Maintenance

Proper care will help maintain the appearance and extend the lifespan of your desk.

- **Cleaning:** The smooth, waterproof surface of the desk is easy to clean. Wipe with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Structural Integrity:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain the desk's stability.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads for drinks and other objects that might scratch or stain the tabletop.

- **Missing Parts:**

If you find any parts missing upon opening the package, please refer to the contact information in the warranty and support section for assistance.
