sajawass BX35 Wireless Earbuds User Manual

Model: BX35 | Brand: sajawass

1. INTRODUCTION

Thank you for choosing the sajawass BX35 Wireless Earbuds. These Bluetooth 5.3 headphones are designed to provide an immersive audio experience with crystal clear highs and powerful bass, thanks to their 13mm vibrating diaphragm and HD rendering technology. Featuring a CVC8.0 noise-cancelling microphone, IPX7 waterproof rating, and a long-lasting battery, the BX35 earbuds are perfect for music, calls, and active lifestyles. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. WHAT'S IN THE Box

- Wireless Charging Case
- Type-C Cable
- Ear Cushions
- S/M/L three pairs of ear caps

3. PRODUCT OVERVIEW

The sajawass BX35 earbuds feature a compact design with an intuitive LED digital display on the charging case for battery status. The earbuds are ergonomically designed for a comfortable and secure fit.

4. SETUP AND PAIRING

The BX35 earbuds utilize advanced Bluetooth 5.3 technology for a fast and stable connection. They support Bluetooth devices across iOS, Android, and Windows operating systems.

One-Step Auto Pairing:

1. Open the charging case and pick up the earbuds. They will automatically enter pairing mode.
2. On your Bluetooth-enabled device (smartphone, tablet, laptop), go to the Bluetooth settings.
3. Select "BX35" from the list of available devices to complete the pairing.
4. Once paired, the earbuds will automatically connect to your device the next time you use them, provided Bluetooth is enabled on your device.

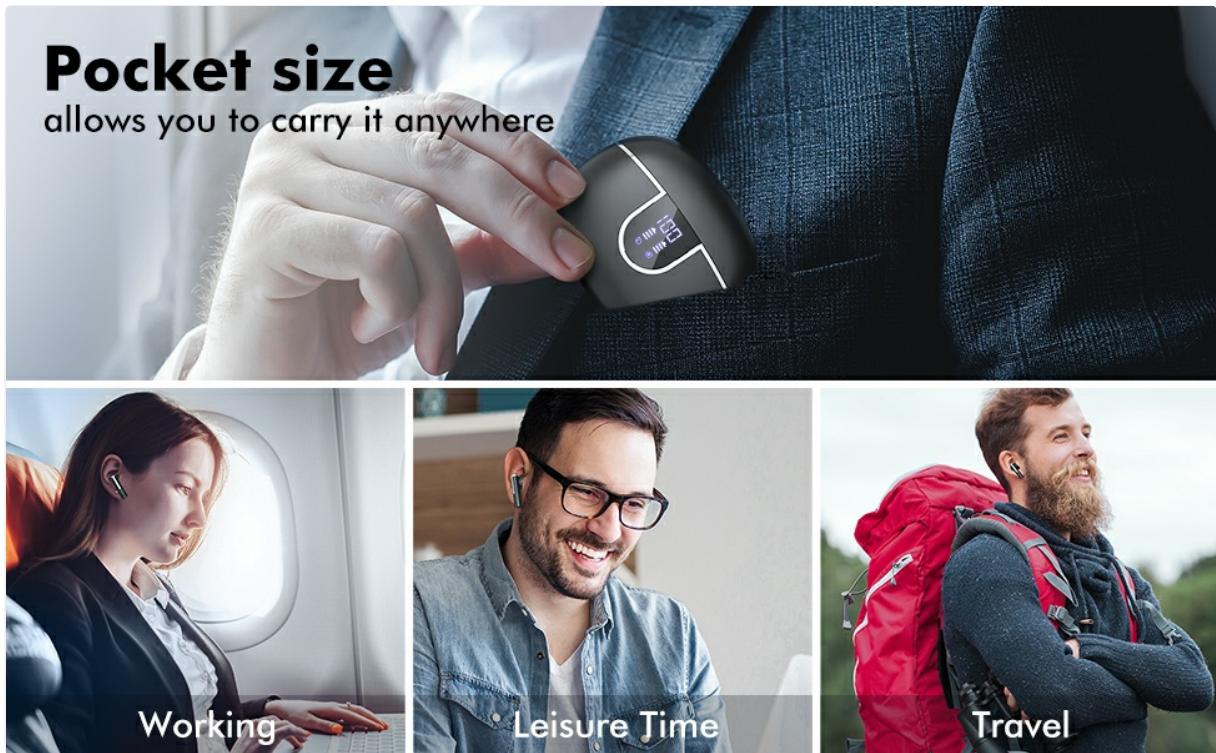

Figure 5.2: Detailed Smart Touch Control Gestures. An expanded view of the touch controls, showing specific tap and long-press actions for various functions.

Calling:

The built-in CVC8.0 noise-cancelling microphone ensures clear call quality, even in noisy environments.

6. CHARGING AND BATTERY LIFE

The BX35 wireless earbuds offer extended playback time with their charging case.

- Up to 5-7 hours of playback time on a single charge.
- An additional 50 hours of playback time with the fully charged charging case.
- The charging case features an LED digital display to show the remaining battery percentage of the case and the individual earbuds.

Charging the Case:

Connect the provided Type-C cable to the charging port on the case and a suitable USB power source. The LED display will indicate charging progress.

Charging the Earbuds:

Place the earbuds back into the charging case. They will automatically begin charging. The LED display will show their charging status.

7. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your earbuds, follow these care instructions:

- **IPX7 Waterproof Rating:** The earbuds are designed with an advanced IPX7 waterproof rating, providing resistance against water splashes and sweat. This makes them suitable for use in various weather conditions and during workouts.
- **Important Note:** The earbuds are *not* supported for use while swimming. Avoid submerging them in water.
- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) or direct sunlight for prolonged periods.

8. TROUBLESHOOTING

If you encounter any issues with your sajawass BX35 earbuds, please try the following common troubleshooting steps:

- **No Sound/Connection Issues:** Ensure both earbuds are charged. Turn off and on your device's Bluetooth, then try re-pairing.
- **Earbuds Not Charging:** Check if the charging cable is securely connected and the charging case has power. Ensure the earbuds are correctly seated in the case.
- **One Earbud Not Working:** Try placing both earbuds back in the case, closing the lid, and then taking them out again to reset the connection.
- **Poor Sound Quality:** Ensure the earbuds are clean and free of debris. Try adjusting the volume on both your device and the earbuds.

If the problem persists after trying these steps, please refer to the Warranty & Support section for further

assistance.
