## SETUP AND ASSEMBLY

---

Your Morpanya desk is delivered disassembled in special shipping packaging. All necessary assembly tools are included in the box. Assembly is required by the customer.

### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the included parts list are present.
2. **Identify Parts:** Familiarize yourself with the different parts, including the tabletop, metal legs, and shelf components.
3. **Assemble Frame:** Attach the metal legs to the main frame using the provided screws and tools. Ensure all connections are secure.
4. **Attach Tabletop:** Securely fasten the wooden tabletop to the assembled metal frame.
5. **Install Shelves:** The two Atlantic Pine wood shelves can be installed on either the right or left side of the desk, according to your preference. Attach them firmly to the designated points on the metal frame.
6. **Final Check:** Once assembled, gently shake the desk to ensure all connections are tight and the desk is stable.

For detailed visual instructions, refer to the assembly diagram provided in the packaging.

## MAINTENANCE AND CARE

---

Proper care and maintenance will help preserve the appearance and extend the lifespan of your Morpanya desk.

### Cleaning Instructions:

- **Main Body (Metal Frame):** Wipe with a slightly damp cloth using water or a mild glass cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the epoxy powder coating.
- **Shelves (Wooden Boards):** Wipe with a clean, slightly damp cloth. For light cleaning, a small amount of mild cleaning solution can be used. Always wipe dry immediately after cleaning to prevent moisture damage.
- **General Care:** Regularly dust the desk with a soft, dry cloth. Avoid placing hot items directly on the surface without protective coasters. Protect from direct sunlight and excessive humidity.

## TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Morpanya desk.

### Common Issues and Solutions:

- **Desk is Wobbly:**
  - Ensure all screws and fasteners are tightened securely.
  - Check that the desk is placed on a level surface. Adjust floor glides if available.
- **Parts Missing During Assembly:**
  - Double-check all packaging materials.
  - Contact Morpanya customer support with your model number and a description of the missing parts.
- **Surface Stains/Marks:**
  - For minor marks, use a damp cloth with a mild cleaner as per maintenance instructions.
  - For stubborn stains, consult professional furniture cleaning advice or contact customer support.
