BePuzzled 31226

BePuzzled Squirrel Original 3D Crystal Puzzle Instruction Manual

Model: 31226

INTRODUCTION

Welcome to the BePuzzled Squirrel Original 3D Crystal Puzzle. This manual provides essential information for assembling and maintaining your 3D crystal puzzle. Designed for ages 12 and up, this puzzle offers a unique challenge by transforming interlocking, translucent pieces into a decorative squirrel figure.

WHAT'S IN THE BOX

- 1 Crystal Puzzle (consisting of 55 interlocking pieces)

SETUP AND ASSEMBLY

The BePuzzled 3D Crystal Puzzles are designed to be a challenging assembly experience. While explicit step-by-step instructions may not be included in the box, the puzzle pieces are engineered to interlock in a specific sequence.

1. **Unpack Components:** Carefully remove all puzzle pieces from the packaging. It is recommended to lay them out on a flat, clean surface.
2. **Identify Pieces:** Examine the unique shapes and contours of each translucent piece. Some pieces may appear similar, requiring careful observation.
3. **Begin Assembly:** Start by identifying a base or core structure. The puzzle is designed to be built layer by layer or

section by section.

4. **Interlock Pieces:** Gently fit the pieces together. They should interlock smoothly without excessive force. If a piece does not fit, do not force it, as this may damage the piece. Re-examine the piece and its potential connections.
5. **Utilize Online Resources:** If you encounter difficulty, BePuzzled provides online step-by-step solutions and tutorials. Refer to the packaging for the official website or search for "BePuzzled Squirrel 3D Crystal Puzzle solutions" online.

OPERATING (DISPLAY)

Once assembled, your BePuzzled Squirrel 3D Crystal Puzzle is intended for display. Its translucent design allows light to pass through, creating an attractive visual effect.

- Place the completed puzzle on a stable, flat surface.
- Consider placing it in an area where it can catch natural or artificial light to enhance its crystalline appearance.
- Avoid placing it in direct sunlight for prolonged periods to prevent potential material degradation over many years.

MAINTENANCE

To keep your 3D Crystal Puzzle looking its best, follow these simple maintenance guidelines:

- **Cleaning:** Dust the puzzle regularly with a soft, dry cloth. For more thorough cleaning, gently wipe with a slightly damp cloth and then dry immediately with a soft, lint-free cloth. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss or damage.
- **Handling:** Handle the puzzle by its base or larger sections to avoid putting stress on individual interlocking points.

TROUBLESHOOTING

Encountering difficulties during assembly is part of the challenge with 3D Crystal Puzzles.

- **Pieces Not Fitting:** Double-check the orientation and position of the pieces. Many pieces are designed to fit in only one specific way. Refer to the puzzle's visual guide on the packaging or online solutions.
- **Puzzle Instability:** Ensure all pieces are fully interlocked. A loose connection can affect the overall stability of the completed model.
- **Missing Pieces:** If you believe a piece is genuinely missing, contact BePuzzled customer support for assistance.
- **Online Solutions:** For detailed visual guidance, visit the official BePuzzled website or search for specific assembly videos for Model 31226.

SPECIFICATIONS

Product Name	BePuzzled Squirrel Original 3D Crystal Puzzle
Model Number	31226
Brand	BePuzzled (University Games)
ASIN	B0BXQP44CW
Product Dimensions	5.75 x 3.75 x 0.1 inches
Item Weight	4.8 ounces
Recommended Age	12 years and up
Number of Pieces	55
