Besia RC902N FMR1

Besia RC902N FMR1 Remote Control User Manual

Model: RC902N FMR1

Brand: Besia

INTRODUCTION

This manual provides instructions for the Besia RC902N FMR1 Infrared (IR) Remote Control, designed for use with various TCL Google Smart TVs and TCL Android Smart TVs. This remote offers a straightforward and reliable solution for controlling your television without the need for complex setup procedures. It is important to note that this IR remote does not include voice control functionality.

SETUP

The Besia RC902N FMR1 remote control is designed for immediate use with compatible TCL televisions. No programming or pairing is required.

1. **Insert Batteries:** Open the battery compartment on the back of the remote control. Insert two AAA batteries, ensuring correct polarity (+ and -). Close the battery compartment securely.
2. **Point and Use:** Point the remote control directly at your TCL Google Smart TV or TCL Android Smart TV. The remote will function instantly.

PRODUCT SIZE

OPERATING INSTRUCTIONS

The remote features a user-friendly layout with dedicated buttons for common functions and popular streaming services.

- **Power Button:** Located at the top right, press to turn the TV on or off.
- **Navigation Pad (Circular):** Use the directional arrows to navigate menus and content. The central 'OK' button confirms selections.
- **Volume Control:** Buttons on the side of the remote allow for adjusting volume up or down, and muting the sound.
- **Home Button:** Returns you to the main smart TV interface.
- **Back Button:** Navigates back through menus or previous screens.
- **App Shortcut Buttons:** Dedicated buttons for Netflix, YouTube, TCL Channel, and Prime Video provide quick access to these streaming platforms.

COMPATIBILITY

This Besia RC902N FMR1 Infrared (IR) Remote Control is compatible with various TCL Google Smart TV and TCL Android Smart TV models. It functions as a direct replacement for the original remote for the following popular models:

- 75R646, 65R646, 55R646
- 75S546, 65S546, 55S546, 50S546
- 43S446, 50S446, 55S446, 65S446, 75S446, 85S446

Please note that this is an IR remote and does not support voice control or Bluetooth connectivity, which may be present in some original TCL remotes.

Video: This video explains the difference between IR and Bluetooth remotes, clarifying the functionality of the Besia RC902N FMR1 as an IR remote without voice function.

MAINTENANCE

To ensure the longevity and optimal performance of your remote control, follow these maintenance guidelines:

- **Battery Replacement:** Replace batteries when the remote's responsiveness decreases. Always use new AAA batteries and dispose of old batteries responsibly.
- **Cleaning:** Wipe the remote with a soft, dry cloth. Avoid using liquid cleaners or abrasive materials, as these can damage the surface or internal components.
- **Storage:** Store the remote in a dry place away from direct sunlight, extreme temperatures, and moisture.
- **Avoid Drops:** Protect the remote from drops and impacts, which can cause internal damage.

TROUBLESHOOTING

If you encounter issues with your Besia RC902N FMR1 remote control, try the following steps:

- **Remote Not Responding:**
 - Ensure fresh batteries are correctly installed.
 - Check for any obstructions between the remote and the TV's IR receiver.
 - Confirm you are pointing the remote directly at the TV.
- **Buttons Not Working:**
 - Clean the remote's surface and buttons to remove any debris.
 - If specific buttons are unresponsive, the remote may be damaged and require replacement.
- **Lag or Delayed Response:**
 - Replace batteries with new ones.
 - Ensure no other devices are interfering with the IR signal.
