Snailax SL-52A2

Snailax Shiatsu Foot Massager with Heat (Model SL-52A2) - Instruction Manual

1. Introduction

Thank you for choosing the Snailax Shiatsu Foot Massager with Heat, Model SL-52A2. This device is designed to provide deep kneading, compression, and vibration massage with optional heat, aiming to relieve foot discomfort. Please read this manual thoroughly before use to ensure proper operation and safety.

2. Important Safety Information

To reduce the risk of electric shock, burns, fire, or injury, observe the following precautions:

- Use the massager only for the recommended duration.
- Keep the device away from water and do not use it in wet environments.
- Maintain proper body positioning during use.
- Consult a physician before use if you have certain medical conditions, including but not limited to: pregnancy, heart disease, diabetes, or if you have a pacemaker.
- Do not use on swollen, inflamed, or injured areas.
- Unplug the unit from the power outlet when not in use and before cleaning.

3. Product Features

- **Deep Kneading Massage:** Rotating nodes target key pressure points for effective relief.
- **Compression & Vibration Massage:** Improves blood circulation and reduces tension. Intensity is adjustable.
- **Fast Heating Foot Warmer:** Heats up quickly to a maximum of 131°F (55°C), with two heat levels (113°F-131°F / 45°C-55°C).
- **Accommodates Large Feet:** Designed to fit feet up to men's size 13, featuring an open-toe design for comfort.
- **Detachable and Washable Sleeves:** Ensures hygiene and easy maintenance.
- **Automatic Shut-off:** The device automatically turns off after 15 minutes of continuous use for safety.

Image 3.4: A user experiencing air compression massage.

Image 3.5: Detachable and washable sleeves for easy cleaning.

4. Package Contents

- Snailax Shiatsu Foot Massager (Model SL-52A2)
- Power Adapter (AC 100~240V)
- Instruction Manual

5. Setup

1. Unpack the foot massager and ensure all components are present.
2. Place the massager on a flat, stable surface.
3. Ensure the power adapter is securely connected to the massager's power input port.
4. Plug the power adapter into a standard electrical outlet (100~240V).

5. Before placing your feet into the massager, it is recommended to wear socks for hygiene and comfort.

Image 5.1: Wearing socks is recommended for use.

Image 5.2: Correct placement of feet into the massager.

6. Operating Instructions

The control panel is located on the top of the massager. Refer to Image 3.1 for button layout.

- **Power Button:** Press to turn the unit ON/OFF. The device will start with default settings.
- **Knead Button:** Press to cycle through kneading intensity levels (Low, Medium, High).
- **Air Button:** Press to cycle through air compression intensity levels (Low, Medium, High).
- **Vibration Button:** Press to cycle through vibration intensity levels (Low, Medium, High).
- **Heat Button:** Press to toggle between two heat levels (Low, High) or turn heat OFF. The heat function can be used independently or in conjunction with other massage modes.

The massager has a built-in timer that automatically shuts off the device after 15 minutes of operation. To continue use, simply press the power button again.

7. Maintenance

- **Cleaning:** Always unplug the massager before cleaning. Wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners or immerse the unit in water.
- **Washable Sleeves:** The fabric sleeves inside the foot inserts are detachable and washable. Unzip and remove them, then hand wash or machine wash on a gentle cycle with mild detergent. Air dry completely before reattaching.
- **Storage:** Store the massager in a cool, dry place, away from direct sunlight and out of reach of children. Do not place heavy objects on the massager.

8. Troubleshooting

Problem	Possible Cause	Solution
Massager does not turn on.	Power adapter not connected or faulty outlet.	Ensure power adapter is securely plugged into both the massager and a working electrical outlet.
Massage feels too weak or too strong.	Intensity settings are not adjusted to preference.	Adjust Knead, Air, and Vibration intensity levels using their respective buttons.
Heat function is not working.	Heat function is off or set to low.	Press the Heat button to cycle through heat levels (Low, High). Allow a few minutes for the heat to become noticeable.
Device stops unexpectedly.	Automatic 15-minute shut-off engaged.	This is a safety feature. Press the Power button to restart the massage cycle.

9. Specifications

- **Model Number:** SL-52A2
- **Product Dimensions:** 13.6 x 7.36 x 16 inches (34.5 x 18.7 x 40.6 cm)
