# eKids Pokemon Pikachu Kids Bluetooth Headphones Instruction Manual

Model: PK-B54

## 1. INTRODUCTION

Thank you for purchasing the eKids Pokemon Pikachu Kids Bluetooth Headphones, Model PK-B54. These headphones are designed to provide a safe and enjoyable audio experience for children, featuring wireless Bluetooth connectivity, a built-in microphone, and a volume-reduced design. This manual will guide you through the setup, operation, and maintenance of your new headphones.

## 2. PACKAGE CONTENTS

Please ensure all items are present in the package:

- eKids Pokemon Pikachu Kids Bluetooth Headphones (Model PK-B54)
- USB Charging Cable
- 3.5mm Audio Cable
- Instruction Manual (this document)

## 3. SETUP

### 3.1 Charging the Headphones

Before first use, fully charge the headphones. A full charge provides up to 37 hours of continuous playtime.

1. Locate the USB charging port on the headphones. This is typically found under a small flap on one of the earcups.
2. Connect the smaller end of the included USB charging cable to the headphone's charging port.
3. Connect the larger end of the USB charging cable to a powered USB port (e.g., computer, USB wall adapter).
4. The charging indicator light will illuminate, typically red, during charging. It will change color (e.g., turn off or blue) when charging is complete.

### **3.2 Bluetooth Pairing**

To connect your headphones wirelessly to a device:

1. Ensure the headphones are charged and powered off.
2. Press and hold the Power/Bluetooth button on the headphones until the indicator light flashes rapidly (often blue and red), indicating pairing mode.
3. On your device (smartphone, tablet, computer), go to the Bluetooth settings.
4. Search for new devices. The headphones should appear as "eKids PK-B54" or similar.
5. Select the headphones from the list to pair. Once paired, the indicator light will typically turn solid blue or flash slowly.

### **3.3 Wired Connection (Auxiliary Mode)**

You can use the headphones with the included 3.5mm audio cable when Bluetooth is not available or the battery is low.

1. Locate the 3.5mm audio jack on the headphones.
2. Connect one end of the 3.5mm audio cable to the headphone's audio jack.
3. Connect the other end of the 3.5mm audio cable to the headphone jack of your audio device.
4. The headphones will operate in wired mode, and the Bluetooth function will be disabled.

## 4. OPERATING INSTRUCTIONS

### 4.1 Controls Overview

The headphones feature intuitive controls for media playback and calls. Refer to the diagram below for button locations and functions.

Image 4.1: Detailed diagram illustrating the features of the eKids Pokemon Pikachu Kids Bluetooth Headphones, including pivoting ear cushions, adjustable headband, foldable design, easy-to-use controls, comfortable ear cushions, charging port, and line-in port.

- **Power Button:** Press and hold to power on/off.
- **Play/Pause Button:** Press once to play or pause audio.
- **Volume Up (+):** Press to increase volume.
- **Volume Down (-):** Press to decrease volume.
- **Next Track:** Press and hold Volume Up (+) button.
- **Previous Track:** Press and hold Volume Down (-) button.
- **Answer/End Call:** Press the Play/Pause button once during an incoming call.
- **Reject Call:** Press and hold the Play/Pause button during an incoming call.

## 4.2 Volume Reduction Feature

These headphones are designed with reduced volume levels to protect children's hearing. While the volume can be adjusted, the maximum output is limited to ensure safe listening levels.

## 4.3 Microphone Functionality

The built-in microphone allows for hands-free communication during calls or online learning sessions. Ensure the headphones are connected via Bluetooth for microphone functionality.

## 5. MAINTENANCE

### 5.1 Cleaning

To maintain the condition of your headphones:

- Wipe the headphones with a soft, dry cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals.
- Avoid getting moisture into any openings.

### 5.2 Storage

The headphones feature a foldable design for convenient storage and travel. Fold them carefully to prevent damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.

## 6. TROUBLESHOOTING

---

- **No Power:** Ensure the headphones are fully charged. Connect to a power source using the USB charging cable.
- **No Sound (Bluetooth):**
  - Check if the headphones are paired and connected to your device.
  - Increase the volume on both the headphones and your connected device.
  - Ensure the headphones are not in wired mode.
- **No Sound (Wired):**
  - Ensure the 3.5mm audio cable is securely connected to both the headphones and the audio source.
  - Check the volume on your audio source.
  - Test with a different audio cable if available.
- **Pairing Issues:**
  - Ensure the headphones are in pairing mode (flashing indicator light).
  - Turn off and on the Bluetooth on your device.
  - Move the headphones closer to your device.
  - Forget the device from your Bluetooth list and attempt to re-pair.
- **Microphone Not Working:** Ensure the headphones are connected via Bluetooth. Check microphone settings on your connected device.

## 7. SPECIFICATIONS

Recommended Uses	Calling, Travel, Entertainment, Education
Age Range (Description)	Kid

## 8. SAFETY INFORMATION

- **Hearing Protection:** These headphones feature a volume-reduced design. However, prolonged exposure to high volume levels can still cause hearing damage. Monitor listening time and volume.
- **Choking Hazard:** Keep small parts, such as cables, away from young children to prevent choking hazards.
- **Water Exposure:** These headphones are not water-resistant. Avoid exposure to water or moisture to prevent damage.
- **Battery Safety:** Do not attempt to replace the internal battery. Do not expose the battery to extreme heat or dispose of it in fire.
- **Cleaning:** Only clean with a dry, soft cloth. Do not use liquid cleaners.
- **Operating Temperature:** Avoid using or storing the headphones in extreme temperatures.

## 9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the eKids official website or contact their customer service. Keep your proof of purchase for warranty claims.
