Tupperware 10 Piece Set - Classic Multicolor

Tupperware Heritage Collection 10-Piece Food Storage Container Set User Manual

Model: 10 Piece Set - Classic Multicolor

1. PRODUCT OVERVIEW

The Tupperware Heritage Collection 10-Piece Food Storage Container Set combines classic design with modern functionality. This set includes five nesting bowls and five corresponding sunburst lids, designed to preserve freshness and offer efficient storage solutions. Made from durable, BPA-free plastic, these containers are suitable for various food storage needs.

2. SETUP AND UNBOXING

Upon receiving your Tupperware Heritage Collection set, carefully remove all components from the packaging. Inspect each bowl and lid for any signs of damage. Before first use, wash all bowls and lids thoroughly with warm, soapy water or place them in the dishwasher. Ensure they are completely dry before storing or using them for food.

Heritage Bowl Set

Our iconic Heritage Bowls return in a familiar Vintage colorway so you can keep your style as fresh as your food.

3. OPERATING INSTRUCTIONS

3.1 Sealing the Lids

The Tupperware Heritage Collection features the classic sunburst lid design, engineered for an airtight seal to lock in freshness. To properly seal a lid:

1. Place the lid evenly over the rim of the bowl.
2. Press down firmly on the center of the lid with your palm or elbow.
3. Continue pressing until you hear a distinct 'pop' sound, indicating that the air has been expelled and a secure seal has been formed.

3.2 Nesting for Storage

The bowls are designed to nest within each other, allowing for compact and efficient storage when not in use. Simply stack the smaller bowls inside the larger ones to save cabinet space.

4. MAINTENANCE AND CARE

To ensure the longevity of your Tupperware Heritage Collection, follow these care instructions:

- **Dishwasher Safe:** All bowls and lids are dishwasher safe. For best results and to maintain their vibrant colors, place them on the top rack of your dishwasher.
- **Hand Washing:** If hand washing, use warm water and a mild dish soap. Avoid abrasive scrubbers that could scratch the surface.
- **BPA Free:** These containers are made from BPA-free materials, ensuring safe food storage.
- **Not Microwave Safe:** These containers are not designed for microwave use. Transfer food to a microwave-safe container before heating.

5. TROUBLESHOOTING

5.1 Lids are Difficult to Seal

If a lid is difficult to seal or does not form a tight seal, try the following:

- **Warm Water Treatment:** Soak the lid in very hot water for approximately 10 minutes. This can help the plastic become more pliable.

- Immediately after soaking, place the warm lid on the corresponding bowl and press down firmly in the center to create the seal. Allow it to cool on the bowl. This can help reshape the lid for a better fit.
- Ensure the rim of the bowl and the edge of the lid are clean and free from any food debris or moisture, which can interfere with the seal.

6. SPECIFICATIONS

Feature	Detail
Product Name	Tupperware Heritage Collection 10 Piece Food Storage Container Set
Model Number	10 Piece Set - Classic Multicolor
Material	Plastic (BPA Free)
Color	Vintage Colors (Classic Multicolor)
Set Includes	5 Bowls, 5 Lids
