Composad SYSTEMA 2-Door Sliding Wardrobe with Mirror Doors - Instruction Manual

Model: AR8994K62204

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Composad SYSTEMA 2-Door Sliding Wardrobe with Mirror Doors. Please read all instructions carefully before beginning assembly or use to ensure proper function and safety. Keep this manual for future reference.

SAFETY INFORMATION

- The product does not contain dangerous materials, components, substances, or preparations beyond the limits allowed by current law, which could harm the user or the environment.
- To ensure user safety, assembly must be carried out professionally by a competent person, using the appropriate instructions.
- Where required, fix the furniture to the wall, provided the wall is capable of supporting such a load. Wall fixing plugs are not included in the package.
- Keep plastic bags and their contents out of reach of children. There is a danger of suffocation and ingestion of small plastic and metal parts.
- Distribute the load evenly inside the furniture, and do not exceed the indicated load limit.
- Avoid improper or foreseeably incorrect uses compared to the purpose for which the furniture is designed and manufactured.

COMPONENTS INCLUDED

The product package typically includes the following components:

- Furniture panels (engineered wood)
- Hardware (screws, dowels, connectors, sliding door mechanisms, hanging rails)

- Assembly instructions (detailed diagrams and steps)

SETUP AND ASSEMBLY

Assembly of the Composad SYSTEMA wardrobe is required. Detailed assembly instructions with diagrams are included in the packaging. Please follow these instructions carefully.

1. **Unpack Components:** Carefully unpack all parts and check against the included parts list to ensure everything is present and undamaged.
2. **Prepare Workspace:** Assemble the wardrobe on a clean, flat, and soft surface to prevent scratches.
3. **Follow Step-by-Step Instructions:** Refer to the provided assembly manual for detailed, illustrated steps. Pay close attention to the orientation of panels and the correct hardware for each step.
4. **Install Sliding Door Mechanism:** Ensure the metal guides for the sliding doors are securely installed and aligned for smooth operation.
5. **Wall Fixing (Recommended):** For safety and stability, it is highly recommended to fix the wardrobe to a sturdy wall using appropriate wall anchors (not included). Consult a professional if unsure about suitable wall fixings for your wall type.

OPERATING INSTRUCTIONS

The Composad SYSTEMA wardrobe features two sliding doors, one of which includes a mirror panel.

- **Opening/Closing Doors:** Gently slide the doors along their tracks. Avoid forcing the doors, as this can damage the mechanism. The doors are designed to glide smoothly.
- **Accessing Compartments:** The sliding design allows access to one compartment at a time. Position the doors to reveal the desired section.
- **Loading the Wardrobe:** Distribute clothing and other items evenly across shelves and hanging rails. Do not overload shelves or hanging rails beyond their capacity to prevent damage or instability.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your wardrobe.

- **Cleaning Surfaces:** Wipe all wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish. Dry immediately with a clean cloth.
- **Cleaning Mirror Doors:** Use a standard glass cleaner and a soft, lint-free cloth for the mirror surfaces. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.
- **Sliding Mechanism:** Periodically check the sliding door tracks for dust or debris. Clean with a soft brush or vacuum cleaner. Do not apply lubricants unless specifically recommended by the manufacturer.
- **Hardware Check:** Occasionally check all screws and fittings to ensure they are tight. Retighten if necessary, but do not overtighten.
- **Environmental Conditions:** Position the wardrobe in a cool, dry place. Avoid direct contact with liquids or heat sources.

TROUBLESHOOTING

If you encounter any issues with your Composad SYSTEMA wardrobe, refer to the following common solutions:

- **Doors not sliding smoothly:** Check the tracks for obstructions (dust, debris) and clean them. Ensure the wardrobe is level on the floor. Verify that all sliding mechanism hardware is securely fastened.
- **Wobbly or unstable wardrobe:** Ensure all assembly screws are tightened. If wall-mounted, check the wall fixings. Ensure the wardrobe is placed on a flat, even surface.
- **Damaged or missing parts:** If any parts are damaged during shipping or missing from the package, contact Composad customer support immediately for assistance.

SPECIFICATIONS

Feature	Detail
Brand	Composad
Model Number	AR8994K62204
Set Name	SYSTEMA
Color	White
Material	Engineered Wood
Dimensions (WxHxD)	150 x 223 x 67 cm

Item Weight	151.5 Kilograms
Number of Doors	2
Number of Shelves	2
