## 2. SAFETY INFORMATION

---

- **Age Recommendation:** This toy is suitable for children aged 5 years and older.
- **Small Parts Warning:** The set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play for younger children within the recommended age range.
- **Material Safety:** All construction blocks are made from high-quality, non-toxic ABS plastic, free from BPA, and meet safety testing standards.
- **Proper Use:** Do not throw or misuse the assembled toy. Ensure all connections are secure to prevent parts from detaching during play.

### 3. PACKAGE CONTENTS

---

The W WISE BLOCK Buildable Rocket Base Construction Toy package includes:

- 728 individual building pieces.
- Detailed instruction manual for assembly (this document provides general guidance; refer to the included pictorial guide for step-by-step building).

Please verify that all pieces are present before beginning assembly. If any pieces are missing or damaged, please contact customer support.

### 4. ASSEMBLY INSTRUCTIONS (SETUP)

---

Assembly of the W WISE BLOCK Rocket Base Construction Toy requires careful attention to the included pictorial instruction booklet. The set allows for the construction of a mobile rocket launcher truck and a separate command tower.

1. **Preparation:** Unpack all pieces and organize them by color or shape as suggested in the pictorial guide. This will simplify the building process.
2. **Follow the Guide:** Refer to the step-by-step pictorial instruction booklet provided with the product. Each step illustrates the pieces required and their placement.
3. **Secure Connections:** Ensure each block is firmly connected to the next. A secure connection prevents the model from falling apart during play.
4. **Component Assembly:** The set is typically divided into sub-assemblies, such as the truck chassis, cabin, rocket launcher, and the command tower. Complete each sub-assembly before combining them.

## 5. OPERATING INSTRUCTIONS

---

Once assembled, the W WISE BLOCK Rocket Base Construction Toy offers interactive play features:

- **Mobile Rocket Launcher Truck:** The truck features rolling wheels for movement. The rocket launcher mechanism can be raised and lowered, and the stabilizer legs can be extended for a stable launch platform.
- **Command Tower:** The radar dish on top of the tower can be rotated manually. The tower includes a small control console for imaginative play scenarios.
- **Minifigures:** Position the included minifigures in the truck cabin or within the command tower to enhance play.

## 6. MAINTENANCE

---

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight to prevent material degradation and color fading. Keep all pieces together to avoid loss.
- **Inspection:** Periodically inspect the toy for any loose or damaged parts. Replace or repair as necessary to maintain safety and functionality.

## 7. TROUBLESHOOTING

---

- **Missing Pieces:** If you discover missing pieces during assembly, please contact W WISE BLOCK customer support with details of the missing parts.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply firm, even pressure. If a block is consistently difficult to connect, check for any deformities.
- **Model Instability:** If the assembled model is unstable, re-check the connections of the base and critical structural components according to the instruction booklet.
