CORELLE BC-4024

Corelle BC-4024 Small Fork User Manual

Model: BC-4024 | Brand: CORELLE

Introduction

This manual provides essential information for the proper use and care of your Corelle BC-4024 Small Fork. Manufactured from durable 18-8 stainless steel with a satin finish, this fork is designed for everyday use and complements the Corelle Coordinates series.

Setup

The Corelle BC-4024 Small Fork requires minimal setup. Upon receiving your new fork, please follow these steps:

1. **Unpacking:** Carefully remove the fork from its packaging.
2. **Initial Cleaning:** Before first use, wash the fork thoroughly with warm soapy water. Rinse completely and dry with a soft cloth to prevent water spots.

Operating Instructions

The Corelle BC-4024 Small Fork is designed for general dining purposes, particularly suitable for desserts, appetizers, or smaller portions. Hold the fork comfortably in your hand and use it to pick up and consume food.

Maintenance and Care

To ensure the longevity and appearance of your Corelle BC-4024 Small Fork, follow these care guidelines:

- **Cleaning:** The fork is dishwasher safe. For best results, place it in the cutlery basket with handles facing down. Avoid harsh abrasive cleaners or scouring pads, which can damage the satin finish.
- **Hand Washing:** If hand washing, use a mild detergent and a soft sponge. Rinse thoroughly and dry immediately to prevent water spots or mineral deposits.
- **Storage:** Store in a dry place to prevent moisture buildup.

Troubleshooting

While the Corelle BC-4024 Small Fork is designed for durability, minor issues can sometimes occur. Here are some common concerns and their solutions:

- **Water Spots:** If water spots appear after washing, this is often due to hard water or improper drying. To prevent, dry the fork immediately after washing with a soft cloth.
- **Minor Scratches:** Over time, stainless steel cutlery may develop minor surface scratches from regular use or contact

with other utensils. These are generally cosmetic and do not affect functionality.

- **Discoloration:** Exposure to certain acidic foods or harsh chemicals can sometimes cause temporary discoloration. Wash promptly after use and avoid prolonged contact with highly acidic substances.
