Britax U014202

Britax Brook+ Modular Baby Stroller

MODEL: U014202 - INSTRUCTION MANUAL

Introduction

Thank you for choosing the Britax Brook+ Modular Baby Stroller. This manual provides essential information for the safe and proper use, assembly, and maintenance of your stroller. Please read all instructions carefully before assembly and use, and keep this manual for future reference.

The Britax Brook+ Stroller is designed for children from birth up to 50 lbs, offering versatility with its reversible toddler seat and compatibility with select infant car seats (sold separately). Its ultra-lightweight frame, large cargo basket, and one-step compact fold make it a convenient choice for parents on the go.

Key Features

- **Lightweight Design:** Ultra-lightweight frame for easy transportation without sacrificing durability.
- **Four Ways to Stroll:** Reversible toddler seat easily switches between parent-facing and forward-facing. Compatible with select Britax and competitive infant car seats (sold separately).
- **Machine-Washable Fabric:** Features a washer- and dryer-friendly SafeWash insert and naturally flame-retardant fabrics for quick and easy cleanup.
- **Travel with Ease:** Compatible with Britax Willow, Willow S, Willow SC, and Cypress infant car seats.
- **Ultra Portable:** One-step, compact fold allows for easy storage and transport.
- **Smooth & Steady Ride:** All-wheel suspension and tough, no-flat tires ensure comfortable cruising.
- **Weather Protection:** UPF 50+ water-resistant canopy with a flip-down sunshade for sunny or rainy days.
- **Convenient Storage:** Includes a parent tray with 2 cup holders and a phone holder, plus a child snack tray.
- **Spacious Cargo:** Large cargo basket for added storage.

- **Adjustable Harness:** Easy-adjust harness for simple adjustments as your child grows.

Setup & Assembly

Follow these steps to assemble your Britax Brook+ Modular Baby Stroller:

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all components listed in the packing list are present.
2. **Attach Wheels:** Securely attach the front and rear wheels to the stroller frame. Ensure they click into place.
3. **Unfold Stroller Frame:** Release the folding latch and unfold the stroller frame until it locks into the open position.
4. **Install Toddler Seat:** Align the toddler seat with the attachment points on the stroller frame. Push down firmly until you hear a click, indicating it is securely fastened. The seat can be installed facing forward or backward.
5. **Attach Accessories:** Install the parent tray and child snack tray as desired.

For a visual guide on the stroller's features and assembly, please refer to the video below:

Operating Instructions

Adjusting the Toddler Seat

The toddler seat offers four ways to stroll. To reverse the seat from forward-facing to parent-facing, locate the release buttons on either side of the seat, press them, lift the seat, and re-attach it in the desired orientation until it clicks securely.

Folding the Stroller

The Britax Brook+ features a one-step compact fold. To fold, ensure the toddler seat is in the forward-facing position (if attached), engage the brake, and follow the instructions on the frame to activate the one-step fold mechanism. The stroller stands on its own when folded.

Canopy and Sun Visor

The water-resistant UPF 50+ canopy provides excellent sun protection. It includes a flip-down sunshade for extra coverage and a peek-a-boo window to check on your child without disturbing them.

Braking System

The stroller features a foot-activated braking system located near the rear wheels. Press down on the brake pedal to engage the brakes and lift up to release them. Always engage the brakes when the stroller is stationary.

Maintenance & Care

Cleaning the SafeWash Insert

The SafeWash seat insert is designed for easy cleaning. It is washer and dryer safe. Remove the insert from the stroller seat and follow the care instructions on the fabric label for washing and drying.

SAFE TO MACHINE WASH & DRY

Includes Removeable SafeWash® Insert

General Cleaning

For the stroller frame and non-removable fabric parts, use a soft cloth with mild soap and water. Do not use abrasive cleaners or solvents. Hand wash with mild soap as per general care instructions.

Wheel Maintenance

Regularly check the wheels for debris and ensure they spin freely. Lubricate moving parts as needed with a silicone-based lubricant. The tough, no-flat tires require minimal maintenance.

Troubleshooting

If you encounter any issues with your Britax Brook+ Modular Baby Stroller, please refer to the following common solutions:

- **Stroller not folding/unfolding smoothly:** Ensure all locks and latches are disengaged. Check for any obstructions in the folding mechanism.
- **Wheels not turning freely:** Inspect wheels for debris (e.g., hair, dirt) and remove any obstructions. Lubricate axles if necessary.
- **Seat not attaching securely:** Verify that the seat is correctly aligned with the frame's attachment points and push down firmly until a click is heard.

If the problem persists, please contact Britax Customer Service for assistance.
