BONAD Mr-1098SL

Multifunctional Nail Clipper User Manual

Model: Mr-1098SL | Brand: BONAD

1. INTRODUCTION

Thank you for purchasing the BONAD Multifunctional Nail Clipper. This compact and versatile tool is designed for personal grooming and various everyday tasks. Made from high-quality stainless steel, it offers durability and precision for a range of functions.

This manual provides essential information on the product's features, setup, operation, maintenance, and troubleshooting. Please read it carefully before using the product to ensure safe and effective use.

2. PRODUCT FEATURES

The BONAD Multifunctional Nail Clipper is engineered with a precise foldable design, integrating multiple tools into a compact form factor. Key features include:

- **Six-in-One Functionality:** This tool combines a nail clipper, nail file, small knife, bottle opener, screwdriver, and scissors.
- **High-Quality Material:** Constructed from medical-grade stainless steel, ensuring sharpness, durability, and anti-rust properties.
- **Compact and Portable:** Its foldable design makes it easy to carry in a bag or pocket, suitable for home, travel, and outdoor use.
- **Ergonomic Design:** Provides a comfortable grip for precise and effortless operation.

3. SETUP

The BONAD Multifunctional Nail Clipper comes pre-assembled and requires no complex setup. Simply remove it from its packaging.

Unfolding the Tool:

1. Hold the main body of the tool firmly.
2. Gently pull out the desired tool (e.g., nail clipper lever, knife, scissors) from its folded position until it locks into place.

Figure 4: The nail clipper in its folded (left) and unfolded (right) configurations.

4. OPERATING INSTRUCTIONS

Each function of the multifunctional tool is designed for ease of use. Always exercise caution when handling sharp components.

4.1. Using the Nail Clipper:

1. Lift the lever of the nail clipper to its upright position.
2. Rotate the lever 180 degrees so it rests on the main body, ready for use.
3. Place your nail between the blades and press down on the lever to cut.

4.2. Using Other Tools (Nail File, Knife, Bottle Opener, Screwdriver, Scissors):

1. Carefully unfold the desired tool from the main body.
2. Ensure the tool is fully extended and locked into place before use.
3. Use the tool as intended for its specific function. For example, use the bottle opener to remove bottle caps.

Figure 5: Examples of using the integrated bottle opener and small knife.

Safety Warning: This product contains sharp edges and points. Always handle with care. Keep out of reach of children to prevent injury.

5. MAINTENANCE

Proper maintenance will extend the life and performance of your multifunctional nail clipper.

- **Cleaning:** After each use, especially for nail care, wipe the product with a soft, damp cloth. For thorough cleaning, use water and a mild soap. Ensure the product is completely dry before folding and storing to prevent rust.
- **Drying:** Always dry the tool thoroughly after cleaning. Air dry or use a clean, dry cloth.

- **Storage:** Store the tool in a dry place, away from moisture and extreme temperatures. Keep it folded when not in use to protect the blades and other components.
- **Lubrication:** Periodically apply a small drop of light machine oil to the pivot points of the folding tools to ensure smooth operation.

6. TROUBLESHOOTING

If you encounter any issues with your BONAD Multifunctional Nail Clipper, please refer to the following common solutions:

Problem	Possible Cause	Solution
Tools are stiff or hard to unfold/fold.	Lack of lubrication or accumulation of debris.	Clean the tool thoroughly and apply a small amount of light machine oil to the pivot points.
Blades feel dull.	Normal wear and tear.	While made of durable steel, extreme dullness may require professional sharpening or replacement. Ensure proper cleaning and drying after each use.
Rust spots appear.	Improper drying or storage in a humid environment.	Ensure the tool is completely dry after cleaning. Store in a dry place. Minor rust can sometimes be removed with fine steel wool and oil, but prevention is key.

If the problem persists or if you encounter an issue not listed here, please contact customer support.

7. SPECIFICATIONS

Attribute	Detail
Model Number	Mr-1098SL (Small)
Brand	BONAD
Material	Surgical Grade Stainless Steel, Alloy Steel
Functions	Nail Clipper, Nail File, Small Knife, Bottle Opener, Screwdriver, Scissors
