Aheaplus YHWC-01B

Aheaplus Corner Bar Cabinet Instruction Manual

Model: YHWC-01B | Brand: Aheaplus

1. INTRODUCTION

Thank you for choosing the Aheaplus Corner Bar Cabinet. This industrial-style cabinet is designed to enhance your living space with its functional features, including a built-in power outlet, LED strip lighting, and ample storage for your bar essentials. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your new cabinet.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Toppling Fittings:** Always install the provided anti-toppling fittings to secure the cabinet to a wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- **Stable Placement:** Ensure the cabinet is placed on a level and stable surface. Use the adjustable leg pads to compensate for uneven floors and maintain stability.
- **Weight Capacity:** Do not overload shelves. Distribute weight evenly. Refer to specifications for maximum weight limits per shelf.
- **Electrical Safety:** The built-in power outlet and LED lights are designed for indoor use only. Do not expose to water or excessive humidity. Ensure the power cord is not pinched or damaged.
- **Assembly:** Assembly requires two adults. Follow all steps in the assembly guide precisely. Do not use power tools unless explicitly instructed, as this may damage components.

3. PRODUCT OVERVIEW

The Aheaplus Corner Bar Cabinet is a versatile furniture piece designed for various home settings, offering both storage and display capabilities.

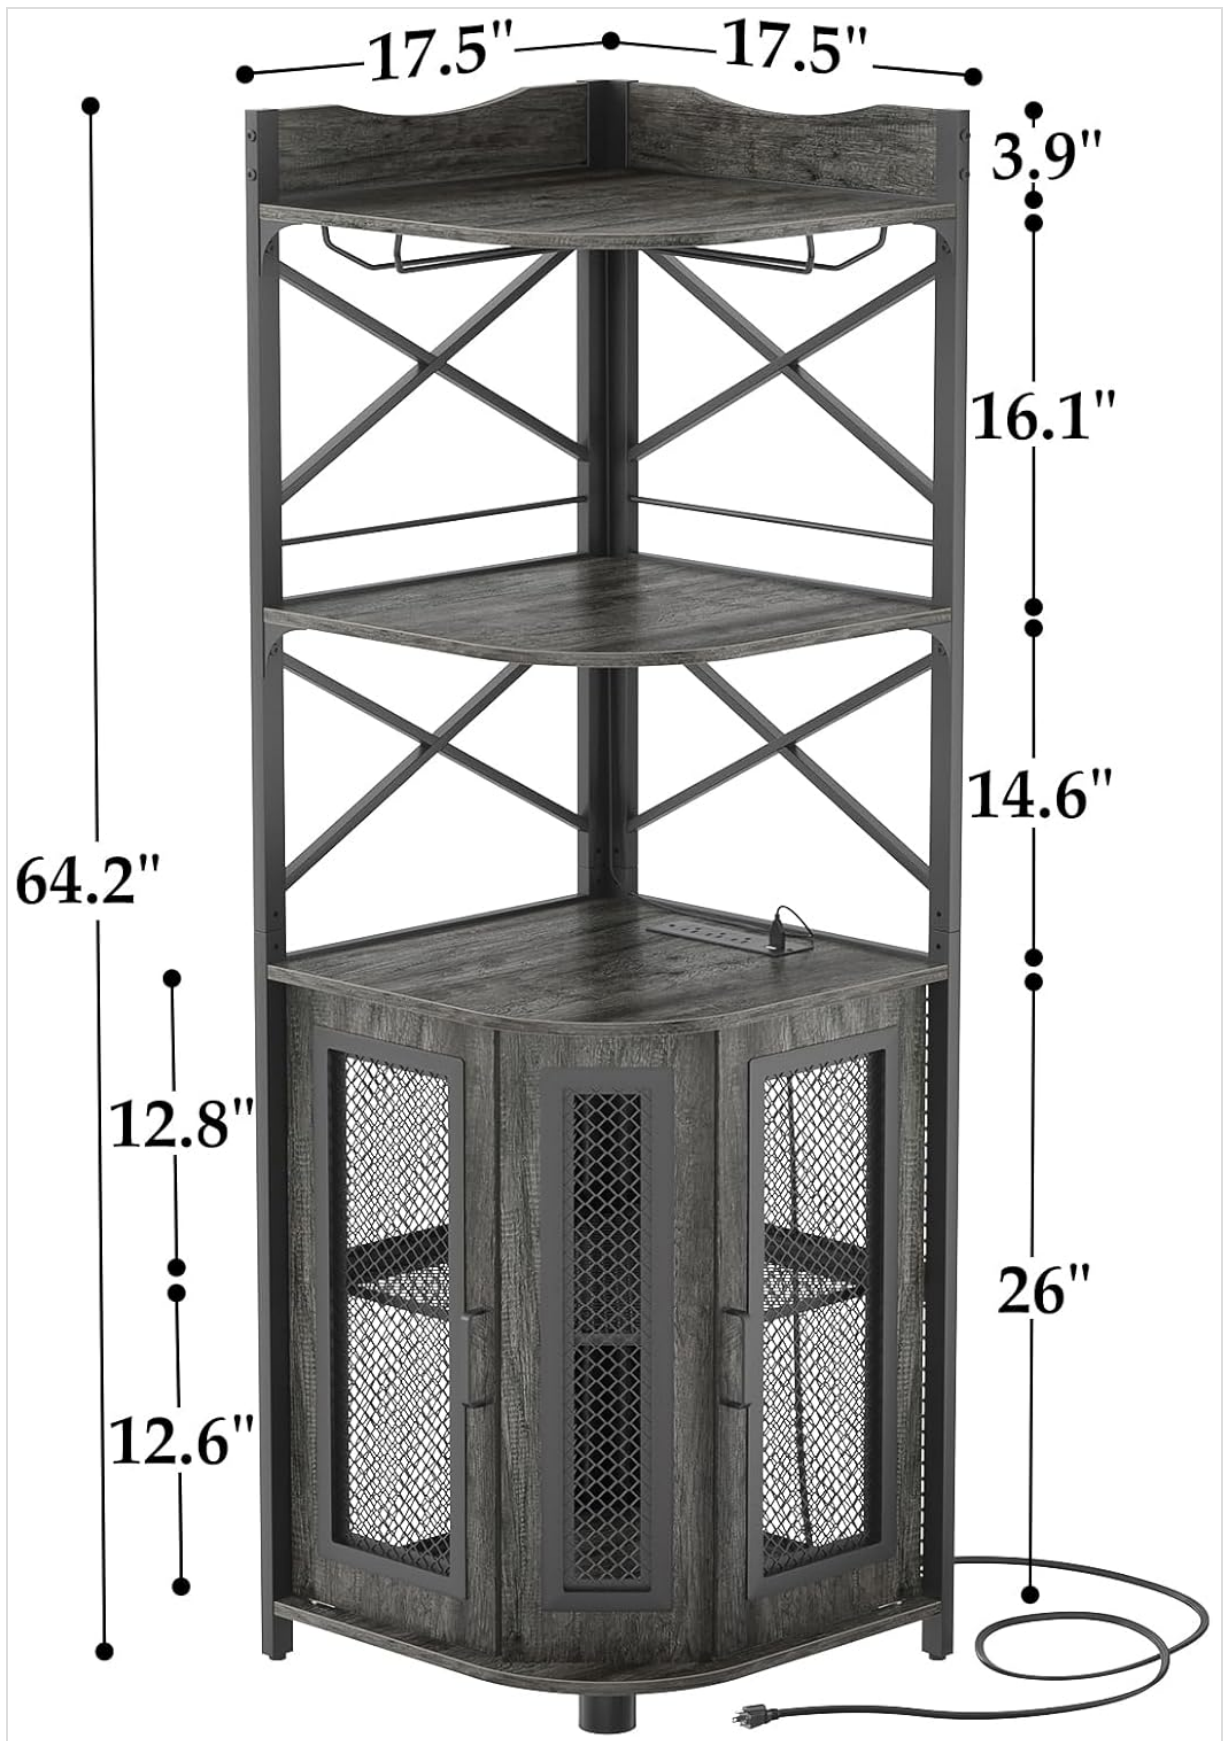

3.1 Key Features

- **Integrated Charging Station:** Equipped with 3 AC outlets and 2 USB ports for convenient charging of devices and powering small appliances. The power cord length is 6.56 feet.

- **RGB LED Lighting:** Features an LED strip with over 60,000 colors and multiple flashing modes. Includes a music sync function to change light colors with sound rhythm. Controlled via app or remote.
- **Ample Storage:** Five tiers of storage, including open shelves for display and a double-layer bottom cabinet with mesh doors for concealed storage of bottles and other items. Includes hanging wine glass holders.
- **Durable Construction:** Made from high-quality MDF board and a rugged metal frame, ensuring stability and longevity.
- **Space-Saving Design:** Triangular shape perfectly fits into corners, maximizing space utilization in kitchens, living rooms, lounges, and dining areas.

3.2 Product Dimensions

The cabinet's overall dimensions are designed to fit snugly into corner spaces while providing substantial storage.

Detailed diagram illustrating the dimensions of the Aheaplus Corner Bar Cabinet, including height, width, depth, and individual shelf heights. Dimensions are 17.5"D x 17.5"W x 64.2"H.

Overall Dimensions: 17.5" (Depth) x 17.5" (Width) x 64.2" (Height)

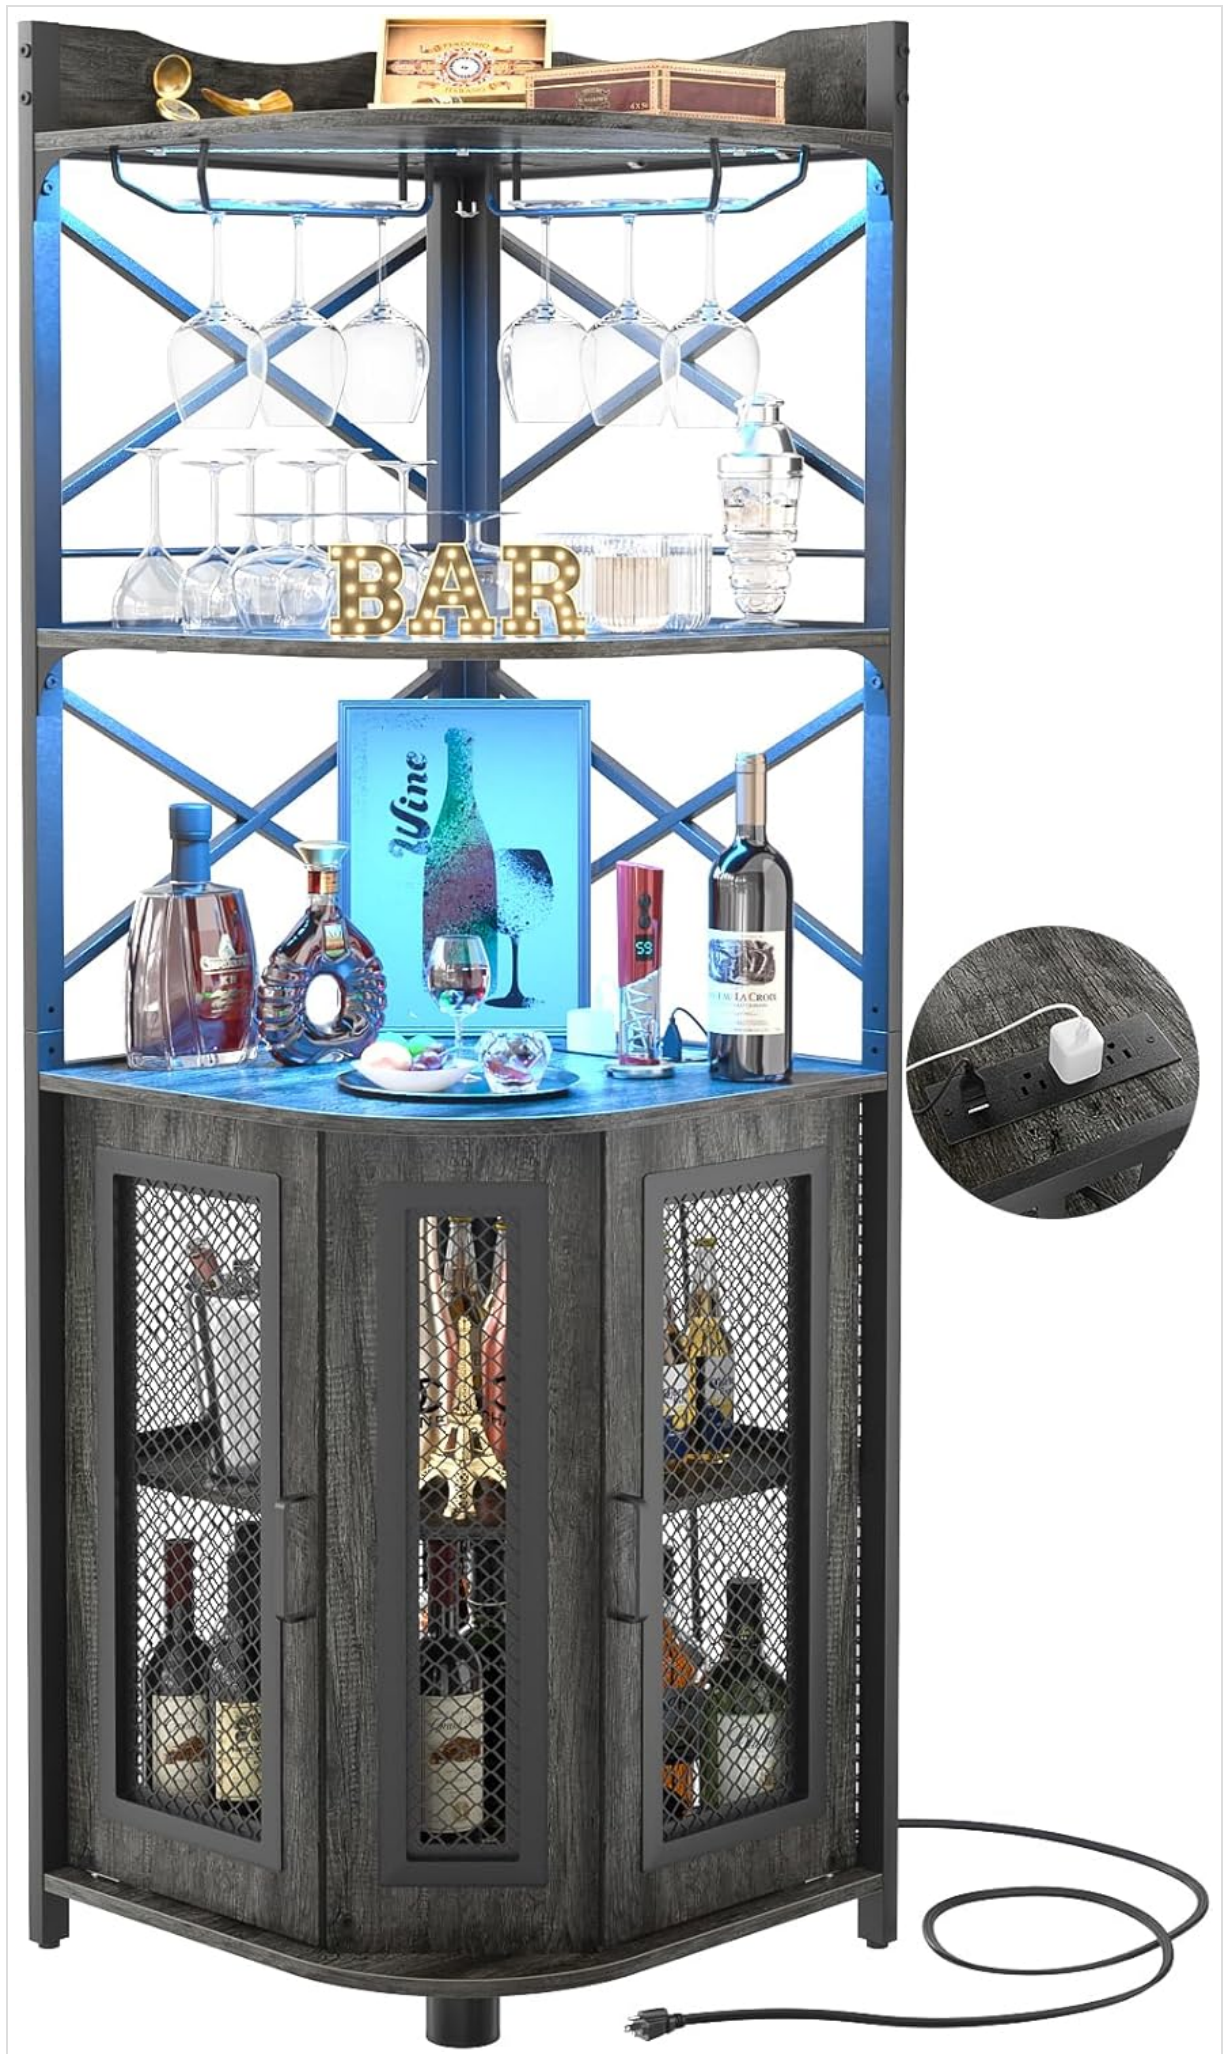

Refer to the diagram for specific measurements of each section and shelf.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended that two adults perform the assembly. Please

ensure all parts are present and undamaged before beginning.

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface to prevent scratches. Compare all parts against the included parts list in your packaging to ensure nothing is missing or damaged.
2. **Assemble Frame:** Begin by assembling the metal frame components according to the step-by-step diagrams in your specific assembly guide. Ensure all screws are tightened securely but do not overtighten.
3. **Attach Shelves:** Install the MDF shelves into the designated slots or attach them to the frame using the provided hardware. Pay attention to the orientation of each shelf, especially those with pre-drilled holes for the power outlet or LED strip.
4. **Install Doors and Glass Holders:** Attach the mesh doors to the bottom cabinet section. Install the hanging wine glass holders to the underside of the appropriate shelf.
5. **Integrate Electrical Components:** Secure the power outlet strip and LED light strip in their designated positions. Route the power cord safely.
6. **Final Adjustments and Safety:** Once fully assembled, place the cabinet in its desired corner. Use the adjustable leg pads at the base to level the cabinet and ensure it is stable. Finally, install the anti-toppling fittings to secure the cabinet to the wall.

5. OPERATING INSTRUCTIONS

5.1 Power Outlet Usage

The cabinet features a built-in power strip for convenient access to electricity.

- **Connecting to Power:** Plug the cabinet's main power cord into a standard 120V AC wall outlet.
- **Using AC Outlets:** The power strip includes 3 standard AC outlets (120V/12A). Plug in small appliances such as coffee makers, juicers, or decorative lights.
- **Using USB Ports:** Two 5V/2A USB ports are available for charging mobile phones, tablets, and other USB-powered devices.

5.2 LED Light Operation

The integrated RGB LED lights offer customizable illumination for your cabinet.

- **Powering On/Off:** The LED lights are controlled via a remote control or a dedicated mobile application. Refer to the separate LED light controller manual for specific pairing and operation instructions.

- **Color Selection:** Choose from over 60,000 colors to match your mood or decor.
- **Lighting Modes:** Select from various flashing modes and dynamic effects.
- **Music Sync Function:** Activate the music sync feature to allow the lights to change color and rhythm in response to ambient sound or music.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

CORNER SPACE SAVER Corner Storage Shelf

The cabinet serving as a versatile corner storage shelf in a living space, illuminated with purple LED lights. This illustrates its adaptability beyond a bar unit, suitable for displaying books and decor.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Aheaplus Corner Bar Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish. For spills, wipe immediately.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Electrical Components:** Ensure the power outlet and LED strip remain dry and free of dust. Do not attempt to clean electrical components with liquids.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Avoid Direct Sunlight/Heat:** Prolonged exposure to direct sunlight or extreme heat sources can cause fading or warping of the wood material.

7. TROUBLESHOOTING

If you encounter issues with your cabinet, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Uneven floor; loose fasteners; anti-toppling fittings not installed.	Adjust leg pads to level the cabinet. Tighten all assembly screws. Install anti-toppling fittings to a wall.
LED lights are not working.	Power cord unplugged; remote control battery dead; LED strip disconnected; faulty LED strip.	Ensure power cord is securely plugged in. Check/replace remote battery. Verify LED strip connection. Contact support if issue persists.
Power outlets/USB ports not working.	Cabinet not plugged in; circuit breaker tripped; faulty power strip.	Ensure cabinet is plugged into a live outlet. Check your home's circuit breaker. If still not working, contact support.
Parts missing or damaged during assembly.	Shipping damage; packaging error.	Do not proceed with assembly. Contact Aheaplus customer support immediately with your purchase details and a description of the issue.

8. SPECIFICATIONS
