IMPORTANT SAFETY INSTRUCTIONS

To ensure safe operation, always follow these basic safety precautions:

- Read all instructions before using the appliance.
- Do not immerse the motor unit in water or other liquids.
- Keep hands, hair, clothing, as well as spatulas and other utensils away from moving blades during operation to prevent injury and/or damage to the appliance.
- Blades are sharp. Handle with care.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.

- This appliance is not intended for use by children.

PRODUCT FEATURES

The Wancle Handheld Immersion Blender is designed for versatility and ease of use in your kitchen:

- **Powerful 500W Motor with Turbo Function:** Provides robust power for all blending needs, with a Turbo function for tough ingredients.
- **Sharp Stainless Steel Blades:** Equipped with durable 304 stainless steel blades for efficient blending of various foods.
- **Comfortable and Elegant Design:** Ergonomic design for easy handling and a sleek appearance.
- **Durable and High-Quality Construction:** Features a high-quality copper motor and sturdy stainless steel components for long-lasting performance.
- **Detachable Components for Easy Cleaning:** Blending head and leg separate with a simple twist for convenient cleaning.

SETUP

Before first use, ensure all packaging materials are removed and components are clean.

1. Align the blending leg with the motor body.
2. Twist the blending leg clockwise until it locks securely into place.
3. Ensure the appliance is unplugged before attaching or detaching any parts.

Durable and Good Quality

high-quality pure copper motor and extremely durable stainless steel make sure long service life

OPERATING INSTRUCTIONS

Your Wancle Immersion Blender is designed for various blending tasks. Always ensure the appliance is properly assembled and plugged into a suitable power outlet before use.

Basic Blending

1. Place ingredients in a tall container or pot.
2. Immerse the blending head into the ingredients.
3. Press the power button to start blending. For tougher ingredients, press the 'Turbo' button for maximum power.
4. Move the blender up and down gently to ensure even blending.
5. Release the button to stop.

Recommended Uses

- **Smoothies:** Blend fruits, vegetables, and liquids directly in a tall glass or the provided beaker.

- **Soups:** Puree hot soups directly in the pot for a smooth consistency.
- **Sauces & Dressings:** Easily emulsify ingredients for creamy sauces and dressings.
- **Baby Food:** Prepare fresh, homemade baby food by blending cooked ingredients.

MAINTENANCE AND CLEANING

Proper cleaning and maintenance will extend the life of your Wancle Immersion Blender.

1. Always unplug the appliance before cleaning.
2. Detach the blending leg from the motor body by twisting counter-clockwise.
3. The detachable stainless steel blending attachments can be washed in the dishwasher or by hand with warm, soapy water.
4. The motor body should not be washed in the dishwasher. Wipe it clean with a damp cloth.
5. Ensure all parts are thoroughly dry before reassembling or storing.

TROUBLESHOOTING

If you encounter any issues with your Wancle Immersion Blender, please refer to the following common problems and solutions:

- **Appliance does not turn on:** Ensure the power cord is securely plugged into a working electrical outlet. Check if the power button is fully pressed.
- **Blender is not blending effectively:** Ensure the blending head is fully immersed in the ingredients. Check if the ingredients are too large or too dense; cut them into smaller pieces or add more liquid.
- **Motor sounds strained:** Do not overload the blender. Reduce the amount of ingredients or add more liquid. Use the Turbo mode for tougher tasks.
- **Attachments are difficult to attach/detach:** Ensure the motor unit is aligned correctly with the attachment. Apply a gentle twist until it clicks into place or releases.

If problems persist, please contact customer support.
