## IMPORTANT SAFETY INFORMATION

---

Please read and understand all safety instructions before using the chairs. Failure to follow these instructions may result in injury or damage to the product.

- Always unfold and fold the chairs carefully to avoid injury.
- Keep the chairs on stable, level surfaces to prevent tipping.
- Do not exceed the maximum weight capacity of 250 lbs per chair.
- Keep the chairs away from direct heat sources or open flames to prevent fabric damage.
- Ensure all locking mechanisms are engaged when the chair is in use.

## PRODUCT FEATURES

---

- **Durable & Rust-free Frame:** Constructed with a steel frame in a brown coating, providing sturdy support and rust resistance for extended service life. Maximum weight capacity: 250 lbs.
- **Foldable & Safe Design:** Features foldable legs for convenient storage and transport. All edges are rounded to enhance safety. Ideal for camping, trips, or moving.
- **Long Lasting & Easy Care Fabric:** The back and seat are made of UV-resistant, breathable Textilene fabric, ensuring durability, water and oil resistance, quick drying, and easy maintenance.
- **No Assembly Needed:** Chairs arrive fully assembled. Simply unfold and use.
- **Versatile Use:** Stylish and compact design suitable for indoor, outdoor, garden, park, patio, porch, poolside, yard, and deck settings.

## SETUP AND ASSEMBLY

Your Crestlive Products Patio Folding Chairs require no assembly. They are designed for immediate use upon arrival.

1. Remove the chairs from their packaging.
2. Gently unfold each chair by pulling the backrest and seat apart until the legs lock into place. Ensure all four legs are firmly on the ground and the chair is stable before use.
3. Verify that the folding mechanisms are fully extended and locked to prevent accidental collapse.

## OPERATING INSTRUCTIONS

---

### Folding the Chairs for Storage:

1. Ensure no one is sitting on the chair and remove any items from it.
2. Locate the folding mechanism, typically near the back legs or under the seat.
3. Gently push the backrest towards the seat while lifting the seat slightly. The legs will begin to fold inward.
4. Continue folding until the chair is compact. The integrated handle on the backrest can be used for easy carrying.

## MAINTENANCE

Regular maintenance will prolong the life and appearance of your chairs.

- **Cleaning:** The Textilene fabric is water and oil proof. Wipe clean with a damp cloth and mild soap. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The steel frame is rust-resistant. However, to maintain its finish, wipe down with a damp cloth periodically. If scratches occur, touch up with rust-inhibiting paint.
- **Storage:** When not in use, especially during harsh weather conditions or off-season, fold the chairs and store them in a dry, protected area to prevent wear and tear.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair feels unstable.	Not fully unfolded or on uneven ground.	Ensure legs are fully extended and locked. Move to a flat, stable surface.
Difficulty folding/unfolding.	Mechanism might be stiff or obstructed.	Apply gentle, even pressure. Check for any debris or obstructions in the joints. Do not force the mechanism.
Fabric appears dirty or stained.	Accumulated dirt, dust, or spills.	Clean with a damp cloth and mild soap as per maintenance instructions.
