Armored Core VI Fires of Rubicon - PlayStation 5 Instruction Manual

Brand: Bandai Namco | Model: 13015

Introduction

Armored Core VI Fires of Rubicon is an action game developed by FromSoftware. A mysterious new substance, Coral, was discovered on the remote planet Rubicon 3. Initially expected to advance humanity's technological capabilities, Coral instead caused a catastrophe, engulfing the planet in flames and storms. Decades later, Coral resurfaces, leading to a struggle for control among extraterrestrial corporations and resistance groups. Players assume the role of an independent mercenary, infiltrating Rubicon to engage in this conflict.
