Setup and Installation

This refrigerator is designed for freestanding installation. Ensure adequate clearance around the unit for proper ventilation and door opening.

- **Counter Depth Design:** Fits nearly flush with cabinetry for a seamless kitchen aesthetic.
- **Dimensions:** 31.25"D x 35.63"W x 69.88"H.
- **Water Connection:** Connect to a potable water supply for the water dispenser and ice maker.

Operating Instructions

Familiarize yourself with the various features to maximize your refrigerator's performance.

- **Convertible Drawer with Soft Freeze:** This adjustable temperature drawer offers five customized settings: Soft Freeze, Meat, Beverage, Snacks, and Wine, ranging from 23°F to 42°F. Select the appropriate setting based on the contents.
- **LED Lighting:** An LED light wall illuminates the interior, providing bright and uniform light to easily locate items.
- **Hands-Free Autofill:** The dispenser automatically fills your container with filtered water to the desired level, allowing you to multitask.
- **Humidity Control System:** Designed to extend the freshness of leafy green vegetables, helping them last longer.
- **Built-In WiFi:** Connect your refrigerator to the SmartHQ app to receive alerts and enable smart features.
- **Flatbread Freezer Compartment:** A slim, full-width compartment ideal for flat items like pizzas, part of a three-level freezer storage system.
- **In-the-Door Ice Maker:** Produces ice on demand, freeing up valuable interior storage space.
- **Integrated Dispenser with Sensor:** The dispenser blends seamlessly with the refrigerator when not in use and illuminates automatically when approached.
- **Turbo Cool & Freeze:** Accessible via the SmartHQ app, these settings rapidly cool down the refrigerator and freezer compartments.
- **Dual-Evaporators (TwinChill):** Separate climate zones in the fresh food and freezer sections help maintain optimal freshness for different types of food.
- **Enhanced Shabbos Mode:** Compatible with a separately sold Shabbos Keeper, this mode automatically enables Shabbos-compatible functions.

Maintenance

Regular maintenance ensures the longevity and efficiency of your refrigerator.

- **Advanced Water Filtration:** The filtration system removes 98% of certain pharmaceuticals, providing clean and safe drinking water and ice. Replace the filter regularly as indicated by the refrigerator or every six months.
- **Automatic Defrost System:** This refrigerator features an automatic defrost system, eliminating the need for manual defrosting.
- **Cleaning:** Clean interior and exterior surfaces with mild soap and water. Avoid abrasive cleaners.

Troubleshooting

Refer to the following common issues and their potential solutions before contacting service.

Problem	Possible Cause	Solution
Refrigerator not cooling	Power supply issue, temperature setting too high, door left ajar.	Check power connection, adjust temperature, ensure doors are fully closed.
Ice maker not producing ice	Water supply turned off, clogged water filter, ice maker switch off.	Verify water supply, replace water filter, ensure ice maker switch is ON.
Water dispenser not working	Water supply turned off, clogged water filter, dispenser locked.	Verify water supply, replace water filter, check control lock setting.
