6. MAINTENANCE AND CARE

To ensure the longevity of your building set, follow these care guidelines:

- **Cleaning:** Wipe pieces with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Handling:** Handle the assembled figure and Poké Ball gently to avoid accidental disassembly or damage.

7. TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, contact customer support.
- **Difficulty Assembling:** Refer to the instruction sheet carefully. Ensure pieces are oriented correctly and sufficient force is applied to snap them together. Do not force pieces if they do not fit, as this may cause

damage.

- **Figure Not Stable:** Ensure all connections are firm. If displaying on the Poké Ball, verify the figure's feet are properly seated on the prongs.
