

PetSnowy Robertet Fragrance Box

PetSnowy Robertet Fragrance Box for Snow+ Automatic Cat Litter Box

User Manual

1. INTRODUCTION

The PetSnowy Robertet Fragrance Box is an essential accessory designed to integrate seamlessly with your PetSnowy Snow+ Automatic Cat Litter Box. Its primary function is to effectively neutralize and remove unpleasant odors, ensuring a fresh and clean environment for your home and your cat. This manual provides detailed instructions for the proper installation, operation, and maintenance of your fragrance box.

2. PRODUCT OVERVIEW

The PetSnowy Robertet Fragrance Box contains specialized fragrance pads formulated to provide long-lasting odor control. Each fragrance pad is designed to be effective for up to 30 days, ensuring continuous freshness. The system works by releasing a subtle, pleasant scent that counteracts and eliminates litter box odors.

Components:

- Robertet Fragrance Box housing
- Fragrance pads (3 pieces included in this package)

3. SETUP AND INSTALLATION

Follow these steps to correctly install the Robertet Fragrance Box into your PetSnowy Snow+ Automatic Cat Litter Box.

1. **Locate the Fragrance Compartment:** Identify the designated compartment for the fragrance box within your PetSnowy Snow+ Automatic Cat Litter Box. This is typically located on the side or rear of the main unit.
2. **Open the Compartment:** Gently open the cover or access panel of the fragrance compartment.
3. **Insert Fragrance Pad:** Place one PetSnowy Robertet fragrance pad into the fragrance box housing. Ensure it sits securely.
4. **Insert Fragrance Box:** Slide the assembled fragrance box (with the pad inside) into the compartment of the litter box. Ensure it clicks into place or is firmly seated.
5. **Close Compartment:** Close the cover or access panel of the fragrance compartment.

4. OPERATING INSTRUCTIONS

Once installed, the PetSnowy Robertet Fragrance Box operates automatically in conjunction with your Snow+ Automatic Cat Litter Box. No further user intervention is required for its daily function. The fragrance pads will continuously release their odor-neutralizing properties to maintain a fresh environment.

5. MAINTENANCE

For optimal performance and continuous odor control, it is recommended to replace the fragrance pad every 30 days. Regular replacement ensures the effectiveness of the odor neutralization system.

Replacement Procedure:

1. **Open Compartment:** Open the fragrance compartment cover on your PetSnowy Snow+ Automatic Cat Litter Box.
2. **Remove Used Pad:** Carefully remove the old fragrance box and discard the used fragrance pad.
3. **Insert New Pad:** Place a new PetSnowy Robertet fragrance pad into the fragrance box housing.
4. **Reinstall Fragrance Box:** Insert the fragrance box with the new pad back into the compartment.
5. **Close Compartment:** Securely close the compartment cover.

6. TROUBLESHOOTING

Issue: Odor is not effectively reduced.

Possible Causes & Solutions:

- **Fragrance pad is old:** The fragrance pad may have reached the end of its 30-day lifespan. Replace with a new pad.
- **Improper installation:** Ensure the fragrance box and pad are correctly seated in the designated compartment of the litter box. Refer to Section 3: Setup and Installation.
- **Non-authentic product:** Only official PetSnowy fragrance packs guarantee stated duration and performance. Ensure you are using genuine PetSnowy replacement pads.
