STUFFSTASH Golf Trunk Organizer

STUFFSTASH Golf Trunk Organizer Instruction Manual

Model: Golf Trunk Organizer

1. PRODUCT OVERVIEW

The STUFFSTASH Golf Trunk Organizer is designed to provide efficient and organized storage for golf essentials within a vehicle. It features a two-tier design, a ventilated shoe compartment, and customizable dividers to accommodate various golf accessories. Constructed with reinforced panels and durable Oxford fabric, it maintains its structure even when fully loaded.

2. SETUP INSTRUCTIONS

The STUFFSTASH Golf Trunk Organizer is designed for quick and straightforward assembly. Follow these steps to prepare your organizer for use:

1. **Unfold the Organizer:** Carefully unfold the main body of the organizer from its collapsed state.
2. **Insert Base Support:** Place the rigid base support panel into the bottom of the upper compartment. This panel ensures the organizer maintains its shape and prevents sagging.
3. **Install Side Supports:** Insert the provided side support panels into the designated slots along the interior walls of the upper compartment. These supports enhance stability and prevent the sides from collapsing.
4. **Configure Dividers:** The upper compartment includes four removable dividers. Attach these dividers using the hook-and-loop fasteners to create customized sections for your golf gear.

Image 2.2: Illustration of the side supports being installed to prevent the organizer from collapsing.

3. OPERATING INSTRUCTIONS

Utilize the various compartments and features of your STUFFSTASH Golf Trunk Organizer to keep your golf gear organized and accessible.

- **Upper Compartment:** Use the adjustable dividers to create sections for golf balls, tees, gloves, rangefinders, towels, and apparel. The mesh pockets on the lid are suitable for smaller items like scorecards, pencils, or divot tools.
- **Ventilated Shoe Compartment:** The lower tier is specifically designed for golf shoes. Place your shoes in this compartment to keep them separate from other gear. The built-in air vents promote circulation, helping to keep footwear dry and reduce odors.
- **External Pockets:** The organizer features outer pouches for quick access to frequently used items such as water bottles, snacks, or a small umbrella.

STRONG AND DURABLE

Top Section Base Ensures no Collapsing when Under Load

Image 3.2: The organizer positioned in a car trunk, demonstrating its compact fit and utility.

4. MAINTENANCE

Proper care will extend the life of your STUFFSTASH Golf Trunk Organizer.

- **Cleaning:** Wipe the exterior and interior surfaces with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners, as these can damage the fabric. Allow the organizer to air dry completely before storing or reusing.
- **Odor Control:** For the shoe compartment, ensure shoes are as clean and dry as possible before placing them inside. The ventilation system helps, but regular cleaning and airing out of the compartment will prevent odor buildup.
- **Storage:** When not in use, the organizer can be collapsed for compact storage. Ensure all contents are removed and the support panels are disengaged before folding. Store in a cool, dry place away from direct sunlight.

5. TROUBLESHOOTING

If you encounter any issues with your organizer, consider the following:

- **Organizer Collapses or Sags:** Ensure all rigid base and side support panels are correctly inserted and fully

engaged. The organizer is designed to be rigid when properly assembled.

- **Zipper Stiffness:** If a zipper feels stiff, apply a small amount of zipper lubricant or wax to the teeth. Avoid forcing the zipper, as this can cause damage.
- **Odor in Shoe Compartment:** If odors persist, thoroughly clean the compartment as described in the Maintenance section. Consider using a deodorizing sachet or baking soda to absorb lingering smells.

6. SPECIFICATIONS

Feature	Detail
Brand	STUFFSTASH
Model	Golf Trunk Organizer
Material	Polyester
Color	Black
Product Dimensions (L x W x H)	16.93" x 12.99" x 8.86"
