Ankilo CP257B-AK

Ankilo 3 in 1 Magnetic Foldable Wireless Charger Instruction Manual

Model: CP257B-AK

1. PRODUCT OVERVIEW

The Ankilo 3 in 1 Magnetic Foldable Wireless Charger is designed to simultaneously charge up to three devices: a cell phone, headphones, and a smartwatch. Its compact and foldable design makes it suitable for both home and travel use, reducing cable clutter and providing a convenient charging solution.

2. SETUP INSTRUCTIONS

1. **Power Connection:** Connect the provided Type-C to Type-C data cable to the charger and plug the other end into an 18W (or higher) fast charging adapter (not included). Ensure the adapter provides sufficient power for optimal performance, especially when charging three devices simultaneously.
2. **Unfolding the Charger:** Gently unfold the charger to its desired configuration. It can be laid flat or folded into a triangular stand for phone viewing.
3. **Placement:** Place the charger on a stable, flat surface.

Charging Indicator

Different lights to indicate different working state

Image: The Ankilo wireless charger shown in its compact, folded state, demonstrating its portability and ease of storage in a pocket or bag.

3. OPERATING INSTRUCTIONS

Charging Devices:

- **Mobile Phone:** Place your compatible iPhone 12/13/14/15 series device onto the designated phone charging pad. The magnetic suction will firmly hold the device in place. The charger can be folded 180° to act as a phone stand, allowing for horizontal viewing or vertical chatting while charging.
- **Earbuds:** Place your Qi-enabled wireless charging earbuds (e.g., AirPods Pro, AirPods 2/3 Wireless Charging Version) onto the central charging pad.
- **Smartwatch:** Place your compatible Apple Watch (Series 2-9, Ultra, Ultra 2) onto the dedicated smartwatch charging module.

Foldable & Magnetic Suction

The charger can be used as a stand after being folded and adsorbed

Magnets

Metal Cases

Credit Card

Metal Ring

Notice: Only supports adsorption of iPhone 12/13/14/15 series mobile phones

Image: The charger configured as a phone stand, with an iPhone and Apple Watch charging. It also highlights items that may interfere with magnetic adsorption, such as magnets, metal cases, credit cards, and metal rings.

Indicator Light Display:

The phone charging module features an indicator light to show the charging status:

- **Green Light:** Indicates standby mode.
- **Blue Breathing Light:** Indicates active charging.
- **Alternating Blue and Green Lights:** Indicates foreign object detection. Remove any foreign objects from the charging surface.

A light button is provided to manually turn off the light display at any time, which is useful for undisturbed sleep.

Security Charge

Image: A visual representation of the charging indicator light states: green for standby, blue breathing for working, and alternating blue/green for foreign object detection. A finger is shown pressing the light button to turn off the lights.

4. COMPATIBILITY

The Ankilo 3 in 1 Wireless Charger offers wide compatibility with various devices:

- **For iPhone:** iPhone 15 series, iPhone 14, iPhone 14 Plus, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 13, iPhone 13 Pro, iPhone 12, iPhone 12 Pro, iPhone 12 Pro Max, iPhone 12 mini.
- **For Apple Watch:** Apple Watch Series 2, 3, 4, 5, SE, 6, 7, 8, 9, Ultra, Ultra 2.
- **For AirPods:** AirPods Pro, AirPods 2/3 (Wireless Charging Version), and other Qi-enabled wireless earbuds.
- **Other Qi-enabled Devices:** Compatible with all other Qi wireless-enabled devices.

Important Notes on Compatibility:

- iPhone 15 Pro/Max may not be triangularly supported due to the enlarged camera position.
- Not supported for Samsung Watch.
- Not supported for AirPods 1 (which do not have wireless charging).
- For optimal magnetic adsorption, ensure phone cases are 5mm or thinner and do not contain magnets, metal, or credit cards.

5. SAFETY PROTECTION

This charger incorporates multi-functional smart shunt technology with a built-in smart chip to ensure a safe charging experience. It provides comprehensive protection against:

- **Over-voltage Protection:** Prevents damage from excessive voltage.
- **Over-current Protection:** Safeguards against excessive current flow.
- **Short-circuit Protection:** Protects against electrical shorts.
- **Temperature Control:** Manages heat to prevent overheating.
- **Foreign Object Detection:** Detects and prevents charging when foreign metallic objects are on the charging surface.

Easy To Carry

Foldable design: 7.5cm*7.5cm*2.5cm

6. MAINTENANCE

- Keep the charging surface clean and free of dust or debris to ensure efficient charging.
- Avoid exposing the charger to extreme temperatures, direct sunlight, or high humidity.
- Do not disassemble or attempt to repair the device yourself. Contact customer support for assistance.
- Store the charger in a cool, dry place when not in use.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device not charging or charging slowly.	<ul style="list-style-type: none">• Insufficient power input (adapter less than 18W).• Device not properly aligned on the charging pad.• Thick phone case or metallic objects interfering.• Foreign object on the charging surface.	<ul style="list-style-type: none">• Use an 18W QC3.0 adapter or higher.• Adjust device position to ensure proper alignment with the charging coil.• Remove phone case (if thicker than 5mm) or any metallic attachments.• Remove any foreign objects from the charging surface.
Indicator light is alternating blue and green.	Foreign object detected on the charging surface.	Remove any foreign objects (e.g., coins, keys) from the charging area.
Light is too bright at night.	Indicator light is on.	Press the light button on the charger to turn off the indicator light.

If the issue persists after trying these solutions, please contact customer support.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	CP257B-AK
Input Voltage	9 Volts
Phone Charging Output	Up to 15W
AirPods Charging Output	3W
iWatch Charging Output	2.5W
Connectivity Technology	Wireless, MagSafe
Connector Type	USB Type C
Item Weight	7.4 ounces
Package Dimensions	4.96 x 4.09 x 2.32 inches
Color	Black - New Version
Special Features	Travel, Portable, Magnetic, Wireless Charger, Foldable

9. WHAT'S IN THE BOX

- 1 x 3 in 1 Foldable Wireless Charger
- 1 x Type-C to Type-C Data Cable
- 1 x Instruction Manual

10. WARRANTY AND SUPPORT

Ankilo provides **12-month support** for this product from the date of purchase.

For any questions, technical assistance, or warranty claims, please contact our customer support team:

- **Email:** support@ankilo.com (example email, as no specific email is provided)
- **Website:** www.ankilo.com (example website, as no specific website is provided)

Please have your model number (CP257B-AK) and purchase details ready when contacting support.
