## Britzgo BHA-1301

# Britzgo Digital Hearing Amplifier BHA-1301 Instruction Manual

Model: BHA-1301

### Introduction

This manual provides detailed instructions for the proper use, setup, operation, and maintenance of your Britzgo Digital Hearing Amplifier BHA-1301. Designed for comfort and clarity, this device aims to enhance your listening experience in various environments. Please read this manual thoroughly before using your hearing amplifier to ensure optimal performance and longevity.

### Product Overview

The Britzgo BHA-1301 Digital Hearing Amplifier is engineered for comfort and effective sound amplification. It features a lightweight design, long-lasting battery, and adjustable sound modes.

**Figure 1:** Components of the Britzgo BHA-1301 Digital Hearing Amplifier. Key parts include the microphone, volume control, mode switch, power switch, charging port, earphone, and earplug.

## Key Features:

- **TPE Ear Hooks:** Soft, skin-friendly TPE material for comfortable, snug fit, suitable for extended wear.
- **Ultra-Light Design:** Weighs only 6 grams, making it almost unnoticeable during daily activities.
- **Fast Charging:** 2-hour charge via Type-C provides up to 40 hours of continuous use.

- **Two Sound Modes:** "Soft Mode" for quiet environments and "Bright Mode" for noisy outdoor settings.
- **Easy Operation:** Simple knob volume control (70-90dB) for straightforward adjustment.

## Setup Instructions

Follow these steps to properly set up and wear your Britzgo BHA-1301 hearing amplifier.

**Figure 2:** Step-by-step guide for wearing the hearing amplifier.

1. **Select Ear Tip:** Choose the appropriate ear tip size (XL, S, M, L) that fits comfortably and snugly in your ear canal. Attach it to the earphone.
2. **Adjust Angle:** Rotate the connector to adjust the angle of the earphone for a comfortable fit behind your ear.
3. **Power On:** Turn the power switch to the **ON** position. Before first use, ensure the volume is set to the lowest level.
4. **Position Device:** Adjust the position of the earbud by inserting it into your ear canal. Ensure the ear tip and ear canal are firmly connected to prevent feedback.
5. **Adjust Volume:** Slowly move the volume control to adjust to your desired listening level.
6. **Power Off:** When not in use, turn the power switch to **OFF** to conserve battery and prevent damage.

## Operating Instructions

### Volume Control:

The Britzgo BHA-1301 features a free knob volume control. To adjust the volume:

- **Increase Volume:** Slide the wheel upward.
- **Decrease Volume:** Slide the wheel downward.

Adjust the volume gradually to find your comfortable listening level (70-90dB).

### Sound Modes:

The device offers two distinct sound modes to adapt to different listening environments:

- **Soft Mode (L):** Provides gentle sound amplification, ideal for quiet environments like home conversations.
- **Bright Mode (M):** Delivers clear sound, suitable for noisy outdoor places such as markets or streets.

To switch between modes, press the **Mode Switch (M)** button located on the device.

## Charging Instructions

Your Britzgo BHA-1301 hearing amplifier is equipped with a rechargeable battery for convenience.

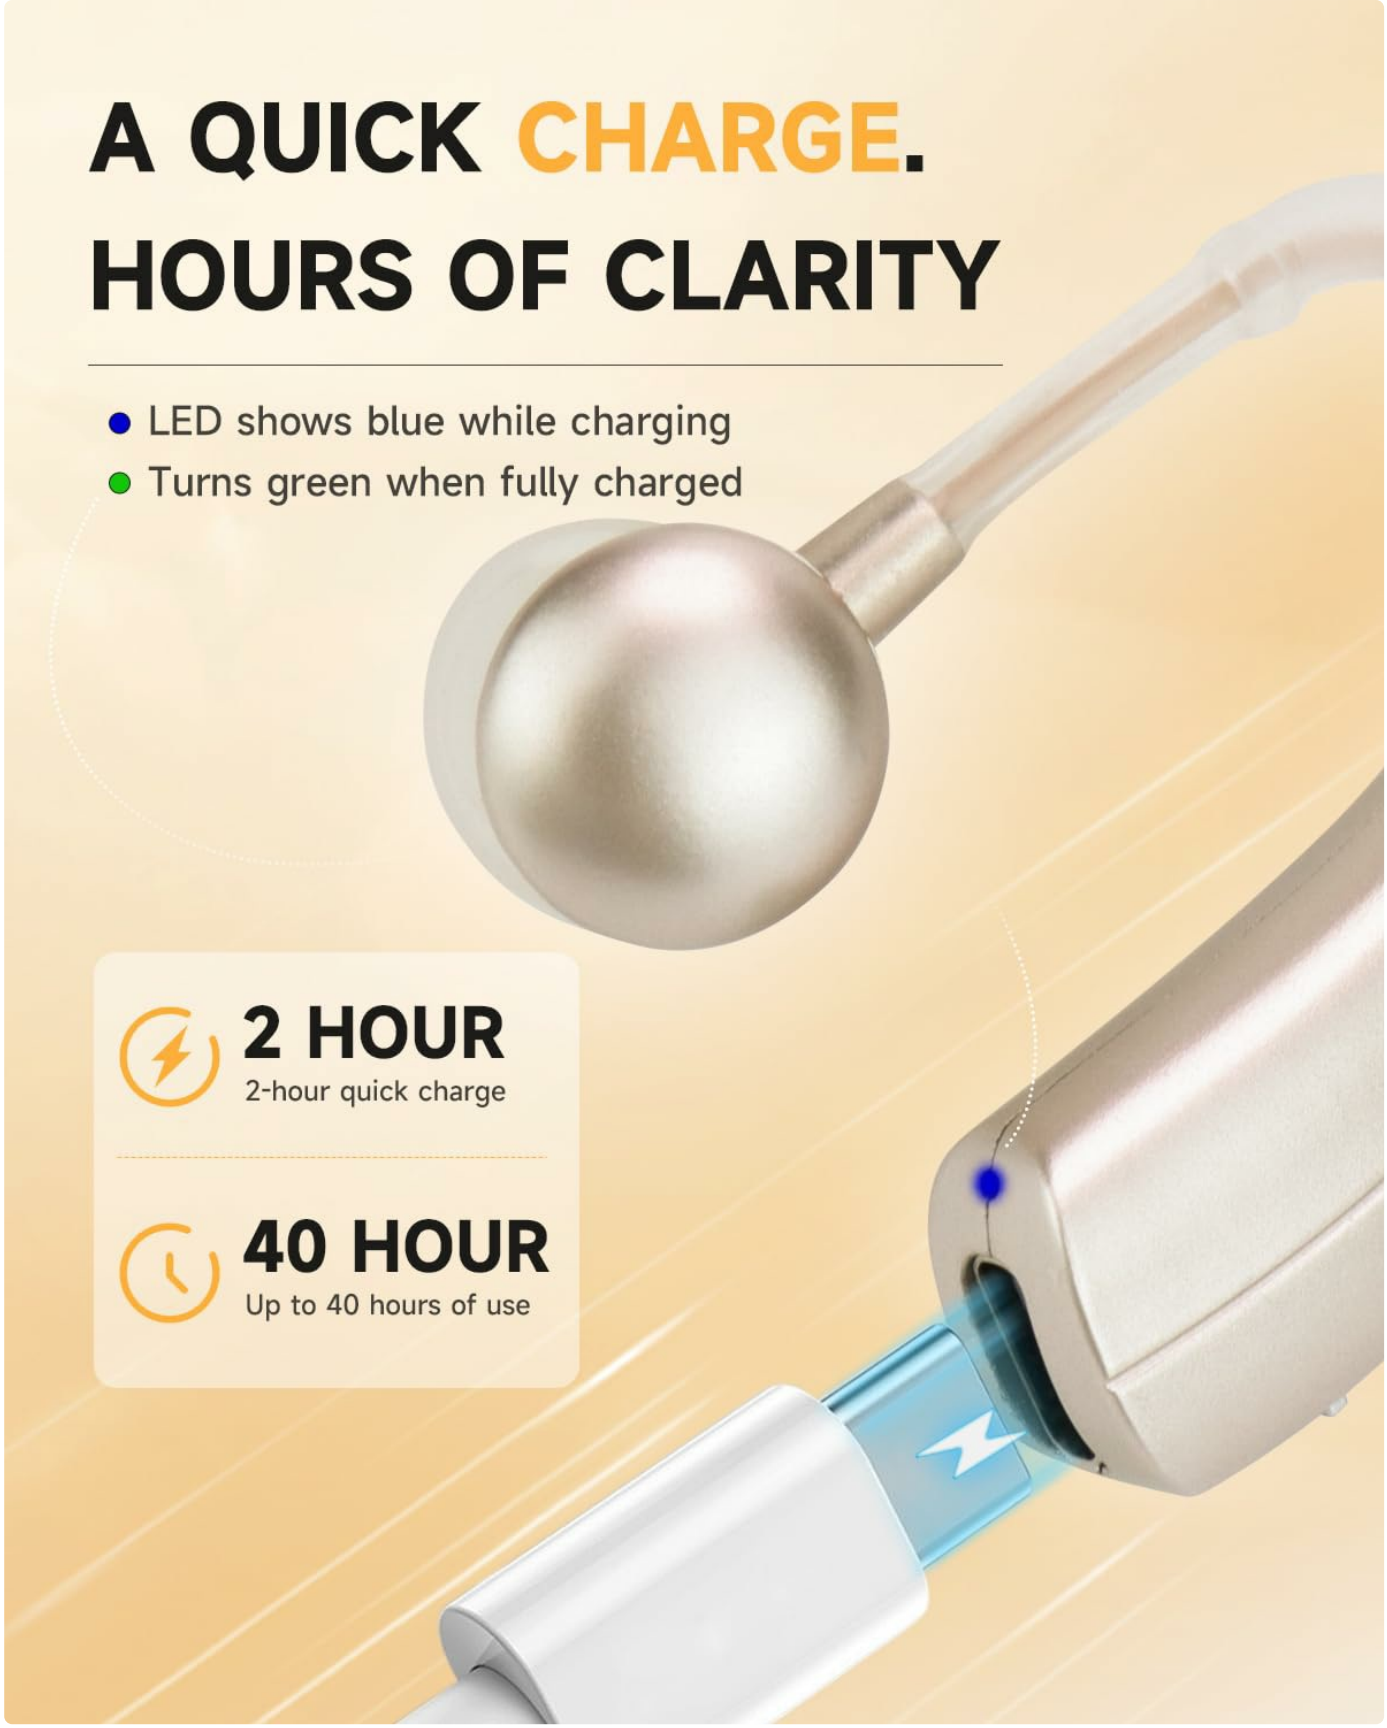

**Figure 3:** Charging the Britzgo BHA-1301 hearing amplifier.

- **Charging Port:** Use the provided Type-C cable to connect the hearing amplifier to a compatible power source (e.g., phone charger, computer USB port).
- **Charging Indicator:** The LED light on the device will show **blue** while charging. It will turn **green** when the battery is fully charged.
- **Charging Time:** A full charge takes approximately 2 hours.
- **Battery Life:** A full charge provides up to 40 hours of continuous use.

## Maintenance and Care

Proper maintenance ensures the longevity and optimal performance of your hearing amplifier.

- **Cleaning Ear Tips:** Regularly clean or replace ear tips to prevent accumulation of dirt or earwax, which can affect sound quality and cause feedback. Use the provided cleaning brush.
- **Device Cleaning:** Wipe the main body of the amplifier with a soft, dry cloth. Do not use liquids or harsh chemicals.
- **Storage:** Store the device in its case when not in use, in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Moisture:** Keep the hearing amplifier away from water and excessive humidity.

## Troubleshooting

If you experience issues with your hearing amplifier, refer to the common problems and solutions below.

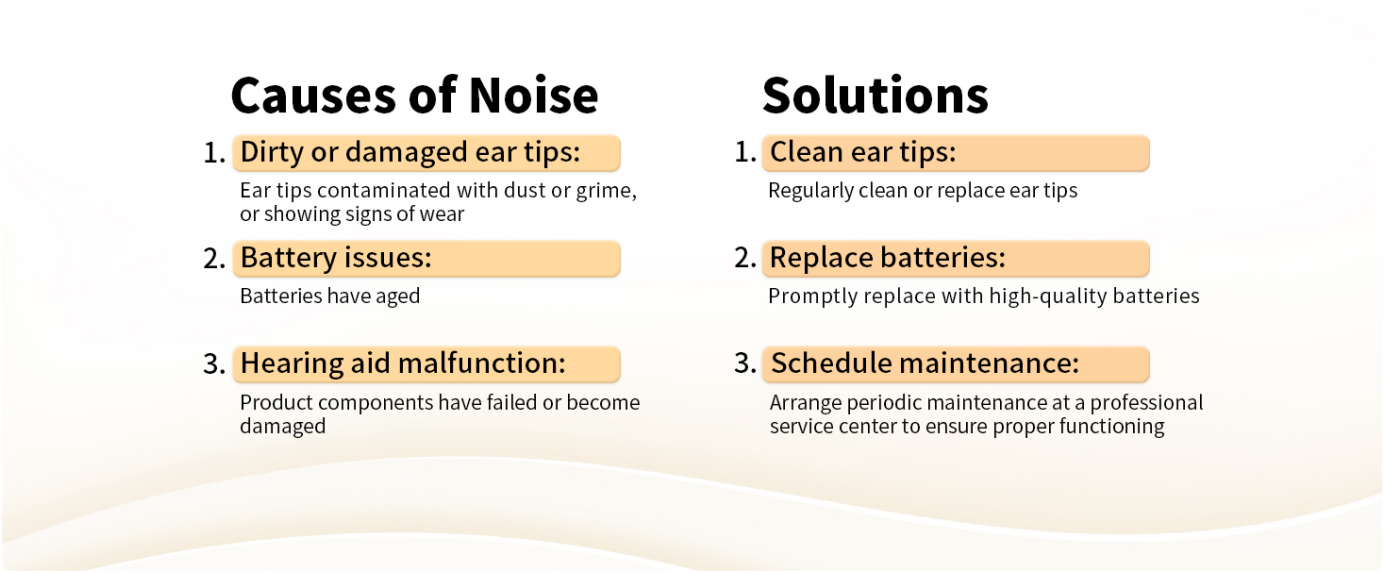

**Figure 4:** Common troubleshooting steps for hearing amplifier noise.

| Problem | Possible Cause | Solution |
|---|---|---|
| Whistling or Feedback Noise | Improperly fitted ear tip, ear tip too small, or earwax buildup. | Ensure ear tip is correctly inserted and fits snugly. Try a larger ear tip. Clean ear tips regularly. |
| No Sound or Low Sound | Device is off, low battery, volume too low, or blocked ear tip. | Turn on the device. Recharge the battery. Increase volume. Clean ear tip. |
| Distorted Sound | Ear tip blockage, moisture, or device malfunction. | Clean ear tip. Ensure device is dry. If problem persists, contact support. |
| Short Battery Life | Battery not fully charged, or aging battery. | Ensure full 2-hour charge. If battery life significantly degrades, consider replacement if applicable or contact support. |

## Specifications

| Feature | Detail |
|---|---|
| Brand | Britzgo |
| Model Number | 1301 |
| Color | 1301-Silver |

| Feature | Detail |
| --- | --- |
| Material | Plastic |
| Fit Type | Behind-the-Ear |
| Power Source | Battery Powered (Rechargeable) |
| Battery Type | Lithium Ion (included) |
| Charging Time | Approx. 2 hours |
| Operating Time | Up to 40 hours |
| Control Type | Button Control (Mode), Knob Control (Volume) |
| Item Weight | 0.35 Pounds (approx. 6 grams per unit) |
| Recommended Use | Assisting individuals with hearing difficulties in various listening scenarios |

## What's in the Box

Upon opening your Britzgo Digital Hearing Amplifier package, you should find the following items:

**Figure 5:** Contents of the Britzgo BHA-1301 package.

- Britzgo Digital Hearing Amplifier (x2)
