MAINTENANCE AND CARE

Proper care will extend the life and appearance of your patio furniture.

- **General Cleaning:** Wipe the wicker and frame with a dry cloth to remove dust and debris. For more stubborn dirt, a damp cloth with mild soap and water can be used, followed by thorough drying.

- **Cushion Care:** The cushion covers are detachable for easy maintenance. Follow the care instructions on the cushion labels for washing. Allow cushions to dry completely before re-attaching or storing.
- **Glass Top Care:** Clean the tempered glass top with a glass cleaner and a soft cloth. Avoid abrasive materials that could scratch the surface.
- **Weather Protection:** Although made with all-weather rattan, it is recommended to cover the furniture during harsh weather conditions or prolonged periods of non-use to protect it from elements and extend its lifespan. Store cushions indoors when not in use or during inclement weather.

TROUBLESHOOTING

If you encounter any issues with your patio furniture, refer to the following common solutions:

- **Wobbling Furniture:** Check all screws and bolts to ensure they are securely tightened. Adjust the leveling feet on the bottom of the legs to stabilize the furniture on uneven surfaces.

- **Cushion Discoloration/Mildew:** Ensure cushions are kept dry. If mildew appears, clean with a solution of mild soap and water, or a specialized outdoor fabric cleaner, and allow to air dry completely in sunlight.
- **Rattan Damage:** Minor fraying can sometimes be carefully trimmed. For significant damage, contact customer support for advice.
