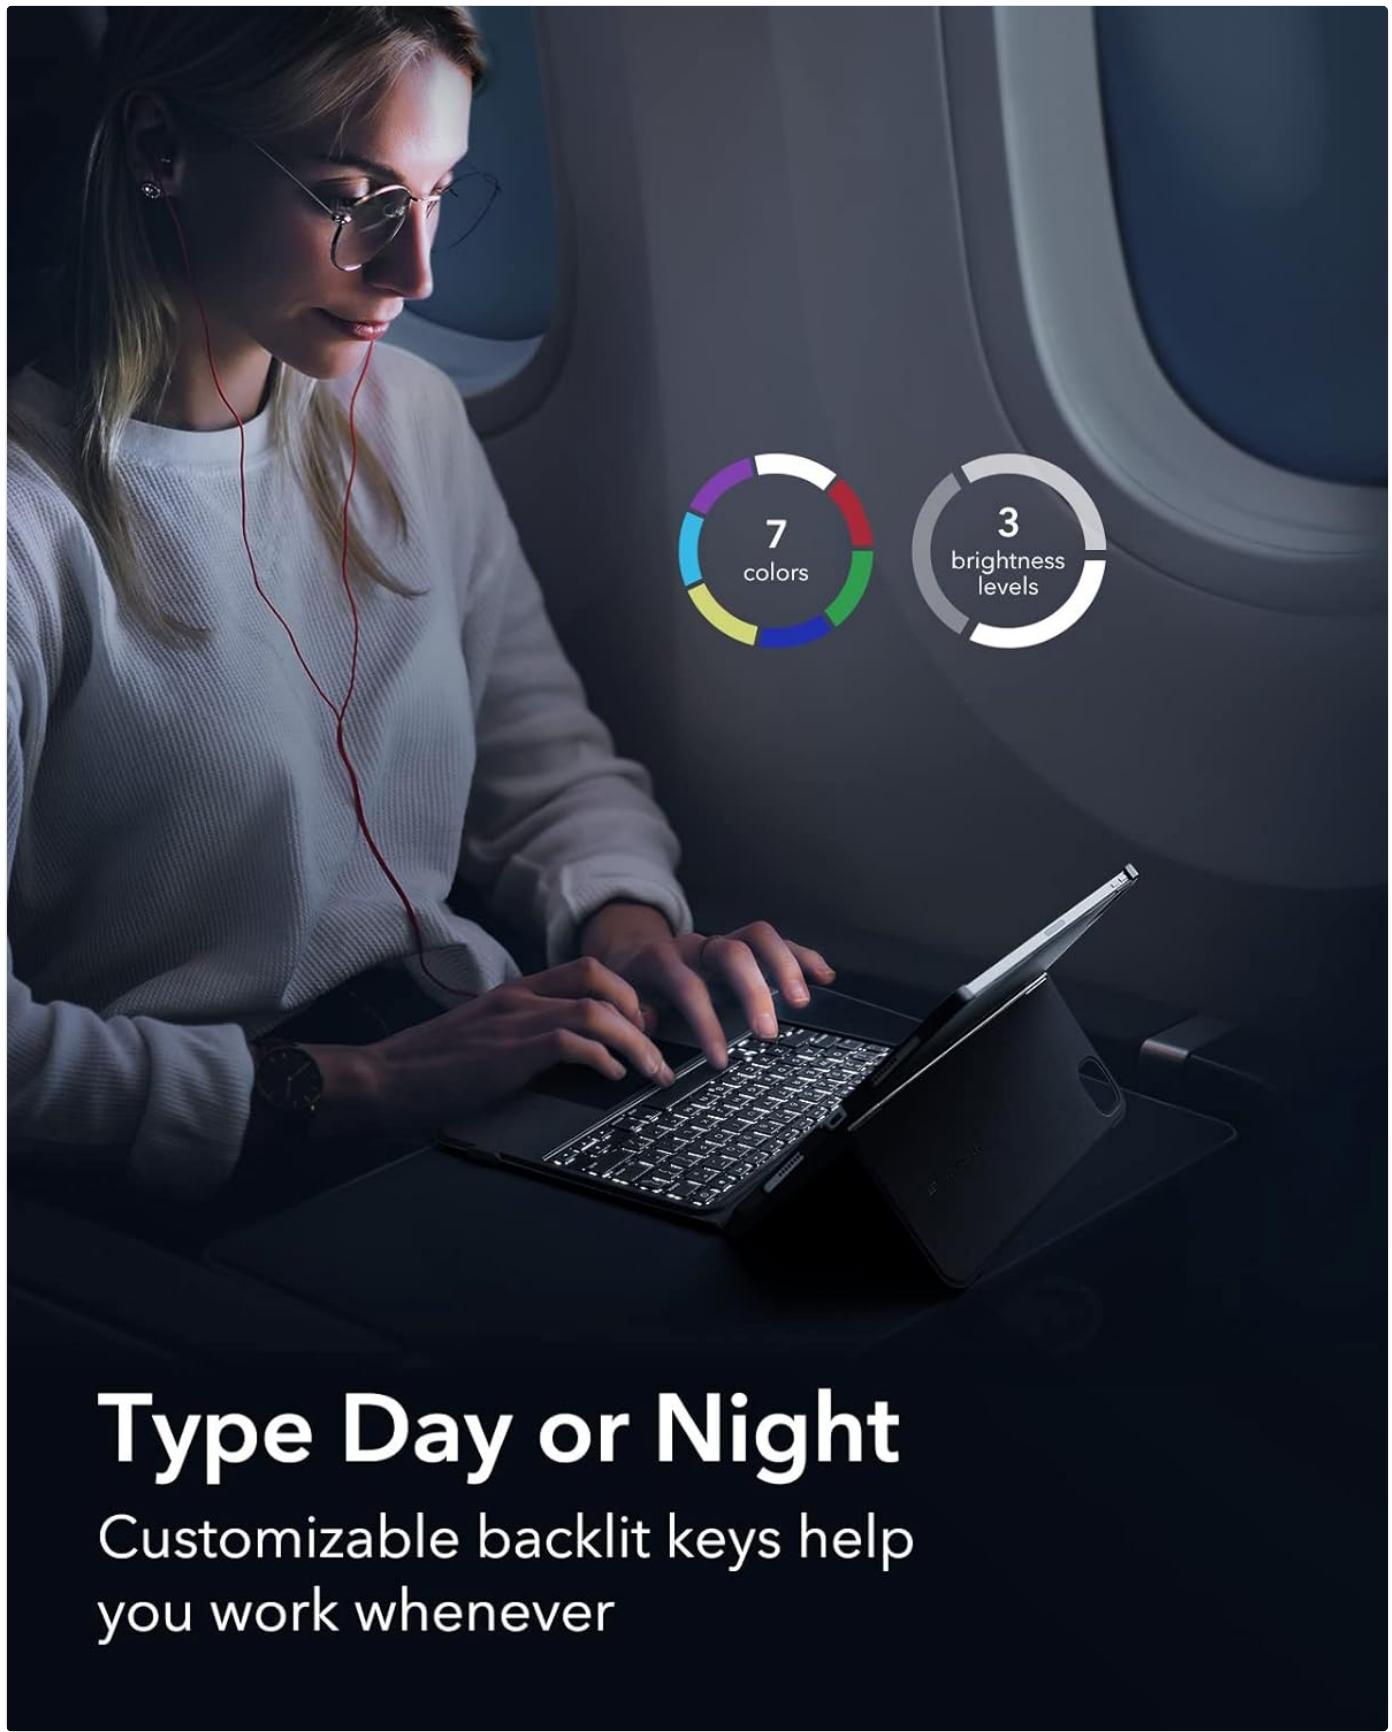

Image: A close-up view of the keyboard's trackpad, highlighting its multi-touch gesture capabilities for improved navigation and control.

Time-saving Shortcut Keys

Utilize the dedicated row of shortcut keys for quick access to common functions, improving efficiency.

Customizable Backlit Keys

The keyboard features customizable backlit keys with 7 color options and 3 brightness levels. Adjust the color by pressing **Fn + Enter** and brightness with **Fn + Right Shift**.

Type Day or Night

Customizable backlit keys help you work whenever

Magnetic Clasp and Auto Sleep/Wake

The magnetic clasp keeps your tablet and Apple Pencil securely fastened when closed. The case also supports auto sleep/wake functionality, preserving battery life.

Quick and Easy Navigation

Level up your productivity with full multi-touch gesture support

*Requires iPadOS 13.4 or later

Image: A close-up of the magnetic clasp, demonstrating how it securely holds both the iPad and an Apple Pencil in place when the case is closed.

MAINTENANCE

To ensure the longevity and optimal performance of your ESR Ascend Keyboard Case, follow these maintenance guidelines:

- Clean the exterior surfaces with a soft, damp cloth. Avoid abrasive cleaners or solvents.

- Keep the keyboard free from dust and debris. Use a soft brush or compressed air to clean between keys.
- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods.
- Do not submerge the case in water or any other liquids.

TROUBLESHOOTING

Touchscreen Unresponsive After Double-Clicking Trackpad

If your iPad's touchscreen becomes unresponsive after double-clicking the trackpad, this may be due to the AssistiveTouch feature. To resolve this:

1. Go to **Settings** on your iPad.
2. Navigate to **Accessibility > Touch**.
3. Locate **AssistiveTouch** and turn it **OFF**.
