PHILIPS S7885/63

Philips Series 7000 Electric Shaver

INSTRUCTION MANUAL FOR MODEL S7885/63

Brand: PHILIPS

1. Introduction

The Philips Series 7000 electric shaver is designed to provide a smooth and comfortable shaving experience, whether dry or wet. It incorporates advanced technologies like SkinIQ and SteelPrecision blades for optimal performance and skin protection. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your shaver.

2. Safety Information

Please read all safety warnings carefully before using the shaver to prevent injury or damage to the device.

- Always unplug the device when it is not in use.
- Rinse the shaver head with water and let it dry thoroughly before storing.
- Be careful when handling blades to avoid cuts.
- Do not use the shaver near water or while charging.

3. Package Contents

Verify that all items are present in the package:

- Philips Shaver Series 7000 (S7885/63) Electric Shaver

- 1 Charging Stand
- 1 Quick Clean Pod
- 4 Quick Clean Cartridges
- Travel Case

4. Setup and Charging

Follow these steps for initial setup and charging:

1. Remove the shaver and all accessories from its packaging.
2. Before using the shaver for the first time, fully charge it. Connect the charging cable to the shaver and plug it into a power outlet. The battery indicator will show charging progress. A full charge takes approximately 1 hour and provides 60 minutes of shaving time. A 5-minute quick charge provides enough power for one shave.

5. Operating the Shaver

Your Philips Series 7000 shaver can be used for both dry and wet shaving.

5.1 Dry Shaving

For a comfortable dry shave, ensure your skin is clean and dry. Turn on the shaver and guide it over your skin in gentle circular motions. The SkinIQ technology will adapt to your beard density for an effortless shave.

5.2 Wet Shaving

For a refreshing wet shave, wet your beard and apply shaving cream or gel. Turn on the shaver and guide it over your skin in gentle circular motions. You can also use the shaver in the shower.

5.3 Using the Pop-up Trimmer

The integrated pop-up trimmer is ideal for detailing your look, maintaining a mustache, or trimming sideburns. Simply slide the trimmer switch to activate it.

5.4 Philips GroomTribe App Integration

Pair your shaver with the Philips GroomTribe app to track your skin's progress, personalize your shaving routine, and refine your

technique. The app provides real-time guidance based on motion detection technology.

Easily track your progress and personalize your routine

6. Maintenance and Cleaning

Regular cleaning ensures optimal performance and hygiene for your shaver.

1. After each use, clean the shaver. Simply press a button to open the shaving head and rinse it thoroughly under running water.
2. For a more thorough cleaning, use the Quick Clean Pod. Place the shaver in the pod, and it will automatically clean, lubricate, and dry the shaver heads. Refer to the Quick Clean Pod manual for detailed instructions on cartridge replacement.

7. Troubleshooting

If you encounter any issues with your Philips Series 7000 shaver, refer to the following common solutions:

- **Shaver not turning on:** Ensure the shaver is fully charged. If the battery is depleted, charge it for at least 5 minutes for a quick shave.
- **Reduced shaving performance:** Clean the shaving heads thoroughly. If performance does not improve, the shaving heads may need replacement. Philips recommends replacing shaving heads every 12 months for optimal performance.
- **Skin irritation:** Ensure you are using gentle circular motions and not pressing too hard. For wet shaving, use a suitable shaving gel or foam. The Nano SkinGlide coating is designed to minimize irritation.
- **App connectivity issues:** Ensure Bluetooth is enabled on your smartphone and the shaver is within range. Restart both the shaver and the app if connection problems persist.

For further assistance, please contact Philips Customer Support.

8. Specifications

Feature	Specification
Product Name	S7885/63 SHAVER Q CLEAN POD, CHARGE ST
Item Model Number	S7885/63
Brand	PHILIPS
Power Source	Battery Powered
Special Feature	Dry, Wet, Humid
Recommended Uses	Sculpting, Beard
Battery Life	60 minutes (1 hour charge)
Item Weight	2.06 Kilograms
