Liscianigiochi Marvel Spidey 10 Educational Games Instruction Manual

Model: 99146

INTRODUCTION

The Liscianigiochi Marvel Spidey 10 Educational Games kit is designed to provide a rich collection of educational activities for young children aged 2 years and older. Inspired by the Marvel Spidey universe, this playset includes 10 distinct games aimed at stimulating cognitive development, creativity, imagination, and observation skills. Each activity is crafted to help children develop essential skills through interactive and enjoyable play.

This kit encourages manual dexterity, hand-eye coordination, and problem-solving abilities. Made in Italy, the product adheres to European safety and quality standards, utilizing non-toxic and durable materials to ensure a safe and lasting play experience. The compact and portable design makes it suitable for play at home or on the go.

COMPONENTS

The Liscianigiochi Marvel Spidey 10 Educational Games kit includes a variety of game pieces designed for diverse learning activities. Please ensure all components are present upon opening the box.

- Puzzle pieces featuring Spidey and friends
- Matching cards with characters and objects
- Silhouette matching game pieces
- Number and quantity matching cards
- Stacking game elements (cups and shaped bases)
- Various other interactive game components

OPERATING INSTRUCTIONS

This kit offers 10 different educational games. Below are general instructions for common game types included. Encourage children to explore and learn at their own pace.

1. Puzzle Games

Assemble the puzzle pieces to form complete images of Spidey and his amazing friends. This activity enhances problem-solving skills, spatial reasoning, and fine motor coordination.

Image: An example of a puzzle game in progress, showing how pieces fit together to form a complete picture of Spidey and friends.

2. Matching Games

Identify and match pairs of cards or pieces based on characters, objects, or silhouettes. This helps develop observation skills, memory, and recognition.

- **Character Matching:** Match characters to their corresponding images or partners.
- **Silhouette Matching:** Match character pieces to their correct silhouette outlines.
- **Number/Quantity Matching:** Match cards with numbers to cards with the corresponding quantity of items.

Image: The silhouette matching game, where children place character tiles onto their corresponding shadow shapes, enhancing visual discrimination.

3. Stacking Games

Stack the colored cups and shaped bases in various configurations. This activity promotes fine motor skills, understanding of shapes and colors, and basic construction concepts.

MAINTENANCE

To ensure the longevity of your Liscianigiochi Marvel Spidey Educational Games, follow these simple maintenance guidelines:

- **Cleaning:** Wipe game pieces with a dry or slightly damp cloth. Do not immerse in water. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all components in the original box in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Handle pieces gently to prevent bending, tearing, or damage.

SAFETY INFORMATION

This product is suitable for children aged 24 months and up. It complies with the latest European safety regulations. All materials used are non-toxic and designed for safe play. Adult supervision is recommended during play, especially for younger children, to ensure proper use of all components.
