Pellebant PB-DC037BRN

Pellebant Stackable Outdoor Dining Chairs Instruction Manual

Model: PB-DC037BRN

PRODUCT OVERVIEW

The Pellebant Stackable Outdoor Dining Chairs are designed for durability and comfort in various outdoor environments. Crafted from high-quality Wood Plastic Composite (WPC) and featuring a lightweight aluminum frame, these chairs offer a blend of resilience and modern aesthetics. They are built to withstand diverse weather conditions and provide convenient storage solutions.

Key Features:

- **Durable Material:** Constructed from Wood Plastic Composite (WPC) for enhanced longevity and resistance to outdoor elements.
- **Lightweight Aluminum Frame:** The aluminum frame is significantly lighter than iron, facilitating easy movement and rearrangement.
- **Space-Saving Design:** Stackable functionality allows for efficient storage when not in use, optimizing outdoor space.
- **All-Weather Resistance:** Engineered to endure various weather conditions, including sun exposure and rain, without significant fading, cracking, or warping.
- **Comfortable and Stylish:** Features a sleek surface and ergonomic design for comfort, complementing any outdoor dining or relaxation area.

SETUP INSTRUCTIONS

The Pellebant Stackable Outdoor Dining Chairs are designed for minimal assembly. Each set includes the

necessary installation accessories and tools. Simply unbox the chairs and place them in your desired location. Ensure all components are securely fastened before use.

OPERATING INSTRUCTIONS

Using the Chairs:

These chairs are ready for immediate use. Their ergonomic design and armrests provide a comfortable seating experience for dining or relaxation. The lightweight aluminum frame allows for easy repositioning as needed.

Stacking for Storage:

To save space, the chairs can be easily stacked. Lift one chair and place it directly on top of another, aligning the legs and seats for stability. This feature is ideal for compact storage when the chairs are not in use.

MAINTENANCE

To ensure the longevity and appearance of your Pellebant dining chairs, follow these maintenance guidelines:

- **Cleaning:** The WPC material and aluminum frame are easy to clean. For general dirt, wipe with a damp cloth. For more stubborn grime, a gentle power wash can be used. Avoid harsh abrasive cleaners that may damage the finish.
- **All-Weather Care:** These chairs are designed for all-weather use. While they resist fading, cracking, and warping, occasional cleaning helps maintain their condition.
- **Rust Resistance:** The aluminum frame is rust-resistant, making it suitable for outdoor environments.

TROUBLESHOOTING

Chair Wobbles:

If a chair appears wobbly after placement, check the adjustable screw caps on the bottom of each leg. These can be tweaked to level the chair on uneven surfaces, ensuring stability and comfort.
