reMarkable RM710

reMarkable 2 Type Folio Instruction Manual

Model: RM710 | Brand: reMarkable

INTRODUCTION

The reMarkable 2 Type Folio is a keyboard accessory designed exclusively for the 10.3-inch reMarkable 2 paper tablet. It transforms your reMarkable 2 into a versatile workstation, allowing for comfortable and focused typing while also providing protective coverage. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your Type Folio.

WHAT'S IN THE BOX

- reMarkable 2 Type Folio Keyboard
- Folio Case

SETUP

The reMarkable 2 Type Folio is designed for seamless integration with your reMarkable 2 tablet. No charging or complex setup is required.

1. **Attach the Type Folio:** Align your reMarkable 2 tablet with the magnetic connectors on the Type Folio. The tablet will snap securely into place.

2. **Open and Position:** Open the folio to reveal the keyboard. The reMarkable 2 display will automatically adjust to an upright typing position.

3. **Begin Typing:** The keyboard is immediately ready for use.

OPERATING INSTRUCTIONS

Typing Experience

The Type Folio features a tactile keyboard with 1.3 mm of key travel and full-size letter keys, providing a comfortable typing experience similar to a laptop. The reMarkable's CANVAS display minimizes glare and eye strain.

Tactile, comfortable typing

Type for hours with 1.3 mm of key travel, full-size letter keys, and zero screen glare. A typing experience inspired by paper, wrapped in a paper-thin design.

Image: Detailed view of the Type Folio's tactile keyboard.

Combining Typing and Freehand

You can seamlessly integrate typed text with handwritten notes and sketches. Add comments in the margins, draw between paragraphs, or highlight passages with your Marker while typing. Annotations intelligently anchor to typed text, maintaining their position even when text is moved.

A smarter accessory

When you open the keyboard, the display rotates. Annotations anchor intelligently to typed text. And with no charging or pairing, typing is hassle-free.
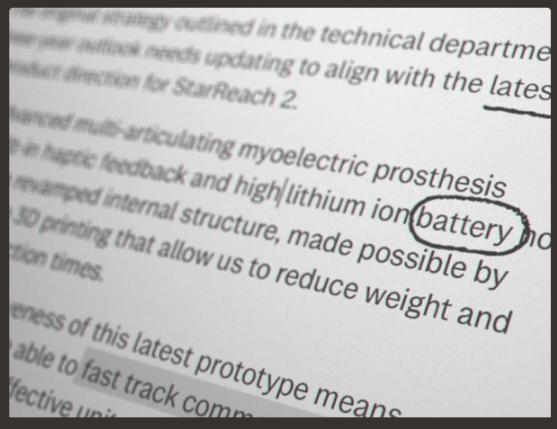

Image: Demonstrating the ability to combine typed text with handwritten annotations.

Adjusting Viewing Angles

The Type Folio offers two fixed typing modes: an upright position for standard typing and a near-flat position ideal for combining handwriting and typed text. For reading or extensive handwriting, the keyboard can be folded away, allowing the folio to open like a book.

Find the right angle

Type upright or combine handwriting and typing in a near-flat setting. Reading or writing freehand? Fold away the keyboard and open it up like a book.

Image: Illustration of the two available typing and viewing angles.

Mobile and Desktop App Integration

Your notes and typed content can be accessed and edited across your smart devices using the reMarkable mobile and desktop applications. This allows you to continue your work seamlessly, regardless of your location or device. A Connect subscription is required for full mobile and desktop note-taking functionality.

Handwriting Conversion

Convert your handwritten notes, whether a full page or just a few lines, into typed text directly on your reMarkable 2. Converted text can be easily sent via email, saved, or moved to other documents.

4
Handwriting conversion

Turn handwritten notes — a whole page or a few lines — into typed text. Pages can be sent as an email or saved, while snippets are added to your clipboard, easy to move or add to with Type Folio.

Image: Options for converting handwritten notes to typed text.

MAINTENANCE

To ensure the longevity and optimal performance of your reMarkable 2 Type Folio, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to gently wipe the exterior of the folio. For the keyboard keys, a slightly damp cloth can be used, ensuring no moisture enters the device. Avoid abrasive cleaners or solvents.
- **Storage:** When not in use, keep the Type Folio closed to protect the keyboard and your reMarkable 2 screen from dust and scratches. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** While durable, avoid dropping the folio or exposing it to excessive force, which could damage the internal components or the magnetic connection.

Sturdy and slim protection

When the keyboard isn't in use, it neatly tucks away, keeping the keys clean and leaving a stylish cover to protect your device.

0.52 in / 13.2 mm

TROUBLESHOOTING

If you encounter issues with your reMarkable 2 Type Folio, consider the following common solutions:

- **Keyboard Not Responding:** Ensure your reMarkable 2 is securely attached to the Type Folio. The connection is magnetic and does not require Bluetooth pairing or charging. Detach and reattach the tablet to reset the connection.
- **Tablet Not Sitting Properly:** Check for any debris or obstructions on the magnetic connection points of both the tablet and the folio. Clean if necessary.
- **Unexpected Behavior:** If the reMarkable 2 or Type Folio behaves unexpectedly, try restarting your reMarkable 2

tablet.

- **Compatibility:** Confirm that your tablet is a 10.3-inch reMarkable 2. The Type Folio is not compatible with the 11.8-inch reMarkable Paper Pro.

For persistent issues, refer to the official reMarkable support resources.

SPECIFICATIONS

Feature	Detail
Product Dimensions	9.69 x 7.76 x 0.51 inches
Item Weight	16 ounces
Manufacturer	reMarkable
ASIN	B0BXPQB5CS
