EP EXERCISE N PLAY WT0531 City Police Aircraft Carrier Building Kit User Manual

Model: WT0531 | Brand: EP EXERCISE N PLAY

1. PRODUCT OVERVIEW

The EP EXERCISE N PLAY WT0531 City Police Aircraft Carrier Building Kit is a comprehensive 1296-piece construction set designed for children aged 6-12 years. This versatile kit allows for the assembly of a large military battleship or six smaller, individual models including an airplane, patrol boat, army car, and tank. It promotes imaginative play and develops fine motor skills and logical thinking.

2. SAFETY INFORMATION

This product contains small parts and is **not suitable for children under 3 years old** due to choking hazards. All bricks meet ASTM standards for Children's Safety, are BPA-free, and non-toxic. Ensure proper supervision during assembly and play.

3. PACKAGE CONTENTS

Your EP EXERCISE N PLAY WT0531 kit includes:

- 1296 Building Blocks (sorted into numbered bags)
- 1 Detailed Instruction Manual

Each model's bricks are separately packed in bags to facilitate organized assembly.

4. SETUP AND ASSEMBLY

This building kit offers two primary construction methods: building six smaller individual models or combining all pieces to form the large military battleship. It is recommended to build the six smaller shapes first to familiarize yourself with the components and assembly techniques.

4.1 Building Smaller Models (Manual #474-1 to #474-6)

Follow the instructions in sections #474-1 through #474-6 of the manual to construct the individual airplane, patrol boat, army car, and tank models. These models cannot be built simultaneously with the main battleship as they share common pieces.

4.2 Assembling the Military Battleship (Manual #474-A)

Once you have completed the smaller models, you can disassemble them and reuse all the blocks to construct the impressive military battleship. Refer to Manual #474-A for detailed steps.

6. MAINTENANCE

To ensure the longevity of your building kit, follow these maintenance guidelines:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Avoid harsh chemicals.
- **Storage:** Store all pieces in a dry, cool place away from direct sunlight to prevent material degradation. The product may come in a reusable storage container.
- **Durability:** The blocks are designed to be durable with a smooth polish, comfortable to hold, and safe to touch. They are compatible with other name-brand blocks for creative building.

7. TROUBLESHOOTING

If you encounter any issues during assembly or find missing pieces, please refer to the following:

- **Missing Pieces:** Although quality control is maintained, occasionally a piece may be missing. Contact our customer service directly for assistance.
- **Difficulty in Assembly:** Ensure you are following the instruction manual step-by-step. The instructions are detailed, but some steps may require careful attention.
- **Loose Connections:** Press blocks firmly together to ensure a tight fit.

Our customer service team is ready to provide a solution for any problems you may have with the blocks.
