YITAHOME 120 Gallon Large Deck Box Instruction Manual

Model: MAYIH0009209MA | Brand: YITAHOME

PRODUCT OVERVIEW

The YITAHOME 120 Gallon Large Deck Box is designed for versatile indoor and outdoor storage. Crafted from durable, weatherproof poly resin rattan, it offers protection against water, UV rays, fading, rusting, peeling, and bending. Its generous capacity makes it ideal for storing garden tools, pool supplies, sporting equipment, and patio cushions. The robust construction also allows it to function as an extra table or a seating bench for up to two adults.

SETUP AND ASSEMBLY

Assembly of the YITAHOME 120 Gallon Deck Box is designed to be straightforward, typically requiring two people and approximately 10 minutes with the included tools. The components are designed to snap together without the need for screws or glue, simplifying the process.

Assembly Tips:

- Review all instructions and diagrams thoroughly before beginning assembly.
- Ensure all parts are present and undamaged.
- Apply firm, even pressure when snapping components together to ensure a secure fit.
- A rubber mallet may be helpful for gently tapping parts into place, if needed.

OPERATING INSTRUCTIONS

Using your YITAHOME Deck Box is simple and convenient:

1. **Opening the Lid:** Gently lift the lid. The hydraulic hinges will assist in a smooth, controlled opening and hold the lid securely in the open position, preventing accidental slamming.
2. **Accessing Storage:** Once the lid is open, arrange or retrieve your items within the spacious 120-gallon interior. Utilize the flexible divider to organize contents as needed.
3. **Closing the Lid:** To close, gently pull the lid downwards. The hydraulic hinges will ensure a soft, controlled descent until the lid is fully closed and latched.
4. **Locking the Box:** For added security, align the lockable latch on the lid with the corresponding point on the box and attach a padlock (not included).
5. **Using as Seating:** The sturdy lid is designed to support up to 440 lbs, allowing it to be used as a bench for two adults. Ensure the lid is fully closed and securely latched before sitting on it.

MAINTENANCE

The YITAHOME Deck Box is designed for low maintenance due to its weatherproof poly resin rattan material. It resists UV damage, fading, rusting, peeling, and bending.

- **Cleaning:** Wipe down the exterior with a damp cloth and mild soap as needed. Avoid abrasive cleaners or harsh chemicals that could damage the material.
- **Seasonal Care:** While designed for all-weather use, occasional cleaning will help maintain its appearance and longevity. Ensure the lid is properly closed during heavy rain or snow to maximize protection for stored items.

TROUBLESHOOTING

While the YITAHOME Deck Box is built for durability, here are some common issues and solutions:

- **Water Inside the Box:** Ensure the lid is fully closed and properly aligned. While highly water-resistant, it is not 100% submersible. Avoid placing the box in areas prone to significant standing water or massive floods.
- **Difficulty Closing/Opening Lid:** Check the hydraulic hinges for any obstructions or damage. Ensure the box is on a level surface, as uneven ground can affect lid alignment.
- **Lid Not Staying Open:** Inspect the hydraulic hinges for proper function. If they appear damaged or worn, contact customer support for replacement parts.
- **Assembly Issues:** If parts are not snapping together easily, ensure correct orientation and apply firm, even pressure. Refer to the assembly instructions for detailed diagrams.
