- **One-button Mute:** Quickly mute or unmute your microphone during calls.
- **Volume Up/Down:** Adjust the audio volume directly from the headset.
- **Voice Assistant Activation:** In standby mode, press the Multi-Function Button (MFB) to activate your device's voice assistant for hands-free commands.

Setup

Charging the Headset

Before first use, fully charge your headset. The BH71 Pro can be charged using the included USB-C cable or by placing it in its wireless charging case.

Image: The BH71 Pro headset is shown charging in its portable wireless charging case, connected via a USB-C cable.

Pairing with Devices

The BH71 Pro supports connecting to two devices simultaneously via Bluetooth V5.2. Use the included USB dongle for PC connection or pair directly with your smartphone.

1. **For PC (with Dongle):** Insert the USB dongle into your PC. The headset will automatically pair with the dongle.
2. **For Smartphone:** Activate Bluetooth on your smartphone. Put the headset into pairing mode (refer to the quick start guide for specific steps). Select 'Yealink BH71 Pro' from the list of available devices.

OPERATING

Call Management

Manage your calls efficiently with the headset's controls:

- **Answer/End Call:** Press the Multi-Function Button once.
- **Reject Call:** Press and hold the Multi-Function Button for 2 seconds.
- **Mute/Unmute:** Use the dedicated mute button on the microphone boom.

Audio Playback

Control your media playback directly from the headset.

- **Play/Pause:** Press the Multi-Function Button once.
- **Next Track:** Double-press the Multi-Function Button.
- **Previous Track:** Triple-press the Multi-Function Button.

COMFORT AND FIT

The BH71 Pro is designed for all-day wearing comfort, weighing only 18 grams.

Image: The headset's adjustable ear hook and 180-degree rotatable microphone boom are shown, emphasizing its ergonomic design for comfortable wearing.

- **Adjustable Ear Hook:** The ear hook can be easily adjusted to best fit your ear for a secure and comfortable fit.
- **Rotatable Microphone Boom:** The microphone boom can rotate 180 degrees, allowing you to wear the headset on either ear.

BATTERY LIFE

The BH71 Pro offers impressive battery performance to support your daily communication needs.

- **Headset Talk Time:** Up to 10 hours on a single charge.
- **With Charging Case:** The portable charging case provides an additional 20 hours of talk time, extending total usage to 30 hours.
- **Charging Time:** Approximately 90 minutes for a full charge.

NOISE CANCELLATION

Experience crystal-clear communication with advanced noise cancellation technology.

- **4-Mic Beamforming Technology:** The headset utilizes four microphones with beamforming technology to effectively cancel out background noise, ensuring your voice is heard clearly.
- **Active Noise Cancellation:** This feature further enhances call clarity by reducing ambient distractions.
