## VOWNER VOWNER-115

# VOWNER Vanity with Lights - Model VOWNER-115 Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

## 1. PRODUCT OVERVIEW

The VOWNER Vanity with Lights, Model VOWNER-115, is designed to provide a functional and organized space for personal grooming. It features a tri-folding mirror with adjustable lighting, an integrated power outlet with USB ports, five rotating drawers, and additional shelving for storage. A matching stool is included.

## 2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Limit:** Do not exceed the specified weight limit for any individual shelf or drawer. Overloading can cause structural failure.
- **Tip-Over Prevention:** For safe use, it is recommended to securely fasten the vanity to a wall using appropriate anchoring hardware (not included) to prevent accidental tip-over, especially in households with children or pets.
- **Small Parts:** Keep all small parts and assembly hardware away from children to prevent choking hazards.
- **Sharp Objects:** Exercise caution with sharp objects during assembly and when handling components.
- **Electrical Safety:** Ensure the power outlet is connected to a properly grounded electrical source. Do not overload the power strip. Disconnect power before cleaning or maintenance.
- **Placement:** Place the vanity on a flat, stable surface. Avoid placing it in areas with high humidity or direct sunlight, which can affect material integrity.

### 3. ASSEMBLY INSTRUCTIONS

---

Basic assembly is required. It is recommended to have two people for assembly. A Phillips head screwdriver or drill (not included) will be needed.

#### 3.1 Before You Begin

- Unpack all components and verify against the parts list (refer to included manual for detailed list).
- Ensure all pieces are free from damage. Contact customer support if any parts are missing or damaged.
- Clear a spacious area for assembly.

#### 3.2 Step-by-Step Assembly

Follow the numbered instructions provided in the physical manual included with your product. Each component is typically labeled with a number to facilitate assembly. Ensure all screws and fasteners are tightened securely, but do not overtighten.

### 4. OPERATING INSTRUCTIONS

---

#### 4.1 Lighting System

The vanity mirror features integrated LED lights with three color lighting modes and adjustable brightness.

**3 color lighting  
modes, adjustable  
brightness**

Image 4.1: Illustration of the three adjustable lighting modes: Cool White, Warm White, and Warm Yellow.

- **Power On/Off:** Locate the touch sensor or switch on the mirror frame to turn the lights on or off.
- **Change Color Mode:** Tap the touch sensor or press the designated button to cycle through the three color temperature options: Cool White, Warm White, and Warm Yellow.
- **Adjust Brightness:** Press and hold the touch sensor or use the brightness adjustment buttons to increase or decrease the light intensity.

#### **4.2 Integrated Power Outlet**

The vanity includes a built-in power strip for convenient access to electrical outlets and USB charging ports.

## BUILT-IN POWER STRIP

Best for curling iron, hair dryer and phone charging

**125V/12A**  
(2 AC Outlets)

**5V/2A**  
(2 USB Ports)

**4.9 Feet**  
(Power Cord)

Image 4.2: Close-up view of the integrated power strip, showing two AC outlets and two USB ports.

- **AC Outlets:** Two standard 125V/12A AC outlets are available for powering devices such as hair dryers, curling irons, or other beauty appliances.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The power strip is connected via a 4.9-foot power cord. Ensure it is plugged into a suitable wall outlet.

### 4.3 Rotating Drawers

The vanity features five rotating drawers designed for flexible storage and access.

Image 4.3: The five rotating drawers shown in an extended position, demonstrating their unique functionality.

- **Operation:** Gently pull or push the drawers to rotate them outwards or inwards, allowing for easy access to stored items or to tuck them away when not in use.
- **Storage:** Utilize the drawers for organizing cosmetics, jewelry, and other personal items.

## 5. MAINTENANCE

Proper care will extend the life and appearance of your VOWNER Vanity.

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical connections are dry and free from dust. Do not attempt to service the electrical components yourself.

## 6. TROUBLESHOOTING

This section addresses common issues you might encounter.

| Issue                                    | Possible Cause                                                            | Solution                                                                                               |
|------------------------------------------|---------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| Lights not turning on                    | Power cord not plugged in; loose connection; faulty bulb/LED strip        | Check power cord connection; ensure switch is on; contact customer support if issue persists.          |
| Power outlets/USB ports not working      | Power cord not plugged in; circuit breaker tripped; device not compatible | Verify power cord connection; check household circuit breaker; test with another device.               |
| Drawers are stiff or difficult to rotate | Overloaded drawer; debris in mechanism; improper assembly                 | Reduce drawer contents; inspect for obstructions; review assembly steps for correct installation.      |
| Vanity feels unstable                    | Loose fasteners; uneven floor; not anchored to wall                       | Tighten all assembly fasteners; place on a level surface; consider wall anchoring for added stability. |

## 7. PRODUCT SPECIFICATIONS

| Feature                | Detail                                       |
|------------------------|----------------------------------------------|
| Model Number           | VOWNER-115                                   |
| Dimensions (L x W x H) | 21 x 43 x 56 inches                          |
| Number of Drawers      | 5 (Rotating)                                 |
| Lighting               | 3 Color Modes, Adjustable Brightness         |
| Power Outlet           | 2 AC Outlets (125V/12A), 2 USB Ports (5V/2A) |
| Power Cord Length      | 4.9 feet                                     |
| Product Care           | Wipe with Dry Cloth                          |
