Lamshaw LIGE ST2 Smart Watch Screen Protector

Lamshaw 9H Tempered Glass Screen Protector for LIGE ST2 Smart Watch User Manual

INTRODUCTION

This manual provides detailed instructions for the installation, use, and maintenance of your Lamshaw 9H Tempered Glass Screen Protector for the LIGE ST2 Smart Watch. This product is designed to protect your device's screen from scratches, impacts, and daily wear while maintaining optimal touch sensitivity and display clarity. Each package contains three screen protectors for extended use.

PACKAGE CONTENTS

- 3 x Lamshaw 9H Tempered Glass Screen Protectors
- 3 x Wet Wipes
- 3 x Dry Wipes
- 3 x Dust Absorbers
- 1 x Microfiber Cloth

SETUP AND INSTALLATION

Follow these steps carefully to ensure a bubble-free and secure installation of your screen protector.

Screen Protector Installation Guide

1

Clean the Surface With Supplied Wipes and Remove Dust With Dust-Absorber.

2

Peel Back the Protective Layer and Align the Exposed Edge of the Protector With the Edge of the Device.

3

Once Aligned, Slowly Lay the Protector Down and It Will Attach Automatically.

4

Buff the Screen With the Microfiber Cloth and You're Done. Enjoy!

Image: Visual guide illustrating the four steps for applying the screen protector to a smartwatch.

1. **Clean the Surface:** Use the provided wet wipe to thoroughly clean the smartwatch screen. Follow with the dry wipe to remove any moisture. Use the dust absorber sticker to pick up any remaining dust particles. Ensure the screen is completely clean and dry before proceeding.
2. **Peel Back Protective Layer:** Carefully peel back the protective layer from the screen protector, exposing the adhesive side. Avoid touching the adhesive surface to prevent fingerprints or dust.
3. **Align and Apply:** Align the screen protector precisely with the edges of your smartwatch screen. Once aligned, slowly lay the protector down onto the screen. The adhesive will begin to attach automatically.
4. **Buff the Screen:** Use the microfiber cloth to gently buff the screen, pushing out any small bubbles towards the edges. If large bubbles remain, you may gently lift an edge of the protector and re-apply, ensuring no dust is trapped underneath.

FEATURES AND PROTECTION

The Lamshaw 9H Tempered Glass Screen Protector offers multiple layers of protection and enhanced usability for your LIGE ST2 Smart Watch.

Scratch Resistance

Scratch Resistance

9H hardness Tempered Glass

Image: A close-up of a smartwatch with the screen protector applied, showing a metal blade attempting to scratch it, illustrating its 9H hardness scratch resistance.

Constructed from 9H hardness tempered glass, this protector provides superior resistance against scratches from keys, coins, and other sharp objects, safeguarding your smartwatch screen from daily wear and tear.

High Definition Clarity

99% light transmittance, like the original screen

Image: A smartwatch screen displaying a vibrant, high-definition image of an astronaut, emphasizing the 99% light transmittance of the screen protector.

With 99% light transmittance, the protector ensures that your LIGE ST2 Smart Watch's display remains crystal clear and vibrant, preserving the original screen's true colors and brightness without distortion.

Accurate Touch Sensitivity

Accurate Sensitivity

0.2MM thickness keeps the screen responsive to your touch like nothing on it

Image: A finger touching a smartwatch screen, highlighting the accurate and responsive touch sensitivity maintained by the 0.2mm thick screen protector.

The ultra-thin 0.2mm design ensures that the touch-screen accuracy and responsiveness of your LIGE ST2 Smart Watch are completely unaffected, providing a seamless user experience.

Waterproof and Oleophobic Layer

Image: A smartwatch with water droplets beading on its screen, demonstrating the waterproof and oleophobic nano-layer of the screen protector.

Featuring a nano oleophobic layer, the screen protector repels water, oils, and fingerprints, making the screen easy to clean and maintaining its pristine appearance.

MAINTENANCE

To keep your screen protector in optimal condition and ensure maximum clarity:

- Regularly wipe the screen with a clean, soft microfiber cloth to remove dust and smudges.
- For stubborn fingerprints or oils, lightly dampen the microfiber cloth with water or a screen-safe cleaning solution (avoid harsh chemicals).
- Avoid using abrasive materials or sharp objects on the screen protector, as this may compromise its integrity.

TROUBLESHOOTING

Bubbles After Installation

- **Small Bubbles:** Most small bubbles will disappear naturally within 24-48 hours. You can gently push them towards the edge with the microfiber cloth.
- **Large Bubbles/Dust:** If a large bubble persists or you see a dust particle, carefully lift the nearest edge of the screen protector with a fingernail or a thin card. Use a dust absorber sticker to remove the dust, then slowly re-apply the protector.

Misalignment

- If the protector is significantly misaligned, gently lift it from one corner and re-position it. Ensure the screen is clean before re-application.

SPECIFICATIONS

Brand	Lamshaw
Compatible Devices	LIGE ST2 Smart Watch
Material	Tempered Glass
Item Hardness	9H
Screen Size	1.32 Inches
Finish Type	Matte (Note: Product description also mentions Glossy. Please refer to product packaging for exact finish.)
